Screenprint & Advanced Screenprint

ASTU 3320 & 4320, 3 credit hours, Spring 2014
TTr 8am – 10:50am, Hkry 160
Instructor: Andrew DeCaen
decaen@unt.edu, 940 565 4024
Office Hours: W 11am–1pm HKRY 160D and/or HKRY156

Course Description
Advanced topics in Screenprint, including traditional and non-traditional techniques using the fundamentals of ink, paper, and printing. Edition printing, Monoprinting, and unconventional format prints will be relevant to this course.

Course Content & Objectives
Students will use Screenprint to develop a creative direction and make a unified body of work. Printmaking will be taught as a primary form of expression in a studio art context. Demonstrations, critiques, discussions and a series of projects will emphasize printmaking concepts and properties such as: layered image making, serial imagery, circulation, collaboration, translation, and technically alluring processes.

Course Structure
This course will demand that you use your time efficiently and learn to be productive in a busy studio environment. Class time will be used for demonstrations, critiques, and scheduled work time as laid out in the calendar. Students will need to pay close attention to class activities, take good notes, and make progress on their projects during and between each class period. Use class time for printing whenever possible since you will have my technical assistance then. The last 10 minutes of each class will be reserved for a mandatory studio cleaning time. In addition to the five hours and forty minutes of class each week, each student should plan 6-10 additional hours for independent studio time each week. This often will mean working in the print studio since essential equipment is here. Advanced Screenprinting (ASTU 4320) students will do modified assignments determined by the instructor and student’s needs.

Grading / Course Requirements

The Body of Work (cohesion & progression of themes, imagery, & form AND Artist's Statement) 2 letter grades
Project #1: Contact Paper and Painted Stencils (7+ color, limited edition of 5 identical prints) 1 letter grade
Project #2: Double Reduction with Opacity & Transparency (7+ color, limited edition of 5 identical prints) 1 letter grade
Project #3: Drawn & Photo Stencils w/ Appropriation (7+ color, limited edition of 5 identical prints) 1 letter grade
Project #4: Portfolio Trade Print (10+ color limited edition of 19 identical prints) 1 letter grade
Project #5: Challenging Conventional formats (See various options) 1 letter grade

**Projects are graded on formal design skill, mastery of technique (in imaging and printing), conceptual engagement, and contextual awareness.
Class & Critique Contribution (graded at each of the 5 critiques, then averaged at the end) 1 letter grade
2 short reviews (Visiting Artist’s lectures or exhibition) Requirement*
Attendance at Final Clean-up Session (1 hour) on Reading Day Requirement
*If the student cannot attend a Visiting Artist’s Lecture or final Clean-up Session, they are required to notify the instructor so that they may be given an alternative assignment. Failing to do either will reduce the semester grade by one full letter.

Advanced Screenprint (ASTU 4320) students will have the same number of projects to do modified assignments determined by the instructor and student’s needs.

Grading Scale for Projects/Assignments: The plus / minus system of grading will be used for projects/assignments:
A (4.00) Excellent work that exceeds objectives, is very high in originality, and extremely well conceived and executed.
A- (3.75)
B+ (3.25)
B (3.00) Good work that meets the objectives, is very high in originality, and well conceived and executed.
B- (2.75)
C+ (2.25)
C (2.00) Average acceptable work that meets the objectives, is fairly well conceived, and executed.
C- (1.75)
D+ (1.25)
D (1.00) Inferior work that is minimally complete, but falls short of the objective of the project.
D- (0.75)
F (0.00) Failing work. Significantly incomplete, does not meet the objectives, and is poorly executed and/or conceived.

