**COURSE REQUIREMENTS and CLASSROOM BEHAVIOR**

1. Financial and quantitative in nature, HMGT 2480 is a challenging course. It calls for your time and devotion. You are expected to attend all classes, and to arrive on time. Exams will be lecture- and class discussion-oriented. Therefore, attending class is critical to your success in the course.
2. You are expected to be prepared for class – this means being prepared to discuss chapter materials, attempting homework problems in advance, and being actively involved in class discussions. Eating, reading unrelated materials, excessive talking with your neighbor, any type of cell phone use and inappropriate behavior are not conducive to learning. None are acceptable in the classroom. You are advised to take the attendance issue very seriously. Multiple excused and unexcused absences, tardiness and early or late class departures/arrivals will be noted.
3. There will be an Excel-supported homework assignment for each chapter of the textbook covered in class. Each of these assignments is to be submitted through Blackboard using the Assignment tab in Course Tools by the posted submission deadline date and time. All due dates will be listed on the Calendar tool and complete instructions will be made available to you.
4. In-class quizzes will be given. These will be unannounced, and no makeup opportunities will be offered.
5. Exams and quizzes may include objective and subjective questions. Examples of objective items include multiple choice, true/false, fill in the blank, and problems. Examples of subjective questions include short answer, essay, and case study analysis.

All students are to take special notice of the exam dates stated on this syllabus. **No make-up exams will be given EXCEPT IN EMERGENCIES.** Emergencies only include a medical emergency involving yourself or a death in your immediate family. Regular medical appointments, “Check-ups” and/ or “Family gatherings” do not constitute emergency situations and do not meet the aforementioned requirement. **Travel plans are not emergencies.** Additionally, excuses related to employment (working during the exam or sleeping late because of work the night before) do not meet the requirement for a make-up exam. I strongly advise you to contact your employer as soon as possible so that you can coordinate your work schedule with your academic/ exam schedule.

Once an exam is taken, *ex post facto* excuses for performance will not be considered. Additionally, extra credit projects will not be given to make up for poor exam performance. I cannot offer one student a project that I do not also offer the entire class.

## COMMUNICATION PARAMETERS

Students should contact me via UNT or personal Email. I will attempt to respond to student message at least once each day.

Please be aware that I will not be able to respond to “last minute” requests for assignment clarification, and you may encounter unforeseen problems with your Internet provider, software, or hardware. You must allow sufficient time to deal with these problems in order to make your submissions by the deadline.

When you are communicating online in this or any other class you must remember two things:

1. The person you are communicating with deserves to be treated with respect and consideration
2. Your email is preserved for all time in the class record

With this in mind, I will expect that your communications to me and to others will be in the proper format, including a greeting and a signature, and will use correct spelling and grammar. For further information on this, please follow this link: [netiquette for the course](#).

## ASSESSMENT & GRADING

### Attendance

Class attendance will be taken at the random time of each class session through the use of an attendance sheet. It is also the responsibility of each student to sign the attendance sheet before leaving each class session. Failure to sign the attendance sheet on the day of attendance will result in a recorded absence for the day. Class attendance will not be considered on days for a student who (a) arrives to class five (5) minutes or later into the class meeting time or (b) leaves class prior to the designated ending time. Signing the attendance sheet for another student will result in disciplinary action to be determined by the instructor of record. 60 points of your total grade for this course will be based upon your attendance in this class. The points for attendance is further broken down as follows:

- 0 – 2 absences = 60 pts
- 3 absences = 30 pts
- 4 absences = 0 pts
- 5 or more absences will result in “downgrading” your total letter grade of this course (e.g., A to B, B to C, C to D, and D to F).
- Illness – Written evidence of your excuse is required the FIRST DAY BACK in class after the absence. A doctor’s excuse with signature or a dated slip from Student Health Services with signature can be used.

### Homework Assignments

There is a homework assignment for each chapter of the textbook covered in the class. Each assignment consists of four problems (see *Test Your Skills* at the end of each chapter). Excel workbooks will be provided containing a template for each question; you should open the appropriate workbook, complete each problem using applicable information and formulas, and save the document as an Excel file. You will then

submit your document according to the Homework Instructions provided. Homework assignments will be worth 200 points of your total course grade; late work will be accepted within prescribed parameters but will be penalized. Be sure to keep electronic copies of your homework submissions on your personal computer or on a flash drive.

