**ODA:** The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office for Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in the course. You may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the Office for Disability Accommodation website at <https://disability.unt.edu/> . You may also contact them by phone at 940-565-4323.

Information about the grading scale and class content can be found on Dr. Thompson's syllabus for the main course.