Grading Scale for End of the Semester Averages:
The University of North Texas only allows for whole letter grades to be recorded for the semester grade.
A (4.00-3.50) B (3.49-2.50) C (2.49-1.50) D (1.49-0.50) F (0.49-0.00)
Attention:
DO NOT MISS CLASS. If you are not in attendance, you cannot participate.
It is your responsibility to answer roll call at the beginning of class.
If absent, you are responsible for all missed class work and information, and for returning to the next class prepared.
Coming to class unprepared to participate will count as an unexcused absence.
Any unexcused absences will reduce your critique/participation grade for that project grading period.
Four unexcused absences will reduce your final SEMESTER GRADE by one full letter.
Five unexcused absences will reduce your final SEMESTER GRADE by two full letters.
Six unexcused absences will result in a SEMESTER GRADE of F.
Up to five (5) absences are excusable with appropriate documentation.
Absences are only excused with written documentation of a health or personal emergency.
Medical excuses must be a note from a doctor stating that they recommend that you not attend class on the day of the absence.
(A note from the UNT Student Health and Wellness Center must state that you are not to attend class.)
A “personal emergency” will generally be considered a death or emergency in the immediate family.
Excused absences must be documented within two class periods following the absence.
PUNCTUALITY IS IMPORTANT.
I make my most important demonstrations, and announcements at the START & END of each class period.
If you walk in late, it is your responsibility to make sure you are not marked absent.
Three times (3) tardiness is equal to one (1) unexcused absence.
Arriving to class more than 15 minutes late or leaving class early will count as an unexcused absence.

Critique & Class Participation Contribution
With each project, you will earn a grade reflecting your participation in class AND critique.

Full Class Participation means:
Coming to class prepared to work:
- Having spent time outside of class researching ideas, planning imagery, and drawing.
- Having spent time outside of class making steady progress on the piece to prepare you for in class activities.
- Having all needed course materials in class.
- Paying close attention and writing notes during class discussions or demonstrations.
- Using class time productively to make clear progress on projects.
- Cleaning up after oneself.
- Completing individual clean up assignment at the end of every class.

On Critique Day…
Please prepare your work before class begins so that we have enough time to critique your work.
Hang your work in the best way possible so that we can focus on the artwork.
Do not pierce the paper of the print with pins! Pinch it against the wall or use clips.
If the work is a limited edition, only hang one from the edition.
If the work is a monoprint or altered print in a series, hang all the prints in the series in a group.
Each project is due on the day of critique.
Coming to critique without new work will earn a D or F for the critique grade and an F for the project grade.
Coming to critique with a project that is incomplete will earn a critique grade no better than a C.
Be prepared to speak clearly about your work or prepare a statement to read.
Write notes during critique on anything that may be relevant to your work.
You will reflect how you defend, respond to, or contribute to criticism about your work.
You will be graded on how you contribute to the discussion of your peer’s work in group critique.

The rubric for grading Critique Contribution follows:
A = Gives engaged, relevant, honest, and critical attention, comments, and questions with respect to your peers’ work
   AND thoughtfully discuss & answer questions about your own work.
B = Often contributes in critiques with worthwhile comments
C = Comments from time to time and is therefore “noticed.”
   (≥ Coming to critique with a project that is incomplete.)
D = Gives more agreement and unsupported assertions instead of truly adding to the discussion.
   (≥ Coming to critique without new work.)
F = One of the crowd to the point of blending in. Not much to say.

The rubric for grading Class Participation follows:
A = Attends every class with highest level of productivity & focus on appropriate activities, while contributing to a positive environment
   AND Takes good care of equipment/materials, Cleans up after oneself, and performs clean up assignment every class.
B = Attends class with regular productivity & focus on appropriate activities, while contributing to a positive environment
   AND Takes good care of equipment/materials, Cleans up after oneself, and performs clean up assignment every class.
C = Attends class with acceptable productivity & focus on appropriate activities, while contributing to a positive environment
   AND usually takes care of equipment/materials, Cleans up after oneself, and performs clean up assignment every class.
D = Attends class with regular inadequacies in: productivity or focus on appropriate activities, positive attitude, care of equipment/materials,
   personal clean up, or clean up assignment every class.
F = Unacceptable inadequacies in: productivity or focus on appropriate activities, positive attitude, care of equipment/materials,
Class Interruptions & Distractions
If your cell phone rings in class, I answer it. No buts.
No social visitors are allowed during class time.
Come to class ready to make art.
Class time is NOT for: Eating your breakfast, Talking on the phone, Surfing the web, Checking facebook or email, Going to the copy center, Going to get art supplies, Going to the library, Going to address other personal issues....Please do these things outside of class.

