DISABILITY ACCOMMODATION STATEMENT

The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the Office of Disability Accommodation website at <http://www.unt.edu/oda>. You may also contact them by phone at 940.565.4323.

COURSE CONTENT AND OBJECTIVES

This is a beginning course designed for students with an elementary knowledge of Spanish.

At the end of this course the successful student:

- will be able to use Spanish to negotiate meaning in basic contexts
- will be able to interact with basic Spanish texts
- will have attained greater awareness of and sensitivity to language in general
- will have attained understanding of some of the significant social, cultural, historical, and political aspects of Spanish-speaking communities

COURSE ORGANIZATION

This is a three-credit course that meets two times a week. Because exposure to and practice in Spanish is essential to successful acquisition of the language, this course will be conducted mostly in Spanish.

Please note: The role of the instructor in the classroom is that of “trainer/coach”, and students will work extensively in group and partner on various, mostly communicative activities. The instructor will not provide extensive grammar or vocabulary instruction during class time; students are expected to have read the assigned material before coming to class, and the instructor’s role is to review and clarify as necessary any points that students have read in advance. If additional help with the material is needed, students should consult their instructor during office hours, and take advantage of departmentally-provided resources, such as free tutoring.

COURSE POLICIES

On student behavior in the classroom:

Student behavior that interferes with an instructor’s ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classrooms, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at www.unt.edu/csrr.

On attendance:

Students are allowed two unexcused absences without penalty to their grade. This policy does not excuse students from any previously scheduled activity or homework (see below policy regarding make-ups.) For each unexcused absence beyond three, 1% will be subtracted from the final course grade. Tardies will also carry penalties according to the policy of the instructor. Excused absences (according to University policy) must be justified within three days after returning to class with written documentation. **Students missing a total of 8 classes may be administratively dropped by their instructor.**

On make-ups:

Only those individuals whose absences are authorized by their instructor are eligible to take make-ups on any material missed. If an exam or assignment must be missed, students should contact their instructor as soon as possible and provide the appropriate documentation within 3 days after returning to class. The instructor will set a date to make up the missed assignment(s).

On food and beverages in the classroom:

Students are not allowed to consume food in the classroom. Students are allowed to consume appropriate beverages during class periods only if their instructor gives his or her approval for doing so.

On outside help/academic integrity:

All assignments should be the student’s work only, and should reflect the student’s level of proficiency. Cheating, plagiarism, and other examples of academic misconduct will be pursued and sanctions will be levied.

On cell phones and laptops:

Cell phones must be off at all times during class meetings. Inappropriate use of a laptop will not be tolerated; the student will be asked to put it away and the participation grade will be affected.

On use of email:

Instructors of Spanish at the 1000 – 2000 level require students to use official UNT Eagle Connect for all communication. Instructors will only respond to email sent by students from a UNT Eagle Connect address. Likewise, instructors will only send email to UNT Eagle Connect addresses. Information about Eagle Connect can be found at the following Web address: <http://eagleconnect.unt.edu/>.

A note on protocol:

If a student has a problem with anything related to the course (textbook, instructor, testing, etc.), it is his or her responsibility to discuss the problem first with the instructor before contacting the coordinator.
