### Course Description

**MGMT 3720 Organizational Behavior** (3 credit hours) is a junior level course that examines individual behavior in organizational settings. MGMT 3720 is a core topic required of all students majoring in one of the many degree plans of the Ryan College of Business (RCOB) at UNT. In the collective judgment of RCOB faculty, the research, theory, and practices described in our Organizational Behavior literature represent the very best introductory explanation for the behavior of managers and employees in for profit firms/organizations. The class will include lectures and experiential exercises in organizational culture, motivation, leadership, perception and attribution, communication, decision making and performance, and individual differences.

### Course Structure

This course is offered 100% online via [Canvas](https://unt.instructure.com) (unt.instructure.com). You will need your EUID and AMS password—the same credentials you use to log in at your [Student Portal at UNT](https://my.unt.edu) (my.unt.edu). If you don't know your password or have trouble logging in, there is a link on the page to [reset your AMS password](https://ams.unt.edu) (ams.unt.edu).

The course is asynchronous in that there are no assigned meeting times. Although the structure provides flexibility, please note that the course is not self-paced. It has a set schedule of weekly assignments and deadlines that must be met. In addition, it has a standardized process that must be followed with scheduled times and defined availability windows for taking exams. Please don't hesitate to reach out via email with questions, and we can schedule a Zoom meeting if needed.

Lessons in the course will be conducted using the textbook, recorded lectures, guest speakers, articles, and other supporting material. Recognize that supporting materials/articles are simply a record of an issue which has been faced by industry professionals. It is not to be construed as portraying either correct or incorrect behaviors. Instead, these articles/cases contain the facts, opinions, and prejudices upon which organizational behavior strategies and

decisions have been made. As such, they will provide the basis for in-depth examination of concepts. For this method of instruction to work effectively, you must read and analyze all assigned material.

## Dropping the Course

Please note that June 13<sup>th</sup> is the last day for a student to drop a course with consent of the instructor. If you decide to drop by the deadline, you will receive a W (not a WF) which doesn't impact your GPA. If you have questions regarding your grade, please contact me via email. Please visit the [UNT Registrar Website](https://registrar.unt.edu) (registrar.unt.edu) for detailed procedures and deadlines regarding these drops.

## Course-Related E-Mail Messages

Please consider the following example of an appropriate e-mail to send to a professor:

To: [Erin.Welch@unt.edu](mailto:Erin.Welch@unt.edu)  
From: [Good.Student@my.unt.edu](mailto:Good.Student@my.unt.edu)  
Title: MGMT 3720 Question about Exam 3

Professor Welch,

Will Exam 3 be the same format as previous exams? (not cumulative)

Thanks,  
Good Student

Please keep in mind that my name is Professor Welch and not “Hey Prof” or “Yo Momma”. Be professional.

## Teaching Philosophy

My goal is to provide a high level of customer service. If you need assistance with anything related to this course, you should e-mail me at [Erin.Welch@unt.edu](mailto:Erin.Welch@unt.edu) and we can schedule an appointment via Zoom if needed.

As you review the material, I ask that you think about how it applies to your career and think of ways you can be a more effective member of an organization. As your professor, I will guide you toward self-discovery, acquisition, and application of knowledge, and creative problem-solving. All readings, assessments, assignments, etc. are structured in a way to maximize your potential, challenge you to explore new horizons, and make you more

marketable in the workplace. You will not be successful if you simply memorize facts/definitions/practice questions; you must be able to apply concepts to real life organizational behavior and management situations.

**Keeping me informed of your progress and any issues that may arise is critical.** The University of North Texas has many resources available to ensure you are making appropriate progress toward the attainment of your educational and personal goals. You are not alone.

## **Inclusive Learning Environment**

As members of the UNT community, we have all made a commitment to be part of an institution that respects and values the identities of the students and employees with whom we interact. UNT does not tolerate identity-based discrimination, harassment, and retaliation so we will work as a class to collaborate in ways that encourage inclusivity. If you ever have any concerns, please contact me.

## **Attendance**

The online version of this class has no scheduled meeting times, but please check Canvas on a regular basis to look for new announcements and make sure you are current on assignments and assessments. It's important to keep up with the course schedule/assignment deadlines and give yourself adequate time to complete assignments.

Life happens and sometimes it may require time away from class. If you can't attend class due to a university excused absence or emergency, please let me know. Your safety and well-being are important to me. The [UNT Policy on Student Attendance and Authorized Absences](https://policy.unt.edu/sites/default/files/06.039_StudAttandAuthAbsence.Pub2_.19.pdf) (https://policy.unt.edu/sites/default/files/06.039\_ StudAttandAuthAbsence.Pub2\_.19.pdf) provides more information regarding authorized absences.

