Fully Online Course using Canvas LMS – AOP Program

COURSE DESCRIPTION

From the UNT Catalog:

Every administrator in an educational organization has a responsibility to engage in public relations on a daily basis. The primary objective of this course is to examine school-based public relations with the context of life in an information age, practice in schools shared decision making, and sustained demands for school improvement. Students study three critical dimensions of school public relations: informing the public; modifying attitudes and opinions; and integrating the actions and attitudes of an organization with those of its public.

PREREQUISITES FOR THIS COURSE

This course assumes that you are currently working in a school setting or have a general knowledge of EC-12 Schools. You should also have a general understanding about the impact of public relations and effective communications on the leadership functions of school administrators. If you do not have a current relationship with a school, it will be necessary to do research and interview people who have knowledge about EC-12 schools. You will need to submit all of the assignments for this course even if you are not working in a school at this time. If you have questions, contact your instructor during the first week of the course.
COURSE LEARNING OBJECTIVES

At the conclusion of the course, you will be able to do the following:

1. Describe the public’s current perception of American schools.
2. Describe the importance of an effective school-community relations plan and distinguish between a centralized plan, a decentralized plan, and a coordinated plan for school and community relations.
3. Identify specific ways that school administrators can reach out to parents and the community for engagement with and support for the schools.
4. Describe the roles of educators at the district and campus level related to an effective school-community relations program.
5. Identify the steps in the communication process and to apply those steps given a scenario.
6. Identify barriers to communication and how they might be overcome.
7. Identify in writing each of the member groups of a school's Internal Publics (those inside the organization) and describe at least one specific action that can be taken to effectively communicate with each member group.
8. Identify and describe in writing the member groups of the school's External Publics (those stakeholders spending most of their time outside of the school's walls) and identify at least three ways or opportunities where information is best communicated to them.
9. Describe in detail at least three strategies for enhancing the school's relationship with the news media and their representatives.
10. Compare your school’s experiences with the best practices identified in the text related to at least one of the following: Open House events, Parent Teacher Conferences, and Convocations and Celebrations.
11. Describe the skills and behaviors necessary for the campus administrator who can communicate most effectively with a variety of audiences, in writing and when speaking.
12. Demonstrate competencies in written and oral communications, along with judgment in determining priorities when presented with multiple tasks needing responses in a simulated in-basket activity.
13. List both benefits and cautions when communicating electronically and using social media as a means for keeping stakeholders informed.
14. Describe best practices related to leading during a crisis, including:
   - Designing a Crisis Management Plan
   - Implementing the Plan
   - Communicating during a crisis
   - Dealing with the aftermath of a crisis
15. Complete a simulation that creates a Parent and Community Involvement Plan for the school where the student is employed or a fictional or “real” school that meets the criteria for effectiveness that is described in the rubric for the assignment. (You may collaborate with others in the class while working on this assignment.)
16. List and describe at least three ways to collect data to evaluate the results of the school-community relations efforts.

ADVISING INFORMATION

Educational Leadership Master’s Degree, Principal as Instructional Leader Certification, and Texas Examination of Educator Standards (TExES)

Please read the Week 1 Required Readings pages Advising Information about the Master’s Degree and Certification and Principal Certification and Principal Testing Requirements. These pages have important information and deadlines that will help you as you complete degree and certification requirements. Also, you can find our Educational Leadership Master’s Handbook there. Please read that thoroughly. The Handbook and Week 1 pages have information and deadlines that will help you as you complete degree and certification requirements.

Degree/Certification Plan
If you have not already submitted a degree/certification plan, submit that right away. You are required to submit that within your first class, and you have to have it on file before you can take the TExES exam, do the Internship, or graduate. Fill out the top part of the plan.

