For illnesses and deaths, you must provide documentation (physician's statement, obituary, etc.) **the first day you return to class** in order to be excused. Absences in observance of religious holidays are authorized only if you have notified your instructor in writing within the first **15 days** of the semester. For university sponsored activities, you must obtain authorized absence cards from the Dean of Students and present them to your instructor in

order for your absences to be excused. Please note that after the 12th absence you may be dropped from the course.

Toward the end of the semester each student will have a short conversation in Spanish with a classmate covering the communicative functions practiced in class. Orals will be graded on content and detail provided, incorporation of grammatical structures and vocabulary studied throughout the semester, and use of communication strategies.

COURSE POLICIES

On use of technology during class time

While technology will be an important component of this course, class time will be focused on face to face communication and interaction. For this reason, the use of electronic devices will not be allowed during class time unless otherwise indicated by your instructor.

On use of e-mail

Instructors of first and second year Spanish (1010 through 2050) require students to use official UNT Eagle Connect for all communication. This means that your instructor will only respond to e-mail sent by their students from a UNT Eagle Connect address. Likewise, your instructor will

only send e-mail to your UNT Eagle Connect address. Information about Eagle Connect can be found at the following Web address: <http://eagleconnect.unt.edu/>.

On academic integrity

The UNT Department of Spanish adheres to the University's policy on Student Academic Integrity. For all pertinent assignments and assessments, the work must be the student's work only (unless otherwise indicated by the course instructor) and should reflect the student's level of proficiency. Students are prohibited from asking another person (i.e. a friend, tutor, or relative) to help them develop or compose a response (oral or written) in preparation for, or while completing, an assignment or assessment that will be graded and applied to the student's final grade in the course. This includes, but is not limited to, receiving outside assistance with drafting, revising, editing, or developing the content and structure of a response to an assignment or assessment question without consent from the course instructor. Also, the use of translation technology (any digital translation tool or app) is prohibited for all assignments and assessments and will be considered academic misconduct. Information "cut and pasted" or otherwise copied from other sources and used as answers in assignments and assessments will be considered plagiarism. If a student has any doubts whatsoever as to what constitutes any form of scholastic dishonesty, they should consult with the course instructor before submitting their work. Cheating, plagiarism, and other examples of academic misconduct defined by University Policy will result in a zero on the assignment or assessment in question, and may be reported to the Dean of Students.

On student behavior in the classroom

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Center for Student Rights and Responsibilities to consider whether the student's conduct violated the Code of Student Conduct. The university's expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at www.unt.edu/csrr.

A note on protocol: If you have a problem with anything related to your course (textbook, instructor, testing, etc.), it is your responsibility to discuss the problem first with your instructor. Most problems or misunderstandings can be dealt with effectively and efficiently if the people most directly involved can discuss the problem and communicate honestly with each other.

DISABILITY ACCOMMODATION STATEMENT

The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking reasonable accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with a reasonable accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that

students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Accommodation website at <http://www.unt.edu/oda>. You may also contact them by phone at [940.565.4323](tel:940.565.4323).