## **Participation and Online Class Conduct**

Honing your professional skills is part of the university experience and one of the learning outcomes of this class. **Professionalism** means being engaged in the learning experience.

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior may be referred to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums. Visit UNT's [Code of Student Conduct](https://deanofstudents.unt.edu/conduct) (https://deanofstudents.unt.edu/conduct) to learn more.

Rules of engagement refer to the way students are expected to interact with each other and with their instructors online. Here are some general guidelines:

- Treat your instructor and classmates with respect in email or any other communication.
- Use clear and concise language.
- Remember that all college level communication should have correct spelling and grammar (this includes discussion boards).
- Avoid slang terms such as "wassup?" and texting abbreviations such as "u" instead of "you."
- Use standard fonts such as Ariel, Calibri or Times new Roman and use a size 10- or 12-point font
- Be cautious when using humor or sarcasm as tone is sometimes lost in an email or discussion post and your message might be taken seriously or sound offensive.
- Be careful with personal information (both yours and other's).
- Do not send confidential information via e-mail

### Requests for Alternative Testing Times/Assignment Deadlines

Requests for alternative testing times or assignments deadlines should be made **prior** to the deadline and/or only for excused absences/family emergencies per the attendance policy. Forward the request to me via email and include a detailed reason for the request.

Final exams can be rescheduled if you have two or more on the same day, but you must provide your class schedule as documentation when requesting an alternative testing time.

## **Sundown Rule**

**NOTE: You have one (1) week (from the date the grade is released) to inquire about your grade on an any assessment or assignment.** The exception to this is the last round of assignments, Exam 3, and your Final Letter Grade when inquiries need to be taken care of as soon as possible before I submit grades to the Registrar. The purpose is to resolve any issue during the term and not wait until the last week of the term. Check your grades!

## **Event Timing**

All times stated in the course will conform to **US Central Standard Time (CST)** and Texas state daylight savings time adjustments.

## **Course Evaluation**

This semester, UNT will administer course evaluations online (the “SPOT” – Student Evaluation on Teaching). The evaluations are used to evaluate faculty performance and provide guidance on what can be improved and what you liked about the course.

These are very important to me as you are the reason I’m here. I truly value your feedback and very much appreciate you taking the time to complete the evaluations which will be administered towards the end of the semester. You will be notified on Canvas and via your UNT email once the evaluations open.

## **Course Policies and Assignment Information**

### **Assignment Policy**

Students are required to log into the on-line class to check class announcements, check grades, and complete assignments at least twice a week (more often during summer sessions).

**NOTE: For specific due dates and exam times, please see the Course Schedule towards the end of this syllabus.**

Please note that Canvas relies heavily on electronic technologies for online courses, and technology is not 100% reliable. It is each student’s responsibility to take exams in a location with a reliable computer and internet connection.

### **Syllabus Quiz**

**IMPORTANT:** Available in Canvas under the Introductory Assignments Canvas Module. Webcam and LockDown Browser **REQUIRED** for the Syllabus Quiz which allows you to test your system before taking an Exam. Exams require Webcam and LockDown Browser. Chapter Quizzes do not.

Each student will complete an online syllabus quiz by the due date in the Course Schedule at the end of this document. The syllabus quiz will familiarize you with how to take an online assessment within Canvas and ensure that you understand the respective course and university policies. There are 5 multiple choice and true/false questions (worth 1 point each), and you have 10 minutes to complete the quiz.

### **Student Introductions via Discussion Board**

**IMPORTANT:** Available in Canvas under the Introductory Assignments Canvas Module.

To kick off the semester, all students will introduce themselves in a Discussion Board Assignment. The Discussion requires you to post an Original Response to each of my question(s) and to Reply to at least one (1) of your classmates. 5 Max Possible Pts. Allow a few days for responses to be reviewed and points posted.

### **Organizational Behavior (OB) Exercises**

**IMPORTANT:** Available in the corresponding Chapter Module.

Students will participate in organizational behavior exercises that require them to consider how key concepts relate to their career path/goals. More information available in Canvas. 5 maximum possible points per exercise. Allow a few days for responses to be reviewed and points posted.

