CSCE 3055
IT Project Management
3 credit hours

Instructor Contact
Name: Hadiseh Gooran
Office Location: E260C
Office Hours: Monday- Wednesday 8:30 AM - 10:20 AM (available in-person at E260C and online over zoom)
Email: hadiseh.gooranorimi@unt.edu
TA: Farhan Rahman Arnob
Office hours: By email
Email: farhanrahamanarnob@my.unt.edu

Communication Expectations:
We will primarily use email for direct communication. Please send personal concerns or questions to hadiseh.gooranorimi@unt.edu. I aim to respond to emails within 24-48 hours on weekdays, provide assignment feedback within a week, and post grades within a week of the submission deadline. Remember to adhere to netiquette principles in your communication, and check course announcements for updates. Your questions and concerns are important, so don't hesitate to reach out.

Course Description
Provides students with the tools and techniques needed to manage a wide variety of IT systems projects, including software design and development, IT systems design and installation, network management and support and others. Students develop and practice skills through the use of case studies and other project-based exercises.

Course Structure
This class is face-to-face, and it happens during 17 weeks of a semester.

Course Prerequisites:
CSCE 2100 with a grade of C or better.

Course Objectives
By the end of this course, students will be able to:
1. Demonstrate the use of good project management techniques and tools in the development of a management plan for an IT project.
2. Demonstrate an understanding of the unique management requirements of different types of IT Systems projects.
3. Develop a management plan and budget for an IT project.
4. Demonstrate an understanding of team management and conflict resolution skills through a number of small management projects.
5. Create a system lifecycle document for a sample problem including all components using the Unified Modeling Language.

Required book:
- Lecture Notes, Slides and Online
Weekly plan:

**Week 1:**
- Topic: "Start Here" Module Introduction
- Assignment: Vision, mission, group tree

**Week 2:**
- Topic: Agile vs. Waterfall
- Assignment: Start working on part #0

**Week 3:**
- Topic: Module 02 UML Design
- Assignment: Submit UML + SRS

**Week 4:**
- Topic: Project Manager Role-Team Building and Building You
- Assignment: In-class Activity - RBT Chart draft/guideline CHP Report Review & update SRS

**Week 5:**
- Topic: Module 04 RFP/QE/CMMI
- Assignment: GRP Assgn. Activity - CMMI

**Week 6:**
- Topic: Module 05 CPM
- Assignment: Grp Assign. Activity - CPM

**Week 7:**
- Topic: Module 06 Change Control
- Assignment: In-class Work Cost Analysis

**Week 8:**
- Topic: Module 07 Risk Management
- Assignment: No Assignment

**Week 9:**
- Topic: Spring Break
- Assignment: No Assignment

**Week 10:**
- Topic: Module 08 Risk Management
- Assignment: Grp Proj. Part #2 Due, in-class work Risk matrix
- Mid-term Exam

**Week 11:**
- Topic: Module 09 Resource Management
- Assignment: Group Assignment—Resource List Update—plan

**Week 12:**
- Topic: Module 10 Energy Practices in IT from PM knowledge areas by PMBOK
- Assignment: In-class-Activity Ind. Assignment-Energy due

**Week 13:**
- Topic: Module 11 Testing & Go-live
- Assignment: Grp Proj. Part #3 Due

**Week 14:**
- Topic: Module 12 Group project presentation
- Assignment: work on Final deliverable

**Week 15:**
- Topic: Review Presentation Group project presentation
- Assignment: Group Project presentation

**Week 16:**
- Topic: Last day for classes Final Review Reading
- Assignment: Last day for all submissions.
Week 17:
- Topic: Final Exams
- Assignment Due: None

Netiquette
- Treat your instructor and classmates with respect in email or any other communication.
- Always use your professors’ proper title: Dr. or Prof., or if in doubt use Mr. or Ms.
- Unless specifically invited, don’t refer to your instructor by first name.
- Use clear and concise language.
- Remember that all college level communication should have correct spelling and grammar (this includes discussion boards).
- Avoid slang terms such as “wassup?” and texting abbreviations such as “u” instead of “you.”
- Use standard fonts such as Arial, Calibri or Times new Roman and use a size 10 or 12 point font
- Avoid using the caps lock feature AS IT CAN BE INTERPRETTED AS YELLING.
- Limit and possibly avoid the use of emoticons like :) or .
- Be cautious when using humor or sarcasm as tone is sometimes lost in an email or discussion post and your message might be taken seriously or sound offensive.
- Be careful with personal information (both yours and other’s).
- Do not send confidential information via e-mail

Academic Support Services

- Writing Lab (http://writingcenter.unt.edu/)
- MathLab (https://math.unt.edu/mathlab)

Course Policies:
Late Work
You will not be able to receive a full grade for late submissions. Please ensure that you submit your work on time. If you anticipate needing more time for any reason, it is essential to inform the instructor in advance and provide a valid reason for requesting an extension. Without advance notice and a valid reason, we may not be able to accommodate late submissions.

Attendance Policy
Attendance is mandatory for this class. In the event of an absence, it is essential to promptly inform the instructor and provide appropriate documentation as proof for the absence.

Class Participation

Regular Attendance: Attendance is expected for all scheduled classes. Please make an effort to attend each session unless circumstances prevent you from doing so. If you must miss a class, inform the instructor in advance whenever possible.

