Students develop conceptually-based analog, mixed media and digital illustration skills, as well as study and apply color theory.

COURSE STRUCTURE
This class is primarily structured around assigned studio problems. Students and instructor will divide their time between lecture, demonstration and small amounts of in-class work. Students will primarily be required to complete work outside of class for the duration of the semester. Students should plan to spend two to three hours working outside of class for every hour spent working in class. Students must participate in the Sophomore Portfolio Review in December in order to pass this course.

COURSE OBJECTIVES

COURSE CONTENT
Image Making and Color Theory is an introductory course in which students will develop fundamental analog, mixed media and digital illustration skills. We'll explore a range of illustration techniques as well as broaden critical/conceptual thinking and problem solving skills. Additionally, we will study the theory of color attributes and interactions, color terminology and development, color applications and pragmatic color control, evocative/emotional color content development and control and color as primary communication visual device.

GRADING
All projects are due on the day and time given at the beginning of class. No late projects will be accepted for grading. You are responsible for turning in work on time regardless of attendance.

A 90%+ Nice work! Surpasses goals of assignment/course.
B 80%–89.9% Great effort, with a few opportunities for improvement.
C 70%–79% Average work, achieved all outlined goals.
D 60%–69% Below average. Undeveloped ideas and/or execution.
F 0%–59.9% Unacceptable. I know you can do better!

ASSESSMENT
Your final grade is based on the average of scores accumulated throughout the semester. Rubrics and specifications are to be provided for each assignment. In order to succeed in this class you will need to demonstrate the satisfactory results in the below four categories:

1. Concept This is what it’s all about. Apply research, and push yourself toward a unique and logical approach. Refine your work throughout a project’s progression. Use demos/feedback, and revise projects as needed. Include thorough process documentation as requested. Keep everything!
2. Design Create compelling visuals based on clearly defined purpose and unique concept. Meet all specifications, including size, format, etc. as outlined for each assignment. Visual decisions should all address the problem posed in the assignment prompt. Closely follow instructions: double- and triple-check those handouts!
3. Participation Respect classmates by listening and participating, especially in critiques. Your opinion is valuable! Points are docked for sleeping, texting, working on other class work, or using social media in class.
4. Professionalism Everything turned in represents you, so make it good and do your best. Keep files organized, and clearly label uploads with your name. Keep up with attendance, and don’t be late to critiques.

WORK SUBMISSION
- A PDF containing the finished work and all the process tears will be submitted on Canvas by the time specified on assignment
- The print-outs will be mounted boards and submitted in class
- No late projects will be accepted for grading. All students are responsible for turning in work on time regardless of attendance

FILE NAMING
All final files must be clearly labeled in the student’s personal folder when uploaded on the date they are due. Any modification to files after the due date should be labeled as a REVISION.

On due date: Lastname_Firstname_ADES_0000_000_ASGMT_1.pdf
If revisions are requested by the instructor after the original due date, add the word “revised” plus an underscore and the sequential number for all additional files: Lastname_Firstname_ADES_0000_000_ASGMT_1_REVISED_1.pdf
SOPHOMORE REVIEW
At the end of the semester, you will go through the Sophomore Review. You will submit all the mounted print-outs. In addition, you will submit a process binder that contains all the steps for all the assignments.

COMMUNICATION WITH ME
• All course documents and project requirements will be available on Canvas
• Class-wide instructions will be posted on Canvas Announcements
• Students are responsible to regularly monitor their UNT emails and check Canvas notifications
• Student should email me for any question. If you contact me and do not receive a response within two business days, please send a follow up email.

OFFICE HOURS
For office hour appointments, both Zoom and in-person, student should sent me an email to pick an available time slot within the office hours. The office hours schedule:
Mon. 11–12 pm. 345J. In person
Thur. 9–10 am. On Zoom at https://unt.zoom.us/j/88989120275

PARTICIPATION GUIDELINES
Your perspective, voice and opinion are important and valued. Respect one another, and be prepared to help your classmates regularly. We can all learn from each other, so listen well and speak up often!

ATTENDANCE POLICY
Attendance is critical to the success of your study and the class. A good attendance is part of the professionalism required for your future career.

