## Course Requirements:

### CONDUCTING ASSIGNMENTS

Students will receive a grade each time they conduct from the podium. The major portion of the grade will pertain to how well the student knows the score. Each student will be expected to conduct the assigned musical excerpt in class with the class members as the ensemble.

Absence from class on a pre-assigned conducting assignment will result in the student being passed over for that conducting sequence, with a grade of zero or no credit. The instructor, in advance of the absence, may approve exceptions. The opportunity to make up a missed conducting assignment will be at the discretion of the instructor and will be rare.

### ATTENDANCE AND CLASS PARTICIPATION

Attendance is expected for all scheduled classes. The nature of the course requires active participation and interaction among all class members at all times. Absences will result in a lowering of the final grade as follows:

- 2 no change
- 3 reduction of 1 letter grade
- 4 reduction of 2 letter grades
- 5 reduction of 3 letter grades
- 6(+) grade of WF if withdrawal is requested, or final grade of F

For each rehearsal observation, isolate one rehearsal technique used by the conductor and give the following information: (1) Description of the technique used; (2) Problem the technique was intended to solve or improve; (3) Name of work being rehearsed and location within the piece where the technique was used; (4) Your observation of the success of using the particular technique.

  - Do the performers respond well to the conductor's instructions?
  - Was the conductor professional in his/her comments?
3. Rehearsal technique

  - What was accomplished during the rehearsal?
