COURSE REQUIREMENTS

Attendance Attendance is expected for all scheduled classes. The nature of the course requires active participation and interaction among all class members at all times. Absences will result in a lowering of the final grade as follows:

Sections that meet THREE times per week:

- 2 no affect
- 3 reduction of 1 letter grade
- 4 reduction of 2 letter grades
- 5 reduction of 3 letter grades
- 6(+) grade of WF if withdrawal is requested, or final grade of F

*Each tardy will be counted as ½ an absence

Sections that meet TWO times per week:

- 1 no affect
- 2 reduction of 1 letter grade
- 3 reduction of 2 letter grades
- 4 reduction of 3 letter grades
- 5(+) grade of WF if withdrawal is requested, or final grade of F

*Each tardy will be counted as ½ an absence

Conducting Assignments

Weekly conducting assignments will be given and graded. Each student will be expected to conduct the assigned musical excerpts in class with the class members as the ensemble. Absence from class on a pre-assigned conducting assignment will result in the student being passed over for that conducting sequence, with a grade of zero or no credit. The instructor, in advance of the absence, may approve exceptions. The opportunity to make up a missed conducting assignment will be at the discretion of the instructor and will be rare.

Rehearsal Observations

Each student is required to submit four rehearsal observations, each reflecting thirty minutes spent in a university or professional (conducted) ensemble rehearsal. The student must be an observer and not a member of the ensemble. The reports must represent at least *three different performing mediums* (choral, major jazz ensemble, orchestral, or winds) as well as *four different conductors*.

All reports must be typed – double spaced, 12-point Times New Roman font, and all margins 1 inch. The length must be a minimum of one page and a maximum of two pages. Failure to complete this requirement will result in the reduction of the final grade by one letter grade. For full credit, the assignments must be turned in during class on the dates found on page 4.

Electronic submissions are not accepted. Correct spelling and the use of the English language is expected. In your observation, consider the following:

1. Baton (or hand) technique
 - Is it clear/understandable?
 - Is it effective musically?
 - Is it visible?
2. Verbalizations
 - Does the conductor talk too much?
 - Do the performers respond well to the conductor's instructions?
 - Was the conductor professional in his/her comments?
3. Rehearsal technique
 - Is there a plan to the rehearsal?
 - Is the ensemble's interest focused on the music?
 - Is there an opportunity to relax in rehearsal?
 - What was accomplished during the rehearsal?
4. Musicality
 - Does the conductor insist upon dynamics, accents, phrasing, and rhythmic exactitude?

Were the balances correct, solo lines brought out, and/or supporting lines appropriate?
Were intonation discrepancies addressed?
Did the conductor insist on the correct style of each work?

Concert Observations

Each student is required to submit two concert observations of conducted performances. The student must observe from the audience and may not be a performer during any portion of the concert. The reports must represent two different performing mediums (choral, major jazz ensemble, orchestral, or winds) as well as different conductors.

All reports must be typed – double spaced, 12-point Times New Roman font, and all margins 1 inch. The length must be a minimum of one page and a maximum of two pages. Failure to complete this requirement will result in the reduction of the final grade by one letter grade. For full credit, the assignment including a program of the concert must be turned in during class on the dates found on page 4.

Electronic submissions are not accepted. Correct spelling and the use of the English language is expected. In your observation, consider the following:

1. Stage Presence
 - How does the conductor enter the stage?
 - How does the conductor acknowledge the audience and the performers?
 - What does the conductor do between movements of a multi-movement work?
 - How does the conductor acknowledge soloists or featured sections?
 - How does the conductor acknowledge the entire ensemble?
 - How does the conductor exit the stage?
2. Baton (or hand) technique
 - Is it clear/understandable?
 - Is it effective musically?
 - Is it visible?
3. Musicality
 - In what ways does the conductor enable the musical performance? (mechanics, musicianship, etc.)
 - How does the conductor visibly communicate style and musicianship to the ensemble?
 - Other general observations.