Do not fill in the courses you have taken or plan to take. We will fill those in as you complete the courses. At the very top of the plan, check off Principal as Instructional Leader Certification (see requirements below for Certification), Master’s Degree, or both. Send the plan to Marilyn.deuble@unt.edu.
If you already have a master’s degree and are just getting principal certification, you will need to take six regular courses and one full semester internship, for a total of seven classes. The degree/certification plan has asterisks beside the ones we generally use for certification, but we can have some flexibility in course choice. If you have questions, contact your advisor at linda.stromberg@unt.edu or our Student Services Coordinator, Marilyn.deuble@unt.edu. You can download a blank degree/certification plan from the Advising Information about the Master's Degree page at the top of the course Week 1 module.

See the ETS PASL site, where you can learn about the TExES 268 for Principal as Instructional Leader certification.

See the ETS PASL overview site for information about the PASL.

**Graduation**

Deadlines for application to graduate are very early each semester. It is your responsibility to apply for graduation. You have to apply even if there is no ceremony, or if you are not going to attend the ceremony. You can find the application by going to the Graduation Information page and following the link under “Apply to Graduate.” The **deadline for the spring Graduation is February 15.** See the Information for Graduates page for details.

See the information above about submitting a degree plan. If you are ready to graduate and have not submitted a degree plan, your graduation application will be delayed. Remember that you must have at least a 3.0 to graduate. Also, if you have any courses with grades of D or F, you will have to retake those courses and earn a passing grade.

You can graduate once you have completed the 10 courses for the Master’s degree. You can do the internship during your master’s or after you have graduated.

**Principal Internship**

For the Texas Principal as Instructional Leader Certificate, you will need to do a one semester Principal Internship, EDLE 5500, at the end of your Master’s classes. You must apply in advance. The due dates to apply are **October 1 for spring and March 1 for fall. We no longer offer the summer internship.** You have already missed the deadline for fall, but, if you wish to do the Internship in the fall, we may be able to accept some late applications. Send in your application immediately. The internship is a 3-hour class, with tuition.

If you graduate with your degree before the Internship, you become a certification-only student, and you are not eligible for financial aid. There is a Graduate Academic Certificate Program you can apply for with the Graduate School that may help with financial aid eligibility during the Internship. Contact marilyn.deuble@unt.edu to learn about that. However, as with all financial aid, you have to be enrolled in 2 classes, and, most of the time, you only have the internship left to finish your certification. The internship is very time-consuming, especially with the PASL requirements; so being enrolled in only one class is very helpful.
You can read about the Internship and get a blank Internship application by looking on the Certification Page at the beginning of Week 1 or by looking in our Educational Leadership Handbook. Send your internship application to Marilyn.deuble@unt.edu.

DEPARTMENT AND UNIVERSITY POLICIES

Eagle Connect
All official correspondence between UNT and students is conducted via Eagle Connect and it is the student's responsibility to read Eagle Connect email regularly. See details at the EagleConnect Email System site.

Disabilities Accommodation
“The University of North Texas complies with Section 504 of the 1973 Rehabilitation Act and with the Americans with Disabilities Act of 1990. The University of North Texas provides academic adjustments and auxiliary aids to individuals with disabilities, as defined under the law. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring accommodation, please see the instructor and/or contact the Office of Disability Accommodation at 940-565-4323 during the first week of class.” Dr. Barbara Pazey is the compliance officer and contact person for the Department of Teacher Education and Administration.

Grade of Incomplete
The only time an instructor in our College can give an incomplete is if a student is passing the course, but has a severe illness/situation during the last third of the course. The student must submit a form requesting an incomplete and provide documentation supporting the need for an Incomplete. Students can get these forms by contacting Marilyn Deuble, our Student Services Coordinator, at marilyn.deuble@unt.edu.

Progress in Class/Dropping a Class
If you are having difficulties with assignments or the pace of the class, please keep in touch with your instructor through the course Inbox in the class. If you think you might need to drop the class, be sure you keep track of the last dates you can drop a class. You can find these dates on the UNT Registrar’s site. If, by dropping a class, you will not be enrolled in any classes during an 8-week period, you will need to withdraw from the university. Don’t worry, you can come back during the next 8 week period or semester. To withdraw, you have to contact the Dean of Students, deanofstudents@unt.edu. That office will send you a link to some paperwork. Send that back right away.