You will have sufficient time to complete all homework assignments. Reasons for not completing work such as Internet failure, computer hardware or software failure or incompatibility, inaccessibility to a computer with Internet connections, etc., will not be excuses for late or missing submissions. You are strongly encouraged to complete all assignments at least 24 hours before the deadline, thus giving you time to make other arrangements if there are technical difficulties or you do not have access to an Internet connection. If you experience any issues while submitting an assignment, you must contact the Blackboard Helpdesk immediately so that your issue is documented with a helpdesk ticket number. Considerations regarding Blackboard issues will be made by the instructor on an individual basis based on the documentation.

### Quizzes

Quizzes will be unannounced and **no** makeup opportunities will be offered. Students will take 10 quizzes during the semester and each quiz will be worth 10 points.

### Exams

Three exams will be given, on the dates posted on the Calendar. The final exam is not cumulative.

### Extra Credits

Extra credit opportunities will be unannounced and randomly given during the semester. Here are some assigned extra credit opportunities:

- Career Expo (3/27; Union Ballroom): 5 pts (Write one page report of your impression by 4/2)
- SPOT evaluation: 5 pts
- Perfect Attendance: 5 pts
- Scrappy Quizzes (TBA): 5 pts each

**Do you want to graduate on time?**

- A prerequisite is a course or other preparation that must be completed before enrollment in another course. All prerequisites are included in catalog course descriptions.
- Advisors help you sequence courses correctly for an “on time” graduation. Ultimately, it is a student’s responsibility to ensure they have met all prerequisites before enrolling in a class.
- Students who have not met prerequisites will not be allowed to remain in a course.
- Once classes begin, students often have few, if any, options for adding a different course, which can be an issue for financial aid.

**Have you met with your advisor?**

- ALL students should meet with their Academic Advisor at least one time per semester (Fall & Spring). Update your degree plan regularly to stay on track for a timely graduation.
- All new freshman and transfer students are REQUIRED to meet with their Academic Advisor for their first 2 semesters to receive an advising code to register for classes for the next semester.

**Do you know who to contact for a course-related or advising issue?**

Understanding the academic organizational structure is important when resolving class-related or advising issues. When you need problems resolved, please follow the step outlined below:

**Do you require special accommodations?**

The University of North Texas and the College of Merchandising, Hospitality and Tourism make reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Accommodation website at <http://www.unt.edu/oda>. You may also contact them by phone at 940.565.4323.

**Are you aware of safety regulations?**

Students are urged to use proper safety procedures and guidelines. In lab sessions, students are expected and required to identify and use property safety guidelines in all activities requiring lifting, climbing, walking on slippery surfaces, using equipment and tools, handling chemical solutions and hot and cold products. Students should be aware that the University of North Texas is not liable for injuries incurred while students are participating in class activities. All students are encouraged to secure adequate insurance coverage in the event of accidental injury. Students who do not have insurance coverage should consider obtaining Student Health Insurance for this insurance program. Brochures for this insurance are available in the UNT Health and Wellness Center on campus. Students who are injured during class activities may seek medical attention at the UNT Health and Wellness Center at rates that are reduced compared to other medical facilities. If you have an insurance plan other than Student Health Insurance at UNT, please be sure that your plan covers treatment at this facility. If you choose not to go to the UNT Health and Wellness Center, you may be transported to an emergency room at a local hospital. You are responsible for expenses incurred there.

For example, courses that are taken online or from a program that offers course material via CD, booklet, or other manner of correspondence ***must have prior advisor approval.***

**Are you an F-1 visa holder?**

- To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component must be approved in advance by the instructor and can include activities such as taking an on-campus exam, participating in multiple on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.
  - If such an on-campus activity is required, it is the student's responsibility to do the following:
    - (1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
    - (2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Advising Office. The UNT International Advising Office has a form available that you may use for this purpose.
- **Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, students should contact the UNT International Advising Office (telephone 940-565-2195 or email [international@unt.edu](mailto:international@unt.edu)) to get clarification before the one-week deadline.**

**Do you know what to do in an emergency or UNT closure?**

- UNT uses a system called Eagle Alert to quickly notify you with critical information in an event of emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). The system sends voice messages (and text messages upon permission) to the phones of all active faculty staff, and students. Please make certain to update your phone numbers at [www.my.unt.edu](http://www.my.unt.edu).

- Some helpful emergency preparedness actions include: 1) ensuring you know the evacuation routes and severe weather shelter areas, determining how you will contact family and friends if phones are temporarily unavailable, and identifying where you will go if you need to evacuate the Denton area suddenly.
- In the event of a university closure, your instructor will communicate with you through Email or Blackboard regarding assignments, exams, field trips, and other items that may be impacted by the closure.
