Reading Materials

The assigned text listed below is required for all students enrolled in this class. Reading assignments are noted in the course calendar. All students are expected to read the assigned chapters prior to the date specified in the course calendar. The assigned readings will serve as a foundation for the discussion of issues in class as well as examination material.

Teaching Philosophy

1. The student will access and follow all course instructions found in the weekly/unit content area of the Canvas course.
2. The student will access the assigned ‘online’ exams/quizzes by clicking the appropriate tab in the Canvas course.
3. The student will post responses to assigned online course discussion questions using the Canvas discussion tool, which will be located in each Module.
4. The student will complete and submit all assignments electronically.
Course Notes and Recommendations

Please make sure to have your official UNT email forwarded to your preferred email address (if different) to receive important updates, changes, announcements, class cancellations (if applicable), and generally, so I can reach you if necessary.

Before you email Mr. Dellinger or myself with a question, make sure to review the syllabus and course calendar. Most questions are answered in these documents.

The announcement board in Canvas, and email, will be used for primary communication to the class as a whole. I advise you check the announcements section frequently.

Important: It is your responsibility to utilize a computer system that works and is compatible with the UNT online system/Canvas. This is especially critical during examination times. I would recommend that you take your exams on the UNT campus if possible. If that is not possible, I would recommend you avoid waiting until the last minute to take your exam in case problems arise. Do not take your exams on mobile devices such as smartphones.

Welcome to UNT!

As members of the UNT community, we have all made a commitment to be part of an institution that respects and values the identities of the students and employees with whom we interact. UNT does not tolerate identity-based discrimination, harassment, and retaliation. UNT’s full Non-Discrimination Policy can be found in the UNT Policies section of the syllabus.

Course Structure

How the Course is Organized:
The course is divided into weekly chapter modules. Each weekly module will open on Monday at 6:00am and close on Sunday at 11:59pm (with the exception of the final week, please see course calendar). You are still expected to have the assignments completed either before or on the due dates listed in your course calendar. No late work will be accepted unless you have a medical emergency that prohibits you from completing your work on time, which will require a written note from your physician.

What Students Should Do First:

To access the course, login to Canvas on the UNT portal
Select the appropriate course. The homepage for the class will include links to the assignments, course information, reading materials, and course announcements. All information of concern to the class as a whole will be posted as an “Announcement” on the course page, therefore it is your responsibility to check Announcements regularly.
You will be responsible for completing the assignments listed in the syllabus by the due dates. **No late assignments will be accepted** (Please read below for more information on assignments, tests, and due dates). **All late submissions are subject to receive a zero.**

Rules of Engagement

Rules of engagement refer to the way students are expected to interact with each other and with their instructors. Here are some general guidelines:

• While the freedom to express yourself is a fundamental human right, any communication that utilizes cruel and derogatory language on the basis of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law will not be tolerated.
• Treat your instructor and classmates with respect in any communication online or face-to-face, even when their opinion differs from your own.
• Ask for and use the correct name and pronouns for your instructor and classmates.
• Speak from personal experiences. Use “I” statements to share thoughts and feelings. Try not to speak on behalf of groups or other individual’s experiences.
• Use your critical thinking skills to challenge other people’s ideas, instead of attacking individuals.
• Avoid using all caps while communicating digitally. This may be interpreted as “YELLING!”
• Be cautious when using humor or sarcasm in emails or discussion posts as tone can be difficult to interpret digitally.
• Avoid using “text-talk” unless explicitly permitted by your instructor.
• Proofread and fact-check your sources.
• Keep in mind that online posts can be permanent, so think first before you type.

See these Engagement Guidelines (https://clear.unt.edu/online-communication-tips) for more information.
Course Requirements and Grading

Your final grade will be determined based on your performance on 14 Chapter Quizzes, 3 Exams, and 4 Discussion assignments. There is a total of **370 points** that can be earned in this class. The dates for each exam and quiz are listed in the course schedule on canvas.

**Final grades will be calculated based on total points earned in the course using the indicated scale, not on a percentage basis. I reserve the right to resolve borderline grades if students have first completed all the assignments in the course.**

**Respondus Lockdown**
You must download the respondus lock down browser to access the quizzes and exams. All quizzes and exams are protected by this browser. If you have problems downloading the browser, please contact UNT Canvas support team [https://clear.unt.edu/services/lms-support](https://clear.unt.edu/services/lms-support).

**Chapter Quizzes:** Each chapter quiz contains 10 multiple choice questions. You will have 15 minutes to complete your quiz. Dates for when each is available can be found on the course schedule in Canvas.

**Exams:** Each exam contains 50 multiple choice questions. You will have 60 minutes to complete your exam. Dates for each Exam can be found on the course schedule in Canvas.