If you are dropping a class, be sure you do that through the registrar. Just telling your instructor or the Educational Leadership office that you are dropping is not sufficient. Also, please be aware that dropping classes may affect financial aid. However, if you are going to drop or withdraw, be sure you do it as soon as you know that is what you plan to do. If you
stay in the class until the end, but have not submitted assignments, your instructor will have to
give you a failing grade.

Acceptable Student Behavior
Student behavior that interferes with an instructor’s ability to conduct a class or other students’
opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional
forum at UNT. The university’s expectations for student conduct apply to all instructional forums,
including university and electronic classroom, labs, discussion groups, field trips, etc. Students
engaging in unacceptable behavior may be referred to the Dean of Students to consider whether
the student's conduct violated the Code of Student Conduct.

Virtual Classroom Citizenship
The same guidelines that apply to traditional classes should be observed in the virtual
classroom environment. Please use proper netiquette when interacting with class members
and the professor. For instance, when responding to individuals, address them by their name
before beginning your commentary.

Writing Policy
Educators are judged on the accuracy of everything they write, whether it is a letter to parents or
an email to a colleagues or staff. Your written products – including, but not limited to, papers,
letters, and email – should include appropriate and accurate spelling, grammar, punctuation,
syntax, format, and English usage. You should expect that all assignments will be evaluated on
these writing skills, in addition to any other expectations of a particular assignment. Activities in
this class, including discussions, have high expectations for effective written
communication skills. The UNT Writing Lab (Sage Hall 152) offers one-on-one consultation
to assist students with their writing assignments. To use this resource, call 940-565-2563 or
visit the writing center.

Observation of Religious Holidays
If you plan to observe a religious holy day that interferes with a class assignment, please notify
your instructor as soon as possible.

Ethical Behavior and Code of Ethics
The Teacher Education and Administration Department expects that its students will abide by
the Code of Ethics and Standard Practices for Texas Educators (Chapter 247 of the Texas
Administrative Code) and as outlined in Domain IV: Fulfilling Professional Roles and
Responsibilities of the Pedagogy and Professional Responsibilities (PPR) Texas Examination of Educator Standards (TExES); and as also addressed in codes of ethics adopted by professionals in the education field such as the National Education Association (NEA) and the American Federation of Teachers (AFT).

**Academic Integrity**
Students are encouraged to become familiar with UNT's policy on Student Standards of Academic Integrity. Academic dishonesty, in the form of plagiarism, cheating, or fabrication, will not be tolerated in this class. Any act of academic dishonesty will be reported, and a penalty determined, which may be probation, suspension, or expulsion from the university.

**Cheating and Plagiarism Policy**
The UNT Code of Student Conduct and Discipline provides penalties for misconduct by students, including academic dishonesty. Academic dishonesty includes cheating and plagiarism. The term “cheating” includes, but is not limited to, (1) use of any unauthorized assistance in taking quizzes, tests, or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; and (3) the acquisition, without permission, of tests or academic material belonging to a faculty or staff member of the university. The term “plagiarism” includes, but is not limited to, the use of the published or unpublished work of another person, by paraphrase or direct quotation, without full and clear acknowledgement. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials.

If a student engages in academic dishonesty related to this class, the student will receive a failing grade on the test or assignment and a failing grade in the course. In addition, the case may be referred to the Dean of Students for appropriate disciplinary action.

**IMPORTANT NOTICE FOR F-1 STUDENTS**

**Important Notice for F-1 Students taking Distance Education Courses**

**Federal Regulation**
To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to Electronic Code of Federal Regulations site. The specific portion concerning distance education courses is located at Title 8 CFR 214.2 Paragraph (f)(6)(i)(G).

The paragraph reads:
(G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or
computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement.

University of North Texas Compliance
To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course. If such an on-campus activity is required, it is the student’s responsibility to do the following:

1. Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
2. Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940565-2195 or email.

This syllabus is subject to change with notice publicized by course announcement and EagleConnect email.
