- Login using your EUID and Password
- Click “MGMT 3720” from the list of courses

Though this class is a face-to-face course we will still utilize Canvas to review and submit assignments. Please note that Canvas relies exclusively on electronic technologies for online participation, and technology is not a 100% reliable. Students assume ALL responsibility for the operating condition of personal computers and the functionality of individual Internet connections. I will provide you with tips and guidance for operating your equipment, and the helpdesk offers support, but you have to assume responsibility for everything on your end. Students are expected to be able to navigate the Canvas course site to access information and submit assignments.

TECHNICAL ISSUES WITH CANVAS:

Please immediately report ALL Canvas problems to the UNT helpdesk at 940.565.2324. Be sure to ask for a ticket number and then email the ticket number to me along with the report from the helpdesk. Without a ticket number, I can't follow up on the technical issue. Technical difficulties will be resolved as they appear. The University computer techs can determine exactly what has taken place and will advise me of the outcome (your ISP, our ISP, Canvas, etc.). I will determine how to resolve the technical issue based on their advice, University policy, applicable law, and my experience.

EUID ACCESS AND PASSWORDS:

Enterprise User Identification Numbers (EUID's) and passwords are required by the University of North Texas to access this course. It is the student's responsibility to maintain a current EUID number and password. You may reset your password at <https://ams.unt.edu/acctreq.php>.

CLASS STRUCTURE

This course meets in person once a week and then utilizes online tools and resources through Canvas. It is the student's responsibility to show up and participate, as well as be able to access, and appropriately use, online materials assigned in the course schedule provided in the syllabus.

Students are expected to read all the assigned materials on time, per the course calendar in the syllabus. Lecture notes and other materials posted online are not a substitute for thorough reading of the chapter or assigned materials. Additional material, which may include video segments or articles, may be assigned from time to time. Often, this material will reflect content that is newly identified as relevant to the course and is therefore not specified on the syllabus.

Students are expected to be logged-in to the Canvas website on a weekly basis at minimum to engage with others, complete assignments, and review the posted material.

In class there will be many opportunities to participate and engage in breakout sessions, small group dialogue, and object lessons. Students are expected to contribute in class and to ask questions and seek clarification when necessary.

The instructor reserves the right to make changes to the syllabus if needed. Notices will be delivered electronically or in class sessions in advance of changes being made.

This course fulfills the requirements associated with residency for an F-1 visa for international students.

Assignments and Grading

Discussion Boards

Students will make meaningful and reflective weekly posts to the course site in Canvas regarding their experience that week. These posts will be responses to prompts that focus on insights gained from reading the material, class dialogue, or exposure to concepts.

Reading Concept Quizzes

There will be short quizzes on a weekly basis that cover concepts from the week's assigned material. These are based largely on recall of definitions for key terms and concepts. These are simple and straight forward exercises meant to promote basic understanding of course topics and promote accountability to staying on track with reading assignments.

Organizational Case Studies

There will be three organizational case study opportunities throughout the semester according to the course calendar. Students will be presented with a scenario from an organization and tasked to answer questions related to identifying the problem, considering various courses of action, and recommending a strategy for addressing the issue that demonstrates competency of the material covered in class. Instructions and prompts relative to nature of each assignment will be given out at that time.

Exams

There will be four exams scheduled during the semester according to the course calendar at the end of the syllabus. The last exam (our final) is not comprehensive. All material covered in class or posted online, assigned textbook readings, and videos are covered on the exams. Exams are not open book or open note; no outside assistance is allowed. Exams will be taken in class unless other arrangements are required by University policy.

Research Participation

The Research Experience Program at the RCoB allows faculty and PhD researchers to collect data on consumer behavior, marketing, and other areas of study. Researchers apply their findings to current industry needs, and deepen our understanding of human behavior in business markets, organizations, and management.

As part of your learning experience in this course, you will be required to participate in research studies to gain experience with the research process. Your participation in these research studies will make up **5%** of your final class grade. Your participation in this program is critical to the furthering of UNT's research goals.