**Discussions:** Each student will be required to participate in 4 discussions throughout the course. You will be required to post your initial response, then you will be required to respond to at least two of your classmates. See details below.
Discussion and participation: Online discussions comprise the written component of the course and will emulate that of the traditional or face to face classroom environment. Students will complete 4 discussion question posts worth a total of 80 points. The first introduction/introduce yourself post and the remaining 3 content discussions are worth 20 points each. For each discussion, students will be required to both respond to the weekly discussion question as well as make two substantive posts to classmates’ posts in order to receive full credit for the week. Initial discussion question responses should have a minimum of 250 words of original content (references etc. do not count towards the word count requirement). Participation posts must reflect critical thought and reflect substantive contribution to the class discussion (a minimum of 50 words per response). Rather, simply posting that you agree or disagree with another students post or restating their post will not constitute a substantive response. These posts account for a substantive portion of the overall course grade and will not be treated as completion grades. Students should take their time in responding and crafting a carefully thought out response. Students will also be graded on grammar, so proofread submissions prior to posting.

Responses should be typed in a word document before cutting and pasting them into the text submission box to ensure you have a backup copy in the event of a technical issue. Students are strongly encouraged to complete their work as early as possible during the discussion week to avoid these types of issues.

The best discussion/participation posts will incorporate scholarly references with appropriate in text citations as well as a complete reference page in APA format for any and all information obtained from academic references. Information on how to cite is located in Modules under “APA citations guide for Discussions”. Discussions will close promptly at 11:59pm on the due date listed in the course calendar at the end of the syllabus. Discussion/participation posts cannot be submitted after the discussion forum closes on the designated due date and time.

*Students must respond to the discussion question in order to unlock that week’s discussion and enable the ability to respond to others’ posts. All discussion and participation posts must be completed by the due date and time. No late discussion posts or participation posts will be accepted for any reason. If you have technical difficulties in submitting your post, you must email the instructor a copy of your post prior to the discussion due date for your circumstances to be evaluated. The instructor retains discretion to accept or evaluate any submission not turned in through the Discussion forum in Canvas by the due date and time. Discussion posts/participation posts will be graded and returned within one week of the assignment due date. Discussion posts submitted as an attachment will not be graded and will be assigned a score of a 0.

Discussion questions are designed to assess your comprehension and understanding of course materials, not a description of your personal opinion. As such, discussions will be evaluated using the following criteria:

**Make-Up Policy**

There will be no opportunities to make up any missed coursework with the exception of authorized absences according to University policies prescribing authorized absences in certain situations. I reserve the right to consider extreme circumstances and modify this rule. Students should notify me prior to missing an assignment, if possible. Those in athletics, those who are absent for religious holidays, and/or those involved in other school supported activities that require being absent from class will be allowed to make up assignments if proper procedures...
are followed in requesting an excused absence. I must have written documentation in advance that you will be away from class for the absence to be excused.

Authorized Absences:

Absences are authorized only in cases of participation in school sponsored activities and/or religious holidays. For an excused absence due to a school sponsored activity, students must be approved in advance by the department chair and academic dean. Within three days after the absence, students must obtain authorized absence cards from the Dean of Students for presentation to instructor. Students who wish to request an excused absence for religious holidays can do so and will be excused from class as long as they make a request within the required time frame set by the University (see the most recent undergraduate catalog). Notification must be in writing so that I may have it for my records. You must arrange to make up any work missed during the excused religious absence or school sponsored activity.

Academic Dishonesty/Integrity

Academic Integrity Standards and Consequences. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

Grade Appeals

Please keep all your graded work. You cannot, under any circumstance, dispute a grade on an exam or assignment if you cannot provide the original copy. Should you have any discrepancy with a grade you receive, you must submit a written complaint and meet with me within one week of receiving the grade. Bring the original copy of the exam or assignment to this meeting. Written complaints must address specific comments and/or grading criteria. Filing an appeal does not guarantee that your grade will be changed. Grades are not verbally negotiable.

ADA Policy

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one’s specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website (https://disability.unt.edu/).
Prohibition of Discrimination, Harassment, and Retaliation (Policy 16.004)

The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

Emergency Notification & Procedures

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

Retention of Student Records

Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student’s records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University’s policy. See UNT Policy 10.10, Records Management and Retention for additional information.

Acceptable Student Behavior

Student behavior that interferes with an instructor’s ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student’s conduct violated the Code of Student Conduct. The University’s expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit UNT’s Code of Student Conduct (https://deanofstudents.unt.edu/conduct) to learn more.

Access to Information - Eagle Connect

Students’ access point for business and academic services at UNT is located at: my.unt.edu. All official communication from the University will be delivered to a student’s Eagle Connect
account. For more information, please visit the website that explains Eagle Connect and how to forward e-mail [Eagle Connect](https://it.unt.edu/eagleconnect).

SPOT Participation

Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey will be made available during the last week to provide students with an opportunity to evaluate how this course is taught. Students will receive an email from "UNT SPOT Course Evaluations via IASystem Notification" ([no-reply@iasystem.org](mailto:no-reply@iasystem.org)) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey they will receive a confirmation email that the survey has been submitted. For additional information, please visit the SPOT website ([http://spot.unt.edu/](http://spot.unt.edu/)) or email [spot@unt.edu](mailto:spot@unt.edu).

