**Incomplete Grade:** Students are expected to complete the course within the session time frame. A grade of Incomplete will only be given if the student is (a) passing the course, (b) has completed 75% of the course requirement, (c) has very compelling special circumstances, and (d) provides adequate documentation. I will require that the course
requirements be fulfilled by the end of the following semester. According to UNT policy:

*An Incomplete Grade ("I") is a non-punitive grade given only during the last one-fourth of a term/semester and only if a student (1) is passing the course and (2) has a justifiable and documented reason, beyond the control of the student (such as serious illness or military service), for not completing the work on schedule. The student must arrange with the instructor to finish the course at a later date by completing specific requirements. These requirements must be listed on a Request for Grade of Incomplete form signed by the instructor, student, and department chair; and also entered on the grade roster by the instructor.*

(http://essc.unt.edu/registrar/incomplete.htm, p. 1)

If you fail to complete the course requirements by the end of the subsequent semester the grade of Incomplete will be replaced with an “F”. I strongly urge you to complete the course. If you find you are falling behind, or not passing, I recommend you consider withdrawing from the class so that your record and GPA is not negatively affected. Please come talk to me if you find yourself having any difficulties with keeping up with the assignments or are not doing well on the quizzes.

**Disability Statement:** The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. *You may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation in a timely manner during faculty office hours or by appointment or through email in web based courses.* Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Accommodation website at http://www.unt.edu/oda. You may also contact them by phone at 940.565.4323.

Grades assigned before ODA documentation is provided will not be changed. Information about how to obtain academic accommodations can be found in UNT Policy 18.1.14, at www.unt.edu/oda, and by visiting the ODA in Room 321 of the University Union. You also may call the ODA at 940.565.4323.

**Student Conduct and Discipline:** The primary concern of the University of North Texas is the student. The university attempts to provide for all students a campus environment that is conducive to academic endeavor and social and individual growth. To that end, rules, regulations and guidelines governing student behavior and the student's relationship
with the university have been formulated into a student code of conduct and discipline. Enrollment at the University of North Texas is considered implicit acceptance of these and other policies applicable to students, all of which are educational in nature and designed to help students understand expectations and accept responsibility for their own actions. Additional information can be found in the Code of Student Conduct.

**Class Participation:** Students are required to login regularly to the online class site. The instructor will use the tracking feature in CANVAS to monitor student activity. Students are also required to participate in all class activities such as discussion board, chat or conference sessions and group projects.

**Virtual Classroom Citizenship:** The same guidelines that apply to traditional classes should be observed in the virtual classroom environment. Please use proper netiquette when interacting with class members and the professor.

**Copyright Notice:** Some or all of the materials on this course Web site may be protected by copyright. Federal copyright law prohibits the reproduction, distribution, public performance, or public display of copyrighted materials without the express and written permission of the copyright owner, unless fair use or another exemption under copyright law applies. Additional copyright information may be located at: [http://copyright.unt.edu/content/unt-copyright-policies](http://copyright.unt.edu/content/unt-copyright-policies).

**Instructor Rights:** The instructor reserves the right to change the schedule, assignments, and/or evaluation criteria throughout the semester. You will occasionally receive other assignments or readings as the instructor deems fit. Any changes will be announced to the class with sufficient notice to prepare for the changes. It is your responsibility to keep informed about discussion topics and assignments. If in doubt, check with your instructor or your TA.

**Statement of Confidentiality:** An integral component of all drug and alcohol abuse courses is student and faculty expression of personal experiences for the purpose of facilitating coursework. Students enrolled in the program are expected to honor confidentiality as it pertains to disclosure issues. Shared information, comments, or opinions expressed by another student or the faculty member during the course of classroom discussion should never be used in a manner which is intended to humiliate, embarrass, harass, damage, or otherwise injure others in their personal, public, or business lives. In addition, confidentiality must be upheld by not disclosing any information that would identify any particular individual.

**University of North Texas Compliance:** To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the
completion of this course. If such an on-campus activity is required, it is the student’s responsibility to do the following: (a) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course. (b) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose. Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email internationaladvising@unt.edu) to get clarification before the one-week deadline.