Project Turn-In Guidelines:
Projects are graded on formal design skill, mastery of technique (in imaging and printing), conceptual engagement, and contextual awareness.
Late projects are not accepted unless a deadline extension is given based on extenuating circumstances.
The set or edition of prints is due to be turned in on the day of critique.
If the project requires a set of unique prints, turn in ALL unique prints, signed, and dated.
If the project requires a limited edition, turn in ALL numbered prints, signed, numbered, and dated.
A true limited edition should be as close to identical as possible.
Prints should have either a minimum 2" clean boarders on all sides OR a "bleed print" with no white boarders.
Prints should be made on good quality paper capable of receiving a high fidelity impression.
If a project is turned in on time, but is incomplete, the grade will reflect this…
But the project may be completed or otherwise improved and re-turned in for a better grade at a later date.
Each print must be clean and undamaged at the time of turn-in.
Each print should have a "slip sheet" of clean newsprint exactly the size of each print to cover and protect each print.
Turn in the set or edition of prints in a clean newsprint folder (2X the size of the largest print, folded in half).
If another portfolio type is used, please make sure the portfolio completely contains all the work to avoid damage.
Print your name on the outside of the folder, and do NOT tape it shut.

Final Portfolio Guidelines:
At the end of the semester you will turn in the following:
• Turn in in a portfolio that completely contains the completed work.
• The complete edition or monoprint series of your final project.
• One good print from each limited edition.
• ALL unique monoprints and altered prints from the whole semester.
• Do not sell, destroy, or lose any work before the semester is complete.
• Final Version of the artist’s statement,
If a student fails to turn in a complete final portfolio, the final semester grade will be marked INCOMPLETE.
An “Incomplete” grade may reduce your opportunity for scholarships and the benefits those scholarships may include.

Artist’s Statement (250-450 words printed out. Due with final portfolio.)
This semester your work is expected to have a definite unity of focus. Write to explain the cohesion and progression of themes, imagery, & form.
This short essay will guide me (along with all the semester’s work) in evaluating your “Body of Work” grade. I recommend writing and revising it for each critique. Writing an artist’s statement should get you thinking more critically about what you are doing, how you are doing it, and why you are doing it.

Grade Consultation
I am available for private grade consultation only by appointment.
Grades cannot be discussed over email.

Print Studio Access
Only students currently enrolled in print courses may use the print facilities.
You may NOT invite people who are not enrolled in this class to work in these studios; it is a liability.
The Print Studios’ open hours will be posted on the doors of the studios.
If you wish to work in the print studio during another class period you MUST get the professor’s permission first, and students in that class will retain priority on space and press-use.
All students in printmaking classes will be given the codes to the doors they will be using.
Doors are to be left open if there are students in the classroom.
Doors are to be left closed when the last person leaves the room.
The access codes are NOT for sharing with people who are not in print classes.
The access codes are NOT for using after building closing hours.
If you are caught in the studios after building closing hours you may be prosecuted for trespassing.

FINAL CLEAN-UP SESSION is the Friday of “Reading Day” from 1pm-5pm
Students must spend 1 hour for every print class in which they are enrolled.
If a student cannot make that date, s/he must pre-arrange with the faculty an alternate date to contribute to the group effort.
Failing to attend the clean-up session will reduce your semester grade by one full letter.
After the clean-up day, undergraduates may not use the studios to print.
Bring your syllabus, project outlines and handouts with you to every class. Your syllabus is your Contract for the semester.

**NOTE:**
Discuss dropping a course being done. It may be wise for you to schedule a meeting with an academic advisor in your college or visit the Student Financial Aid and Scholarships Office to discuss dropping a course being done.

If at any point you consider dropping this or any other course, please be advised that the decision to do so may have the potential to affect your current and future financial aid eligibility. ---

**Academic Honesty**
Standards of academic honesty will be upheld. All work must be the product of the student’s own ideas and efforts. Details: [www.unt.edu/carr/student_conduct](http://www.unt.edu/carr/student_conduct). No Double-Dipping! Students may NOT turn in the same artwork for two courses.

**Safety & Course Risk Factors**
According to University Policy, this course is classified as a category three (3) course. Students enrolled in this course are exposed to significant hazards which have the potential to cause serious bodily injury or death. In this class, those risks are related to (exposure to various chemicals, heavy tools, and sharp tools). Students enrolled in this class will be informed of potential health hazards or potential bodily injury connected with the use of materials and/or processes and will be instructed about how to proceed safely. Safety procedures will be given the first week and through out the term as new safety issues become pertinent. Please report any damaged or dangerous items to your Professor immediately.