Sexual Assault Prevention

UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. Federal laws (Title IX and the Violence Against Women Act) and UNT policies prohibit discrimination on the basis of sex, and therefore prohibit sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking, and/or sexual assault, there are campus resources available to provide support and assistance. UNT’s Survivor Advocates can assist a student who has been impacted by violence by filing protective orders, completing crime victim’s compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change where appropriate, and connecting students to other resources available both on and off campus. The Survivor Advocates can be reached at [SurvivorAdvocate@unt.edu](mailto:SurvivorAdvocate@unt.edu) or by calling the Dean of Students Office at 940-565-2648. Additionally, alleged sexual misconduct can be non-confidentially reported to the Title IX Coordinator at [oeo@unt.edu](mailto:oeo@unt.edu) or at (940) 565 2759.

Important Notice for F-1 Students taking Distance Education Courses

Federal Regulation

To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to the [Electronic Code of Federal Regulations website](http://www.ecfr.gov/). The specific portion concerning distance education courses is located at Title 8 CFR 214.2 Paragraph (f)(6)(i)(G).

The paragraph reads:
(G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement.

University of North Texas Compliance
To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student’s responsibility to do the following:

(1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.

(2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email internationaladvising@unt.edu) to get clarification before the one-week deadline.

Student Verification
UNT takes measures to protect the integrity of educational credentials awarded to students enrolled in distance education courses by verifying student identity, protecting student privacy, and notifying students of any special meeting times/locations or additional charges associated with student identity verification in distance education courses.

See UNT Policy 07-002 Student Identity Verification, Privacy, and Notification and Distance Education Courses (https://policy.unt.edu/policy/07-002).
Use of Student Work
A student owns the copyright for all work (e.g. software, photographs, reports, presentations, and email postings) he or she creates within a class and the University is not entitled to use any student work without the student’s permission unless all of the following criteria are met:

- The work is used only once.
- The work is not used in its entirety.
- Use of the work does not affect any potential profits from the work.
- The student is not identified.
- The work is identified as student work.

If the use of the work does not meet all of the above criteria, then the University office or department using the work must obtain the student’s written permission.

Download the UNT System Permission, Waiver and Release Form

Transmission and Recording of Student Images in Electronically-Delivered Courses

1. No permission is needed from a student for his or her image or voice to be transmitted live via videoconference or streaming media, but all students should be informed when courses are to be conducted using either method of delivery.

2. In the event an instructor records student presentations, he or she must obtain permission from the student using a signed release in order to use the recording for future classes in accordance with the Use of Student-Created Work guidelines above.

3. Instructors who video-record their class lectures with the intention of re-using some or all of recordings for future class offerings must notify students on the course syllabus if students' images may appear on video. Instructors are also advised to provide accommodation for students who do not wish to appear in class recordings.

   Example: This course employs lecture capture technology to record class sessions. Students may occasionally appear on video. The lecture recordings will be available to you for study purposes and may also be reused in future course offerings.

   No notification is needed if only audio and slide capture is used or if the video only records the instructor's image. However, the instructor is encouraged to let students know the recordings will be available to them for study purposes.

• **Legal Name**

*UNT euIDs cannot be changed at this time. The collaborating offices are working on a process to make this option accessible to UNT community members.*

**Pronouns**
Pronouns (she/her, they/them, he/him, etc.) are a public way for people to address you, much like your name, and can be shared with a name when making an introduction, both virtually and in-person. Just as we ask and don’t assume someone’s name, we should also ask and not assume someone’s pronouns.

You can [add your pronouns to your Canvas account](https://library.unt.edu/) so that they follow your name when posting to discussion boards, submitting assignments, etc.

Below is a list of additional resources regarding pronouns and their usage:

- **What are pronouns and why are they important?**
- **How do I use pronouns?**
- **How do I share my pronouns?**
- **How do I ask for another person’s pronouns?**

Student Behavior and University Policy:

Student behavior that interferes with an instructor’s ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Center for Student Rights and Responsibilities to consider whether the student's conduct violated the Code of Student Conduct. The university's expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at www.unt.edu/csrr

Participation and Online Behavior

To be successful at learning and understanding the material in this class, it is essential that you read and complete the assigned material and engage in thoughtful online discussions. Your active participation, along with your willingness to engage in thoughtful discussions regarding crime and justice will be taken into account at all times during the semester.

An online classroom, at least during times of online discussion, is a place to express ideas, opinions, and engage in thoughtful discussions. Students will respect the views and opinions of others at all times or their status in the course will be examined. In sum, simply be appropriate during online interactions. Each student brings unique insight and perspectives, and that can make for a very interesting and lively discussion forum, but just please be appropriate and respectful of others. Please review the undergraduate catalog concerning conduct which adversely affects the university community.

Syllabus Changes

I reserve the right and have the discretion to change this syllabus. While every effort will be made to follow this syllabus as closely as possible, it is sometimes the case that the syllabus must be modified. In the case that the syllabus needs to be adjusted, I will announce such adjustments to the class. I will make every effort to ensure that any changes to the syllabus benefit the class as a whole. It is the student’s responsibility to check announcements/email so that any and all syllabus changes are documented. Failure to obtain syllabus changes because of failure to check and read announcements does not constitute a defense against missed assignments, test dates, and other applicable changes.