### **Guest Speaker Observations**

**IMPORTANT:** Available in corresponding Canvas Module.

We will have guest speakers/industry professionals present on course topics throughout the semester. Students must watch the presentations. For each presentation, students will submit their observations (more information in Canvas). Also, be prepared to see exam questions over the guest speaker presentations. Each short, written assignment will be worth 15 points each (rubric in Canvas). Please allow a few days for responses to be reviewed and points posted.

## Case Study

IMPORTANT: Available in corresponding Canvas Module.

We will review one organizational behavior case study this semester. More details on the assignment can be found in Canvas. The assignment will be worth 20 points. Please allow a few days for responses to be reviewed and points posted.

## Chapter Quiz Policy

IMPORTANT: Available in the corresponding Canvas Chapter Module.

You will have 12 Chapter Quizzes over the course term. No Chapter Quiz Grades will be dropped. Each quiz has 5 multiple choice or true/false questions that you must answer in 10 minutes. Keep in mind that this is not representative of the exams – the exams are timed and designed to quickly test your knowledge with 50 questions in 60 minutes. You only have 1 shot for each quiz.

Each quiz is worth 5 points total (1 point per question). Five points may not seem like a lot, but the points go a long way towards your final letter grade in the course so be sure to complete the chapter quizzes by the assigned due date in the course schedule. Complete the quizzes as you work through each corresponding lesson. Scores show up instantaneously.

## Examination Policy for EXAMS 1-3

**IMPORTANT: All exams are mandatory. Lockdown Browser and Webcam Required. They are available at the end of each major module in Canvas – for example, Exam 1 is at the end of the Part 1 Module. Before you take the exam, be sure to read the Exam 1 Information Page towards the end of the Part 1 Module. There is an information page for each exam.**

Exams will be offered online via Canvas. For exam dates, please visit the course schedule. On those dates, the exam will be available for 24 hours – 12:00am until 11:59pm.

Exams will be administered over assigned material. The last exam is not cumulative (all three exams are the same format). You will have one shot at the exam in Canvas. Each exam will have 50 multiple choice and true/false questions and once you access the exam, you will have 60 minutes to complete each exam. (50 questions at 2 points each = 100 possible points on each exam)

Each student will be required to access and take the exam using the Lockdown Browser software which is available through the university. Download LockDown Browser (webcam required too):  
<https://download.respondus.com/lockdown/download.php?id=165715487#1>

Exams require preparation, critical thinking, and careful reading! You must know the material to do well. Remember, that the exam locks in Canvas at the closing time.

Students must take the exam using a dependable internet connection. If you experience technical issues, contact the help desk immediately and then forward the ticket/documentation to [Erin.Welch@unt.edu](mailto:Erin.Welch@unt.edu). Do not wait to report technical difficulties. Without a ticket number, I can't follow up on the technical issue. After receiving the ticket number, I will decide on how to resolve the technical issue based on the help desk report, University policy, and my experience.

You will not be able to view your exam score until I have completed a post-exam analysis. I will send an announcement via Canvas once scores have been released (usually within 48 hours after the exam closes). After I

send the announcement that scores have been released, you will be able to view your scores in Canvas, but exams will not be released electronically. To review your exam results, please make an appointment with me.

Study guides are not provided in my junior or senior level courses. To do well on the exams, you must read and analyze the assigned material. Pay special attention to the lectures. The material covered in lecture will be tested, and during lecture, I give hints on what will show up on the test. Give yourself time to do so. Start preparing in advance of the exam. Starting the day before is not studying, that is cramming! Give yourself a fair shot!

**IMPORTANT: Academic Integrity -- Usage of cell phones, iPhones, cameras, or ANY other electronic device is NOT allowed during a test. Talking to other students, soliciting, or giving help is NOT allowed. Copying, photographing, or disseminating the questions in any form is prohibited. Remember, exam questions are randomized. You will not see the same questions in the same order as your classmates. You should not discuss exam questions with classmates.**

## Syllabus Change Policy

This syllabus is subject to change. Whenever a modification is made, I will post an announcement to Canvas informing you.

## Intellectual Property

State common law and federal copyright law protect my posted web material. It is my own original work. Whereas you are authorized to take notes, thereby creating a derivative work from my material, the authorization extends only to making one set of notes for your own personal use and no other use. You are not authorized to make any commercial use of your notes without express prior permission from me. Moreover, I will not use your work without your permission.

