Microphones should be muted unless speaking. To ask a question, please use the “hand raise” function or privately message in the chat if you do not feel comfortable asking the question aloud. The chat function should remain pertinent to the current class topic. Students **cannot** use this time to engage in an unrelated activity.

### **COVID-19 impact on attendance**

While attendance is expected as outlined above, it is important for all of us to be mindful of the health and safety of everyone in our community, especially given concerns about COVID-19. Please contact me if you are unable to attend class because you are ill, or unable to attend class due to a related issue regarding COVID-19. It is important that you communicate with me *prior to being absent* as to what may be preventing you from coming to class so I may make a decision about accommodating your request to be excused from class. If you are experiencing cough, shortness of breath or difficulty breathing, fever, or any of the other possible symptoms of COVID-19 (<https://www.cdc.gov/coronavirus/2019-ncov/symptomtesting/symptoms.html>) please seek medical attention from the Student Health and Wellness Center (940-565-2333 or [askSHWC@unt.edu](mailto:askSHWC@unt.edu)) or your health care provider. While attendance is an important part of succeeding in this class, your own health, and those of others in the community, is more important.
