COURSE PHILOSOPHY AND OBJECTIVES

It is important for every serious musician to have a fundamental level of facility at the piano. This is especially true for Jazz musicians, whose daily work requires a deep understanding of harmony. This course will combine a foundation in piano technique with simple classical piano excerpts and essential jazz voicings. By the end of the course, you should feel comfortable playing scales, ii-V-I progressions, and basic classical sheet music. We may even get to some application for jazz harmony, for example, rhythmic comping in different styles.

COURSE CONTENT AND MATERIALS

I will provide PDFs for many of your assignments, but there are some required books you should buy. They are not too expensive, and we will likely continue to use them in Keyboard IV.

1. Alfred's Piano Library: The *Complete* Book of Scales, Chords, Arpeggios & Cadences (Around \$14 on Amazon)
2. Scales and Pieces in All Keys *BOOK 2* by John W. Schaum (Around \$8 on Amazon)

COURSE POLICIES AND INFORMATION

GRADING: Your final grade is determined by the following criteria. Note that grades are reflective of a student's progress made in class, rather than his/her innate skills. If you show up to class on time every day, you will score at least a 50% in the class even if you failed all your assignments. Furthermore, while I do take late work, there is a 10-point penalty per day the assignment is late.

IMPORTANT: There is a special category of assignment, called the Piano Proficiency Quiz (there are 7), which will be graded in the Weekly Assignments Category. At the end of the semester, you will have the opportunity to retest any 2 of the Proficiency Quizzes that you scored below 72 on. If you still have 2 or less quizzes unpassed you can try them again next semester in MUJS 1014. But by the end of MUJS 1014 (next semester), you must have passed all 7 Quizzes with a minimum grade of 72 or higher. If at the end of this semester you have 4 or more proficiency quizzes unpassed, you will receive an F in the course (regardless of other grades you earned) and must register to repeat Piano III next year. A student receiving an F in the course must repeat the course to change the grade.

If you pass your 7 Proficiency Quizzes, your Semester Grade will be calculated as follows:

50%: Daily Lesson Attendance

50%: Weekly Assignments (Canvas Video or in-person assessment)

The final grade is determined by the following scale:

A = 90-100%, B = 80-89%, C = 70-79%, D = 60-69%, F = below 60%.

****Grades that are one point or less below a cutoff can be rounded up at the sole discretion of the instructor based on a student's overall effort, disposition, and attendance both in class and in office hours. For example, 89.1 and 89.0 *can* be rounded at the instructor's discretion, 88.9 *cannot*.**

ATTENDANCE:

If you miss class unexcused, that day's lesson attendance grade will be a 0, as will your weekly assignment grade if you are not there when it happens. If you have a legitimate reason to miss class (e.g. medical emergency, family strife), email me within 24 hours of next class, and I will work with you to make up missed work in a way that will not harm your grade. If you arrive late to class after I have taken attendance (usually sometime in the first 5 minutes of class), that day's lesson attendance grade will drop by 20%. If you arrive after the first 10 minutes of class, you will be marked as absent and will receive a 0 for that day's lesson attendance grade, though you will still be graded normally on your assignments, so it is beneficial for you to come anyways.

If you feel overwhelmed in any way, or if you are dealing with something that is causing you to miss a significant amount of class, the best thing to do is speak with me as soon as possible. Do not wait until the end of the semester when grades are published.