• Every four (4) tardies equals one (1) unexcused absence
• Three (3) unexcused absences in the semester are allowed
• A total of four (4) unexcused absences will result in one (1) final grade lower
• A total of five (5) unexcused absence will result in two (2) final grade lower
• The professor has the right to fail a student who has a total of six (6) absences, excused or unexcused

• A tardy is defined as entering the classroom five (5) minutes after the class starts
• If you are late, it is your responsibility during that class period to ask the instructor to add you to the roll
• If you enter the classroom twenty (20) minutes after the class starts you’ll be marked absent and any work due that day will be considered late.
• There are no excused absences for anything but a verifiable death in the immediate family or with a doctor’s note on their stationery with a telephone number. The doctor’s note must be presented at the next class.

RISK FACTOR
Risk Factor: 2. In level 2 courses, students are exposed to some significant hazards but are not likely to suffer serious bodily injury. In this class those risks are related to x-acto knife usage, adhesives, fumes and repetitive stress injuries related to extended computer use. Students will be informed of any potential health hazards or potential bodily injury connected with the use of any materials and/or processes and will be instructed how to proceed without danger to themselves or others.”
PLAGIARISM
Plagiarism is a serious academic offense and may result in failure of an assignment, the class, or result in removal from the university. Students caught cheating or plagiarizing will receive a “0” for that particular assignment or exam. The student will first be notified in writing via email to schedule a face-to-face meeting with the instructor and another faculty member to determine the next level of action. If further action is warranted, the incident will be reported to the Dean of Students, who may impose an additional penalty. According to the UNT catalog, the term “cheating” includes, but is not limited to: a. Use of any unauthorized assistance in taking quizzes, tests, or examinations; b. Dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; c. The acquisition, without permission, of tests or other academic material belonging to a faculty or staff member of the university; d. Dual submission of a paper or project, or resubmission of a paper or project to a different class without express permission from the instructor(s); or e. Any other act designed to give a student an unfair advantage. The term “plagiarism” includes, but is not limited to: a. The knowing or negligent use by paraphrase or direct quotation of the published or unpublished work of another person without full and clear acknowledgment; and b. The knowing or negligent unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials. Plagiarism is also literary or artistic theft. It is the false assumption of authorship; the wrongful act of taking the product of another person’s mind and presenting it as one’s own. Copying someone else’s writing or art, intact or with inconsequential changes, and adding one’s name to the result constitutes plagiarism.

ELECTRONIC DEVICES AND SOCIAL NETWORK
Cell-phones or other devices unrelated to the class may not be turned on or used in class at any time. Browsing social network unrelated to class is not allowed.

RETENTION OF STUDENT RECORDS
Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Blackboard online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student’s records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University’s policy. See UNT Policy 10.10, Records Management and Retention for additional information.

USE OF STUDENT WORK
A student owns the copyright for all work (e.g. software, photographs, reports, presentations, and email postings) he or she creates within a class and the University is not entitled to use any student work without the student’s permission unless all of the following criteria are met:

- The work is used only once.
- The work is not used in its entirety.
- Use of the work does not affect any potential profits from the work.
- The student is not identified.
- The work is identified as student work.

If the use of the work does not meet all of the above criteria, then the University office or department using the work must obtain the student’s written permission. Download the UNT System Permission, Waiver and Release Form.

RIGHT INSTRUCTOR TO CHANGE SYLLABUS
The right to change this syllabus with or without notice remains at the discretion of the professor. Moreover, based on the fluid nature of the course, its ongoing classroom experiences and developing research activities, the professor may and will likely elect to change projects, learning experiences, outcomes, scheduling, assessment and in- and outside classroom activities during the semester. At his discretion, the professor will alert students to any changes if and when they are to occur and provide them with sufficient time to adjust their respective class and research activities. Students should check Canvas regularly to make sure they get the up-to-date information.
UNT POLICIES

ACADEMIC INTEGRITY POLICY
Academic Integrity Standards and Consequences. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University. [Insert specific sanction or academic penalty for specific academic integrity violation.]

ADA POLICY
The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking reasonable accommodation must first register with the Office of Disability Access (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with a reasonable accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request reasonable accommodations at any time; however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information, refer to the Office of Disability Access website (http://www.unt.edu/oda). You may also contact ODA by phone at (940) 565-4323.

PROHIBITION OF DISCRIMINATION, HARASSMENT, AND RETALIATION (POLICY 16.004)
The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

EMERGENCY NOTIFICATION & PROCEDURES
UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

Retention of Student Records
Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student’s records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University’s policy. See UNT Policy 10.10, Records Management and Retention for additional information.

