DISABILITY ACCOMMODATION:

The University of North Texas makes reasonable academic accommodations for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to the faculty to begin a private discussion regarding your specific needs in a course. You may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member before implementation in each class. For additional information see the Office of Disability Accommodation website at disability.unt.edu. You may also contact them by phone at 940.565.4323.

If you have a disability, it is your responsibility to obtain verifying information from the Office of Disability Accommodation (ODA) and to inform me of your need for accommodation. Accommodation requests must be made to me no later than the first week of classes for students registered with the ODA as of the beginning of the current semester. If you register with the ODA after the first week of classes, your accommodation requests will be considered after this deadline.

Grades assigned before an accommodation is provided will not be changed. Information about how to obtain academic accommodations can be found in UNT Policy 18.1.14, at unt.edu/oda, and by visiting the ODA in Sage Hall, 167. You also may call the ODA at 940.565.4323.

RISK FACTOR:

Risk Factor: 2. In level 2 courses, students are exposed to some significant hazards but are not likely to suffer serious bodily injury. In this class, those risks are related to x-acto knife usage, adhesives, fumes, and repetitive stress injuries related to extended computer use. Students will be informed of any potential health hazards or potential bodily injury connected with the use of any materials and/or processes and will be instructed how to proceed without danger to themselves or others.

CHALLENGING CONTENT:

The College of Visual Arts and Design is devoted to the principle of freedom of expression, artistic and otherwise, and it is not the college’s practice to censor works or ideas on any of the following grounds including but not limited to; situations, actions, and language that can be personally challenging or offensive to some students. Students who might feel unduly distressed or made uncomfortable by such expressions should withdraw at the start of the term and seek another course.

EMERGENCIES:

UNT uses a system called Eagle Alert to quickly notify you with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). The system sends voice messages (and text messages upon permission) to the phones of all active faculty staff and students. Please make certain to update your phone numbers at my.unt.edu. Some helpful emergency preparedness actions include: 1) know the evacuation routes and severe weather shelter areas in the buildings where your classes are held, 2) determine how you will contact family and friends if phones are temporarily unavailable, and 3) identify where you will go if you need to evacuate the Denton area suddenly. In the event of a university closure, please refer to Blackboard for contingency plans for covering course materials.

REGULAR ATTENDANCE POLICY:

Good attendance and punctuality are expected for this class and will strongly affect your grades. The role will be taken at the beginning of every class. You will be considered late if you arrive after the roll has been taken. If you are late, it is your responsibility during that class period to make sure the instructor knows that you are present by leaving a note with your name, date, and time of arrival with the instructor. If not received, you will be marked as absent. You will receive two (3) grace tardies. After the first three tardies, every four (4) tardies will equal one (1) unexcused absence. Only four (4) unexcused absences will be accepted. The fifth unexcused absence will lower your final semester grade by one letter grade. The sixth unexcused absence, excused or unexcused, will result in you receiving a failing grade (F) for the class. There are no excused absences for anything but a verifiable death in the immediate family or with a doctor’s note on their stationery with a telephone number. The doctor’s note must be presented at the next class. A receipt is unacceptable. If you are more than thirty minutes late, it will be counted as an unexcused absence.

4 tardies = 1 unexcused absence
The 5th unexcused absence = 1 final letter grade lower
Total 6 absences, excused or unexcused = F

If you are absent, you are responsible for contacting a class member to get any information or assignments given in class. The instructor will not use any class time to repeat missed lectures or assignments. Do not call the main office to leave the instructor a note that you are missing class for any reason. Under no circumstances should you leave a project with anyone in the main or design office. The office will not accept any projects. Incomplete daily work may result in additional unexcused absences at the discretion of the professor.

COVID-19 POLICIES AND PROCEDURES:

Please refer to the University’s policy: https://studentaffairs.unt.edu/student-health-and-wellness-center/resources/covid-19-information

ELECTRONIC DEVICES:

Cell phones should be turned off when class begins. Laptops will only be opened for in-classwork. No checking person-
al e-mail, social media, or private text messaging will be tolerated. Failure to comply with this rule may result in point deductions in the professionalism section of your grade or an unexcused absence at the discretion of the professor. Let your instructor know in advance if you have an extenuating circumstance concerning the above rules.

All projects are due on the day and time given at the beginning of class. No late projects will be accepted for grading. You are responsible for turning in work on time regardless of attendance.

PLAGIARISM:

Plagiarism is a serious academic offense and may result in the failure of an assignment, the class, or result in removal from the university. Students caught cheating or plagiarizing will receive a “0” for that particular assignment or exam. The student will first be notified in writing via email to schedule a face-to-face meeting with the instructor and another faculty member to determine the next level of action. If further action is warranted, the incident will be reported to the Dean of Students, who may impose an additional penalty. According to the UNT catalog, the term “cheating” includes, but is not limited to: a. use of any unauthorized assistance in producing artwork or taking examinations; b. dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out assignments; c. the acquisition, without permission, of tests or other academic material belonging to a faculty or staff member of the university; d. dual submission of a project, or resubmission of a project to a different class without express permission from the instructor(s); or e. any other act designed to give a student an unfair advantage. The term “plagiarism” includes, but is not limited to: a. the knowing or negligent use by copying of a published or unpublished work of another person without full and clear acknowledgment; and b. the knowing or negligent unacknowledged use of materials prepared by another person or agency engaged in the selling of stock imagery or other visual materials. Plagiarism is also literary or artistic theft. It is the false assumption of authorship; the wrongful act of taking the product of another person’s mind and presenting it as one’s own. Copying someone else’s writing or art, intact or with inconsequential changes, and adding one’s name to the result constitutes plagiarism.