Active Engagement: Actively engage in class discussions, group activities, and exercises. Share your insights, ask questions, and contribute to the overall learning experience.

Respectful Interaction: Treat your fellow classmates, the instructor, and guest speakers with respect and courtesy. Listen attentively when others are speaking and avoid interrupting or dominating discussions.

Preparation: Come to class prepared by reviewing assigned readings or materials beforehand. This preparation will enable you to participate meaningfully in discussions and activities.
Quality over Quantity: It's not about the quantity of your contributions but the quality. Thoughtful and relevant contributions are more valuable than mere repetition.

Grading Policy

The various components of your grade are weighted as follows:

- In-class activity and participations 30%
- Group Assignments 40%
- quizzes 10%
- 2 exams 20%

Grading

- A = 90-100
- B = 80-89
- C = 70-79
- D = 60-69
- F = 50-59

Course Evaluation

Student Perceptions of Teaching (SPOT) is the student evaluation system for UNT and allows students the ability to confidentially provide constructive feedback to their instructor and department to improve the quality of student experiences in the course.

Syllabus Change Policy

Please be aware that the syllabus, course details, and due dates are subject to change during the course. Updates will be communicated through class announcements, email, or the course management system. Changes may arise to enhance the learning experience or address unforeseen circumstances. It is your responsibility to stay informed and adapt as necessary. Your understanding and cooperation are appreciated as we strive to provide the best possible learning environment.

Academic Integrity

This course follows UNT’s policy for Student Academic Integrity that can be found at https://policy.unt.edu/policy/06-003 as well as the Cheating Policy for the Department of Computer Science and Engineering. Specifically, the first instance of a student found to have violated the academic integrity (i.e., cheating) policy will result in a grade of “F” for the course and have a report filed into the Academic Integrity Database, which may include additional sanctions.

ADA Policy

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one’s specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website (https://disability.unt.edu/).

Technical Assistance

Here at UNT we have a Student Help Desk that you can contact for help with Canvas or other technology issues.
UIT Help Desk: http://www.unt.edu/helpdesk/index.htm
Email: helpdesk@unt.edu
Phone: 940-565-2324
In Person: Sage Hall, Room 130
Walk-In Availability: 8am-9pm
Telephone Availability:
  - Sunday: noon-midnight
  - Monday-Thursday: 8am-midnight
  - Friday: 8am-8pm
  - Saturday: 9am-5pm

Laptop Checkout: 8am-7pm
For additional support, visit Canvas Technical Help
(https://community.canvaslms.com/docs/DOC-10554-4212710328)

  - Pride Alliance (https://edo.unt.edu/pridealliance)

Emergency Notification & Procedures
UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Blackboard for contingency plans for covering course materials.

Retention of Student Records
Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Blackboard online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student's records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University’s policy. See UNT Policy 10.10, Records Management and Retention for additional information.

Acceptable Student Behavior
Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct
violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit UNT’s Code of Student Conduct (https://deanofstudents.unt.edu/conduct) to learn more.

Access to Information - Eagle Connect
Students’ access point for business and academic services at UNT is located at: my.unt.edu. All official communication from the University will be delivered to a student's Eagle Connect account. For more information, please visit the website that explains Eagle Connect and how to forward email Eagle Connect (https://it.unt.edu/eagleconnect).

Sexual Assault Prevention
UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. Federal laws (Title IX and the Violence Against Women Act) and UNT policies prohibit discrimination on the basis of sex, and therefore prohibit sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking, and/or sexual assault, there are campus resources available to provide support and assistance. UNT’s Survivor Advocates can assist a student who has been impacted by violence by filing protective orders, completing crime victim’s compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change where appropriate, and connecting students to other resources available both on and off campus. The Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or by calling the Dean of Students Office at 940-565-2648. Additionally, alleged sexual misconduct can be non-confidentially reported to the Title IX Coordinator at oeo@unt.edu or at (940) 565 2759.

Important Notice for F-1 Students taking Distance Education Courses
Federal Regulation
To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to the Electronic Code of Federal Regulations website (http://www.ecfr.gov/). The specific portion concerning distance education courses is located at Title 8 CFR 214.2 Paragraph (f)(6)(i)(G).

The paragraph reads:
(G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement.

University of North Texas Compliance
To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course. If such an on-campus activity is required, it is the student’s responsibility to do the following:
(1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
(2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email internationaladvising@unt.edu) to get clarification before the one-week deadline.

**Student Verification**
UNT takes measures to protect the integrity of educational credentials awarded to students enrolled in distance education courses by verifying student identity, protecting student privacy, and notifying students of any special meeting times/locations or additional charges associated with student identity verification in distance education courses. See UNT Policy 07-002 Student Identity Verification, Privacy, and Notification and Distance Education Courses ([https://policy.unt.edu/policy/07-002](https://policy.unt.edu/policy/07-002)).

**Use of Student Work**
A student owns the copyright for all work (e.g. software, photographs, reports, presentations, and email postings) he or she creates within a class and the University is not entitled to use any student work without the student's permission unless all of the following criteria are met:

- The work is used only once.
- The work is not used in its entirety.
- Use of the work does not affect any potential profits from the work.
- The student is not identified.
- The work is identified as student work.

If the use of the work does not meet all of the above criteria, then the University office or department using the work must obtain the student's written permission.

Download the UNT System Permission, Waiver and Release Form