No eating in the print studios! No open-toed shoes in the print studios.

Students who are pregnant or will become pregnant during the course of the semester are advised to check with their doctor immediately to determine if any additional risks are reason to postpone this course until a later semester. Upon request, your professor will provide a list of chemicals and safety issues for your doctor to review. Material Safety Data Sheets are available on all chemicals. It will be up to you and your doctor to determine what course of action to take.

**Building Emergency Procedures**
In case of emergency (the alarm will sound), please follow the building evacuation plans posted on each floor of your building and proceed to the nearest parking lot. In case of tornado (campus sirens will sound) or other weather related threat, please go to the nearest hallway or room on your floor without exterior windows and remain there until an all clear signal is sounded. Follow the instructions of your teachers and act accordingly.

**Americans with Disabilities Act**
The College of Visual Arts and Design is committed to full academic access for all qualified students, including those with disabilities. In keeping with this commitment and in order to facilitate equality of educational access, faculty members in the College will make reasonable accommodations for qualified students with a disability, such as appropriate adjustments to the classroom environment and the teaching, testing, or learning methodologies when doing so does not fundamentally alter the course. If you have a disability, it is your responsibility to obtain verifying information from the Office of Disability Accommodation (ODA) and to inform me of your need for an accommodation. Requests for accommodation must be given to me no later than the first week of classes for students registered with the ODA as of the beginning of the current semester. If you register with the ODA after the first week of classes, your accommodation requests will be considered after this deadline.

Grades assigned before an accommodation is provided will not be changed. Information about how to obtain academic accommodations can be found in UNT Policy 18.1.14, at [www.unt.edu/oda](http://www.unt.edu/oda), and by visiting the ODA in Room 321 of the University Union. You also may call the ODA at 940.565.4323.

**Disabilities Accommodation:**
Please notify the instructor if you have a disability that requires accommodation. It is also required that you register with the UNT Office of Disability Accommodation. Student Union, Room 318. The College of Visual Arts and Design policy on accommodation is available upon request in the CVAD Dean’s offices, Room 107. Further questions and problems on accommodation may be addressed to Associate Dean Eric Ligon, School Accommodation Liaison, Art Building, Student Advising, Room 111.

**Center for Student Rights and Responsibilities**
Each University of North Texas student is entitled to certain rights associated with higher education institutions. See [www.unt.edu/carr](http://www.unt.edu/carr) for further information.

**Financial Aid Satisfactory Academic Progress - Undergraduates**
A student must maintain Satisfactory Academic Progress (SAP) to continue to receive financial aid. Students must maintain a minimum 2.0 cumulative GPA in addition to successfully completing a required number of credit hours based on total registered hours per term. Students cannot exceed attempted credit hours above 150% of their required degree plan. If a student does not maintain the required standards, the student may lose their financial aid eligibility.

If at any point you consider dropping this or any other course, please be advised that the decision to do so may have the potential to affect your current and future financial aid eligibility. Please visit [http://financialaid.unt.edu/satisfactory-academic-progress-requirements](http://financialaid.unt.edu/satisfactory-academic-progress-requirements) for more information about financial aid Satisfactory Academic Progress. Exhibition Review Guidelines
Attend a professional exhibition and write a short visual response using the following guidelines: Write an essay with standard grammar and punctuation. (Do not write an outline) (200 and 400 words)

Paragraph 1: Select a pair of artworks to discuss. They may be created by the same artist or different artists. Identify the artists, titles, and where you viewed the artworks. Introduce your general thought on why you selected to compare and contrast these two artworks.

Paragraph 2: Compare and contrast formal and/or technical qualities of the artworks. For formal analysis, write about how the elements of design are used to create any two of the following: Rhythm/Repetition, Unity/Variety, Elaboration/Efficiency, Proportion/Scale, Balance/Harmony, Focal point/Direction, Dominance/Emphasis, Contrast/Subtlety, and Negative space/Positive space. For technique, identify what techniques/media each artwork uses. Decide if these media/techniques seem appropriate to the artworks in any way.

