COURSE ETHICS AND ATTENDANCE

1. ATTENDANCE: Punctual attendance is mandatory for all classes. This class is a combination of reading, demonstration, and discussion. Skills and information you get in the course will be used on assignments, not to mention the rest of your theatrical career. You will be responsible for material missed if absent. **You are allowed 3 absences. For every subsequent absence, points will be deducted from your final grade.** Roll is taken at the start of every class. If you are late, it is your responsibility to make sure you are marked present.

2. LAB: This is a required component of this class. You will report to the costume shop during your lab time. Some Lab days will be used for practicing skills demonstrated in class, and some lab days will be working on class project. Additional time in the Costume Shop may be required to finish your projects. Plan ahead. NEVER be afraid to ask to try something! Take advantage of the opportunities that are available to you. When you leave the lab, honor the space by returning all tools and equipment used to their proper places.

3. BEHAVIOR: No phones may be used during class unless permission is given by the instructor. In this course, bodies and clothing are assessed, measured, and discussed. Please use respectful language and tone. Any body-shaming/insulting/harassing will not be tolerated. BASIS FOR EVALUATION: It is expected that you will approach this class with an open mind, enthusiasm, and a **willingness to try**. A substantial portion of your grade will be based on this expectation, as evidenced by the completeness of your work, the level of skills you develop, and how far you progress within the class. More emphasis is placed on willingness to work and a sense of responsibility than on the level of skill achieved.

ASSIGNMENTS

PROJECTS: You will be asked to complete sewing projects that demonstrate the skills you learned in class. The instructor will provide the materials and instructions for these projects. You may use the Costume Shop to help complete these projects. These projects are to be worked on during your lab hours. Any extra time needed in the shop must be on your own time.

OTHER ASSIGNMENTS: The instructor may add assignments at any point if certain topics need more emphasis or practice. Please be ready and willing to dive into these assignments as a tool for learning and growth as a theatre practitioner.

NOTE: In a class such as this, many students often feel frustrated at first. I would rather have you request assistance and admit your shortcomings than to simply do it wrong or, worse, to do nothing at all. Please feel free to talk to me or get help if you are "stuck." Conversely, if you are already knowledgeable in some areas, please feel free to request a training in a new or more complicated area.
