REQUIREMENTS FOR THIS COURSE:

1. **(READING) MATERIAL AND HOMEWORK** will be assigned daily by the instructor from the online textbook (www.dddgerman.org) and announced at the end of each class. Students will **hand in the homework** when they walk into the classroom. **No online submission of homework is accepted**. Note that no late homework will be accepted. Two homework assignments will be dropped at the end of the semester so you can miss two without it affecting your grade.
2. **QUIZZES** will cover vocabulary and will be taken in class. There are two quizzes for each chapter (Kapitel/Inhalt). One quiz will cover vocabulary in Thema 1 und 2 and the next will cover vocabulary from Thema 3 and 4 for that chapter, which means that there will be 12 quizzes in all. It is therefore imperative that you keep up with your studies on a consistent basis. Each Wortschatz offers quizlet practices on the bottom of the page. Quizzes are indicated in the tentative schedule below and will be announced in class. **Note: There will be NO make-up quizzes**. The lowest scored quiz will be dropped at the end of the semester.
3. **PRESENTATION** Students will give one oral presentation in German at the end of the semester on a topic of German culture. Your instructor will provide information about the topics you can sign up for and the format (group of max. 3 students, 10 minutes total) at a later point in the semester.
4. **ESSAY** You will write one short “essay” in German this semester as indicated on the tentative schedule below. You will be provided with a writing prompt. Your instructor will also provide you with examples, and review, practice, and prepare you in the week before the essay is due.
5. **CHAPTER TESTS** will cover vocabulary and grammar. They will be taken in class. There will be two tests: one over chapters (Inhalte) 11 and 12 and one over chapters (Inhalte) 13 and 14. Chapters 15 and 16 will be on the final. **There will be NO make-up tests unless cleared with the instructor beforehand**.
6. **THE FINAL EXAM** is comprehensive. Taking the final exam is mandatory to receive a passing grade.
7. **ATTENDANCE/PARTICIPATION** Since this course is taught in-person, you will need to attend all your classes. There's no Zoom option. Attendance in person is mandatory. Regular attendance is required. **Repeated unexcused absences and tardiness will affect your grade significantly**. Three tardies is the equivalent of one absence. **Leaving class before the end of the period will be considered an absence**. You are allowed a maximum of two unexcused absences without penalty. After two absences, your attendance grade will suffer. **After the twelfth absence, you will receive a failing grade for the entire class**. Excused absences are only: A.) illness with doctor's documentation, B.) official university sponsored activities, and C.) the observance of certain religious holidays. Consistent participation in class is also part of this grade.

UNT CODE OF STUDENT CONDUCT:

“Policy Statement. The University of North Texas is deeply committed to advancing educational excellence and preparing students to become thoughtful, engaged citizens of a diverse, global community. The University has established the Code of Student Conduct to promote the well-being, honor and dignity of all who live, learn, and work in our educational community.

Application of Policy. The Code of Student Conduct (“the Code”) applies to all students and to conduct that occurs on-campus, at University activities and off-campus when the conduct could adversely affect the University community, the pursuit of the University’s educational mission, or could create a hostile environment for a student on campus. The Dean of Students (DOS) will decide whether the Code will apply to student off-campus conduct on a case-by-case basis.

Students are responsible for their conduct from the time of application for admission to the University through the award of a degree. The Code continues to apply even if a student withdraws from the University during the conduct process or is not otherwise enrolled. Applicants also are responsible for their conduct prior to admission or re-enrollment. Sanctions for violation of the UNT Code of Student Conduct include, but are not limited to a warning, suspension, and expulsion from the university.”

SEXUAL ASSAULT AND DISCRIMINATION POLICIES:

UNT is committed to providing an environment free of all forms of discrimination and sexual harassment, including sexual assault, domestic violence, dating violence, and stalking. If you (or someone you know) has experienced or experiences any of these acts of aggression, please know that you are not alone. The federal Title IX law makes it clear that violence and harassment based on sex and gender are Civil Rights offenses. UNT has staff members trained to support you in

navigating campus life, accessing health and counseling services, providing academic and housing accommodations, helping with legal protective orders, and more.

UNT's Dean of Students' website offers a range of on-campus and off-campus resources to help support survivors, depending on their unique needs: <http://deanofstudents.unt.edu/resources>.

The UNT Survivor Advocates can be reached by emailing SurvivorAdvocate@unt.edu or calling 940-565-2648. The UNT Survivor Advocates connect students who have been impacted by violence to resources (counseling, health, safety, academics, legal, etc.), and act as their advocate. They can assist a student by filing protective orders, completing crime victim's compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change (if needed), and connecting students to the many other resources that are available, both on and off campus. They are here to help! For more information see <https://deanofstudents.unt.edu/sexual-misconduct/reporting-sexual-misconduct>

POLICY ON CHEATING AND PLAGERISM:

Cheating and plagiarism are serious matters. The usual penalties for these offenses include failure for the assignment, failure in the course, and a written report to the Dean of Students.

RELIGIOUS HOLIDAYS:

In accordance with Section 51.911 of the Texas Education Code, UNT will allow a student who is absent from class for observance of a religious holy day to take an examination or complete an assignment scheduled for that day within a reasonable time. Students are required to file a written request with each professor within the first 15 days of the semester to qualify for an excused absence. A copy of the state rules and procedures regarding holy days and the form for notification of absence from each class under this provision are available from the Registrar's Office.

EMRGENCY NOTIFICATIONS AND PROCEDURES:

UNT uses a system called Eagle Alert to quickly notify you with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). The system sends voice messages (and text messages upon permission) to the phones of all active faculty staff, and students. Please make certain to update your phone numbers at www.my.unt.edu. Some helpful emergency preparedness actions include: 1) ensuring you know the evacuation routes and severe weather shelter areas, determining how you will contact family and friends if phones are temporarily unavailable, and identifying where you will go if you need to evacuate the Denton area suddenly. In the event of a university closure, please refer to Blackboard for contingency plans for covering course materials.

AMERICAN WITH DISABILITY ACT COMPLIANCE:

"The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking reasonable accommodation must first register with the Office of Disability Access (ODA) to verify their eligibility. If a disability is verified, the ODA will

provide you with a reasonable accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information, refer to the Office of Disability Access website at <https://studentaffairs.unt.edu/office-disability-access>. You may also contact ODA by phone at (940) 565-4323.”

STUDENT PERCEPTION OF TEACHING:

The Student Perceptions of Teaching (SPOT) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SPOT to be an important part of your participation in this class.