Paragraph 3: Compare and contrast your impression of the conceptual/contextual content of the artworks. And Finally make your evaluation of the artworks you selected.

Image Attachments: Along with your email, attach two images of the artworks you compared.

Visiting Artist Lecture Review Guidelines
Attend a Visiting Artist Lecture on campus or in the region and write a short visual response using the following guidelines: Write an essay with standard grammar and punctuation. (Do not write an outline) (200 and 400 words)

Paragraph 1: Identify the speaker Identify the artists, name of the lecture, and where you saw the lecture. Describe generally what attracted you to attend this lecture.

Paragraph 2: Describe the general theme of the artist’s lecture... a topic, the artist’s personal development, etc. describe the main themes or points of the discussion. Was the discussion more centered on concept, form, technique, cultural/historical context, or something else?

Paragraph 3: Describe your personal impression of the lecture. Was it informative? Did it seem to have any relevance to your creative process? How? Was there anything about the speaker’s agenda or style that you found interesting. And Finally make your evaluation of the lecture.

Image Attachments: Along with your email, attach two images (one from the lecture and one of an image discussed in the lecture.)
On Signing and Documenting Prints

A Limited Edition is an identical set of numbered prints. No one is a machine, but the artist's aim is to master the media well enough to execute the print with the same beautiful quality. When you sign the prints you are affirming the quality and control you have over the media and guaranteeing that the work has a finite rarity.

Editions are signed with two numbers. The last signifies the number of identical prints in the edition. The first signifies the order in which it was signed. Note: even though some collectors like to think differently, the whole edition is identical; #1 is no different than #3,000. So, your edition will be signed like this:

<table>
<thead>
<tr>
<th>Title</th>
<th>1/10</th>
<th>Signature, year</th>
</tr>
</thead>
<tbody>
<tr>
<td>Title</td>
<td>2/10</td>
<td>Signature, year</td>

</tr>
<tr>
<td>Title</td>
<td>10/10</td>
<td>Signature, year</td>
</tr>
</tbody>
</table>

Editions are sometimes signed “1:10” or “1 of 10” also.

Limited Variable Editions: Sometimes the artist chooses to print an edition with some part that is not completely repeatable. For example, you may choose to print your lithograph, then apply a watercolor wash to the background of each print in the edition, or attach a safety pin into each print in the edition. When you do this you take care to make these additions as close to the same as possible. You sign Variable Editions with the letters VE (or EV or Edition Varie) next to the numbering.

Monoprints are prints that were printed from a stable matrix but are not printed in an edition. They can be signed “1/1” or “Monoprint” or “Unique” or left without number/mark.

Monotypes are prints that have no stable matrix. The most common form of monotype is achieved by painting on a piece of smooth copper or plexiglass then transferred to a piece of paper. They can be marked “1/1” or “Unique,” or left without number/mark.

PROOFS: As you print you will likely have to print at least 10%-30% more than the number you intend to be in the edition because some will not print as perfectly as others. The extra prints can be called by a number of different names:

A.P. = Artist’s Proof: a print of comparable quality to those in the edition but reserved separately from the edition. Printing a number of A.P.s that is more than 20% of the edition number is generally considered bad practice because it gives a false sense of rarity.

B.A.T. = Bon a Tirer: (meaning “good to pull” in French.) Traditionally this print is the standard of quality for the rest of the edition. In the old Atelier model, artists would sign this print to give the printers permission to make the edition. Many artists who make their own prints do not use a B.A.T.

T.P. = Trial Proof: a print proofed to look differently from the edition as part of the creative decision making process.

C.T.P. = Color Trial Proof: a Trial Proof in which the difference is in the color chosen or the way the plate is inked.

State Proof: In the case where the artist wishes to print multiple versions of the same image, this proof shows the progression of the image. I.e. signed: “state one, state two, state three…”

P.P. = Printer’s Proof: In the case where an artist has printers printing or helping to print an edition, the printer is given a proof.

Color Separation Proof or Color State Proof or Progressive Proofs: proofs from a multiple color print where only certain colors are printed as a matter of education or quality. It might be signed: “Color Trial Proof:” with notations on which colors were printed and in what order.