ACCEPTABLE STUDENT BEHAVIOR
Student behavior that interferes with an instructor’s ability to conduct a class or other students’ opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student’s conduct violated the Code of Student Conduct. The University’s expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit UNT’s Code of Student Conduct (https://deanofstudents.unt.edu/conduct) to learn more.
ACCESS TO INFORMATION - EAGLE CONNECT
Students’ access point for business and academic services at UNT is located at: my.unt.edu. All official communication from the University will be delivered to a student’s Eagle Connect account. For more information, please visit the website that explains Eagle Connect and how to forward e-mail Eagle Connect (https://it.unt.edu/eagleconnect).

STUDENT EVALUATION ADMINISTRATION DATES
Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey will be made available during weeks 13, 14 and 15 [insert administration dates] of the long semesters to provide students with an opportunity to evaluate how this course is taught. Students will receive an email from “UNT SPOT Course Evaluations via IASystem Notification” (no-reply@iasystem.org) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey they will receive a confirmation email that the survey has been submitted. For additional information, please visit the SPOT website (http://spot.unt.edu/) or email spot@unt.edu.

SURVIVOR ADVOCACY
UNT is committed to providing a safe learning environment free of all forms of sexual misconduct. Federal laws and UNT policies prohibit discrimination on the basis of sex as well as sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking and/or sexual assault, there are campus resources available to provide support and assistance. The Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or by calling the Dean of Students Office at 940-5652648.

IMPORTANT NOTICE FOR F-1 STUDENTS TAKING DISTANCE EDUCATION COURSES
Federal Regulation
To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to the Electronic Code of Federal Regulations website (http://www.ecfr.gov/). The specific portion concerning distance education courses is located at Title 8 CFR 214.2 Paragraph (f)(6)(i)(G).

The paragraph reads:
(G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken online or through distance education and does not require the student’s physical attendance for classes, examination or other purposes integral to completion of the class. An online or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student’s course of study is in a language study program, no online or distance education classes may be considered to count toward a student’s full course of study requirement.

UNIVERSITY OF NORTH TEXAS COMPLIANCE
To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student’s responsibility to do the following:

(1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.

(2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.
Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email internationaladvising@unt.edu) to get clarification before the one-week deadline.

**STUDENT VERIFICATION**
UNT takes measures to protect the integrity of educational credentials awarded to students enrolled in distance education courses by verifying student identity, protecting student privacy, and notifying students of any special meeting times/locations or additional charges associated with student identity verification in distance education courses.

See UNT Policy 07-002 Student Identity Verification, Privacy, and Notification and Distance Education Courses (https://policy.unt.edu/policy/07-002).

**USE OF STUDENT WORK**
A student owns the copyright for all work (e.g. software, photographs, reports, presentations, and email postings) he or she creates within a class and the University is not entitled to use any student work without the student’s permission unless all of the following criteria are met:

- The work is used only once.
- The work is not used in its entirety.
- Use of the work does not affect any potential profits from the work.
- The student is not identified.
- The work is identified as student work.

If the use of the work does not meet all of the above criteria, then the University office or department using the work must obtain the student’s written permission.

Download the UNT System Permission, Waiver and Release Form

**TRANSMISSION AND RECORDING OF STUDENT IMAGES IN ELECTRONICALLY-DELIVERED COURSES**

1. No permission is needed from a student for his or her image or voice to be transmitted live via video conference or streaming media, but all students should be informed when courses are to be conducted using either method of delivery.

2. In the event an instructor records student presentations, he or she must obtain permission from the student using a signed release in order to use the recording for future classes in accordance with the Use of Student-Created Work guidelines above.

3. Instructors who video-record their class lectures with the intention of re-using some or all of recordings for future class offerings must notify students on the course syllabus if students’ images may appear on video. Instructors are also advised to provide accommodation for students who do not wish to appear in class recordings.

Example: This course employs lecture capture technology to record class sessions. Students may occasionally appear on video. The lecture recordings will be available to you for study purposes and may also be reused in future course offerings.

No notification is needed if only audio and slide capture is used or if the video only records the instructor’s image. However, the instructor is encouraged to let students know the recordings will be available to them for study purposes.

**CLASS RECORDINGS & STUDENT LIKENESSES**
Synchronous (live) sessions in this course will be recorded for students enrolled in this class section to refer to throughout the semester. Class recordings are the intellectual property of the university or instructor and are reserved for use only by students in this class and only for educational purposes. Students may not post or otherwise share the recordings outside the class, or outside the Canvas Learning Management System, in any form. Failing to follow this restriction is a violation of the UNT Code of Student Conduct and could lead to disciplinary action.