## Emergency Evacuation Procedures for Business Leadership Building

**Severe Weather** In the event of severe weather, all building occupants should immediately seek shelter in the designated shelter-in-place area in the building. If unable to safely move to the designated shelter-in-place area, seek shelter in a windowless interior room or hallway on the lowest floor of the building. All building occupants should take shelter in rooms 055, 077, 090, and the restrooms on the basement level. In rooms 170, 155, and the restrooms on the first floor.

**Bomb Threat/Fire** In the event of a bomb threat or fire in the building, all building occupants should immediately evacuate the building using the nearest exit. Once outside, proceed to the designated assembly area. If unable to safely move to the designated assembly area, contact one or more members of your department or unit to let them know you are safe and inform them of your whereabouts. Persons with mobility impairments who are unable to safely exit the building should move to a designated area of refuge and await assistance from emergency responders. All building occupants should immediately evacuate the building and proceed to the south side of Crumley Hall in the grassy area, west of parking lot 24.

## UNT Policies

### Academic Integrity Policy

Academic Integrity Standards and Consequences. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

The term "cheating" includes, but is not limited to, (1) use of any unauthorized assistance in taking quizzes, tests or examinations including e-mail messages, on-line chat tools, Group-Me Chats/Messaging Apps, ChatGPT/artificial intelligence; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; (3) the acquisition, without permission, of tests or other academic material belonging to a faculty member or staff of the university; (4) dual submission of a

paper, discussion post, or project, or resubmission of a paper or project to a different class without express permission from the instructor; or (5) any other act designed to give a student an unfair advantage on an academic assignment.

The term “plagiarism” includes, but is not limited to, the use, by paragraph or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials.

Instructors have primary responsibility for academic assessment. In instances of academic dishonesty, instructors may impose an education assignment if it is determined that the student did not intend to harm another or gain advantage. A finding by an instructor that academic dishonesty occurred may be considered grounds for more serious academic penalties, up to and including failure in the course. Instructors will report all instances of academic dishonesty to the Academic Integrity Database.

This policy is intended to protect the honest student from unfair competition with unscrupulous individuals who might attempt to gain an advantage through cheating. [Student Academic Integrity Policy](https://policy.unt.edu/policy/06-003) (<https://policy.unt.edu/policy/06-003>).

**Please review the Academic Integrity pages in the Getting Started Module including the Ryan College of Business (RCoB) Statement on Academic Honesty.**

### **ADA Policy**

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one’s specific course needs. Students may request accommodations at any time; however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class (for online classes, please send me an email to request a meeting or we may be able to handle via email). For additional information see the [ODA website](https://disability.unt.edu/) (<https://disability.unt.edu/>).

### **Emergency Notification & Procedures**

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

### **Retention of Student Records**

Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets, and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student’s records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University’s policy. See UNT Policy 10.10, Records Management and Retention for additional information.

### **Sexual Assault Prevention**

UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. Federal laws (Title IX and the Violence Against Women Act) and UNT policies prohibit discrimination on the basis of sex, and therefore prohibit sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking, and/or sexual assault, there are campus resources available to provide support and assistance. UNT’s Survivor Advocates

can assist a student who has been impacted by violence by filing protective orders, completing crime victim's compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change where appropriate, and connecting students to other resources available both on and off campus. The Survivor Advocates can be reached at [SurvivorAdvocate@unt.edu](mailto:SurvivorAdvocate@unt.edu) or by calling the Dean of Students Office at 940-565- 2648. Additionally, alleged sexual misconduct can be non-confidentially reported to the Title IX Coordinator at [oeo@unt.edu](mailto:oeo@unt.edu) or at (940) 565 2759.

## **Important Notice for F-1 Students taking Distance Education Courses**

### ***Federal Regulation***

To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to the [Electronic Code of Federal Regulations website](http://www.ecfr.gov/) (<http://www.ecfr.gov/>). The specific portion concerning distance education courses is located at Title 8 CFR 214.2 Paragraph (f)(6)(i)(G).

The paragraph reads:

(G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement.

### ***University of North Texas Compliance***

To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student's responsibility to do the following:

- (1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
- (2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email [internationaladvising@unt.edu](mailto:internationaladvising@unt.edu)) to get clarification before the one-week deadline.

### **Student Verification**

UNT takes measures to protect the integrity of educational credentials awarded to students enrolled in distance education courses by verifying student identity, protecting student privacy, and notifying students of any special meeting times/locations or additional charges associated with student identity verification in distance education courses.

See [UNT Policy 07-002 Student Identity Verification, Privacy, and Notification and Distance Education Courses](https://policy.unt.edu/policy/07-002) (<https://policy.unt.edu/policy/07-002>).