Cancellation Proof: Traditionally a printer would draw an X mark through the image on the plate and print it one last time to ensure the rarity or limited edition standard. Many printers do not make a cancellation proof. Rembrandt’s plates were never cancelled and are still re-printed in later editions by the current owner. These prints show their wear and are worth significantly less on the open market.

SPECIAL DATES FOR PRINTMAKING MAJORS

MAT CUTTING DEMOS (for those who will do BFA Mid Point Review)
Friday, Feb 28, 9am-12am, Sign up on Critique Room Door, Hickory 160A.

BFA MID POINT REVIEWS (PRINTMAKING MAJORS)
Mon March 3, 8-5pm. Turn in portfolio with Updated Unofficial Transcripts printed at the Registrar's Office.
Friday March 7, 8am -2pm. Reviews with Andy and Lari. ( Please sign up at Crit Room Door.)
Printmaking Majors participate in a Mid Point Review while taking their second 3000-level printmaking course.
Majors must pass the review before enrolling for the capstone ASTU 4300 Print Studio Course.
Please Review Portfolio Guidelines Posted at Critique Room Door

Borrowed Print Studio Tools
Some tools in the print studios will be available for check out for the semester. If these tools are not returned at the end of the semester in good shape, the student’s grade will be reduced by one full letter grade or held incomplete until the tool is returned. This includes registration pins, squeegees, screen support boards, these are to be returned clean by clean up day.

Critique Room
The Critique Room is a designated clean space. Do not store items in this room outside of your flat file.
If you eat or drink in this room, dispose of your food or food packaging in the trash.

Flat File Drawers, Plate, and Materials Storage
Upper Level Students may share one flat file drawer in the critique room. Flat Files are for storage of paper and clean items. No liquids in the flat files! Please keep etching monotype or relief plates in the designated areas in the main studio space. Mark all personal items with your name.
Items left in the flat files and shelf space after finals week will be discarded.

On Sketchbooks:
Keeping a sketchbook will allow me to access your creative process visually instead of having to rely on words.
I don't collect sketchbooks, but I recommend keeping one for your creative benefit. Please keep the following in your sketchbook:
1) Notes on Lithography Demonstrations, and Discussions (valuable for your reference when I’m not around)
2) Sketches showing the images development for each print (preparatory drawings, visual brainstorming, etc)
3) Notes on Critique Discussions (especially with regard to comments on your work)

First Day Survey:
Define “Print”
Define “Drawing”
How important is Risk to an artist?
What does it take to be a successful artist?
How will you define “success” for yourself as an artist?
Rank each in order of importance for success:
“Talent” (What is it really?)
Skill(s)
Intelligence
Luck and Patience
Consistent Work Ethic
Desire and Confidence

Screenprint Project 1: Contact Paper and Painted Stencils

Your semester objective is to develop a body of work with a cohesive ideas, imagery, and content. You should NOT plan the whole semester’s work now... Only make an image you are interested in now, and continue to expand themes, imagery, and content into the later work; let the body of work grow organically.

Conceptual Objective: Paper and painted stencils are among the most basic and common methods of making screenprinted imagery. Consider the different effects of these two methods and the ways they can be achieved. Consider various artist who use hard edge stencils and painted stencils in different ways... Create an image that explores these to your own end. Match the formal quality to your content.

Technical Objective: Image size: at least 11” x 15” (or equivalent)  
Paper size: at least 15” x 20” (2” boarder with 1” excess on one side for pin registration tear-off. (or equivalent)  
Paper: screenprint-appropriate rag paper 200gsm or heavier, smooth.  
Required Number of printed runs: at least 6  
Required Number of identical prints: at least 5 (You should print at least 8 to get 5 good ones.)  
Required: Sign, date, and number prints as shown in class.  
Required techniques: Use at least 2 runs using contact paper or paper  
Use at least 1 run using screen filler  
Use at least 1 run using drawing fluid to make lines.  
You may work in subtractive manner, or you may completely remove the image between colors.

Formal Objective: Consider the color feel of the work and create a color palate appropriate to your content. Use both opaque and transparent colors for various effects. Create a dynamically balanced composition. Create an image that draw us in from a distance, then give us something to look at once we are close.