To fulfil the requirement, you **must** create an account on the **College of Business REP** webpage—unt-cob.sona-systems.com—which allows you to browse and sign up for available studies. **DO NOT** sign up for the SONA in the Psychology Department! Use the **CoB SONA** link provided above.

The amount of credit assigned is based on the length of time the study takes to complete and whether you participate online or in-person in the COB behavioral Lab (BLB 279):

Online Studies

- <15 minute studies = 1 credit
- 15-30 minute studies = 2 credits
- >30 minute studies = 3 credits

In-Person Lab Studies (Behavioral Lab - BLB 279)

- <15 minute studies = 3 credit
- 15-30 minute studies = 4 credits
- >30 minute studies = 5 credits

The instructor reserves the right to make changes to the syllabus if needed. Notices will be delivered electronically or in class sessions in advance of changes being made.

To fulfill the 5% course requirement, you must earn a total of **5 REP credits** throughout the semester (i.e., 1 credit = 1 percent of your final grade). All credits earned will be added to your final course grade at the end of the semester.

- ➔ To sign up, please visit unt-cob.sona-systems.com. If you have questions, do not contact me. Instead, contact the SONA managers via email at RCoBRep@unt.edu. Your questions will be addressed promptly, usually within 24 hours.
- ➔ Visit cob.unt.edu/research/research-experience-program for detailed sign-up instructions and more information.

Please Note:

- 1) Don't wait! Create your account ASAP! Get first access to available studies.
- 2) Assign your credits to the proper course. This course is: MGMT 3720 Section 502.
- 3) If you have another course that also requires SONA credits, you must complete those credits separately. On the main SONA account page, you can assign your completed credits to specific courses (of your choice). You have up to May 1st to adjust these credits!
- 4) If you do not want to participate in the posted studies, you can complete a 2-page research article critique for 2 points of REP credit each. To do so, please email RCoBRep@unt.edu and they will assign you an article to critique. Critiques are due on or before April 24th. Article critiques will not be available until the last week before April 24th. Please note that study participation will require less of your time than article critiques.

Important Deadlines!

April 24th, 5:00 PM – Last day to participate in SONA for Spring semester.

You will have one week from this date to adjust your final credits assigned to particular classes in SONA. On **May 1st**, final scores will be distributed to instructors and cannot be changed after that point.

ACADEMIC INTEGRITY

According to UNT Policy 06.003, Student Academic Integrity, (<https://policy.unt.edu/policy/06-003>) academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University. All violations of the Student Academic Integrity policy will be reported. Usage of cell phones, iPhones, cameras, or any other electronic device is not allowed during a test; nor is talking to other students, soliciting or giving help. Copying, photographing, or disseminating the questions in any form is prohibited. Remember, the exam questions are randomized so you will NOT see the same questions in the same order as your classmates. The course will utilize TurnItIn as a plagiarism checker.

Students in this course are not permitted use of generative AI technology to assist in completing assignments except where specifically noted in the assignment directions or unless otherwise directed to do so by the Instructor. Students found to be using generative AI technology in an unauthorized way may be subject to academic integrity processes under UNT Policy 06.003 Student Academic Integrity.

COLLEGE EMERGENCY EVACUATION PROCEDURES:

Severe Weather: In the event of severe weather, all building occupants should immediately seek shelter in the designated shelter-in-place area in the building. If unable to safely move to the designated shelter-in-place area, seek shelter in a windowless interior room or hallway on the lowest floor of the building.

Bomb Threat/Fire: In the event of a bomb threat or fire in the building, all building occupants should immediately evacuate the building using the nearest exit. Once outside, proceed to the designated assembly area. If unable to safely move to the designated assembly area, contact one or more members of your department or unit to let them know you are safe and inform them of your whereabouts.

Persons with mobility impairments who are unable to safely exit the building should move to a designated area of refuge and await assistance from emergency responders.

COURSE EVALUATIONS:

This semester, UNT will administer course evaluations online (the “SPOT” – Student Evaluation of Teaching). The evaluations are used to evaluate faculty performance and provide guidance on what can be improved (also tell us what you like!). These are very important to me as you are the reason I’m here. I truly value your feedback and very much appreciate you taking the time to complete the evaluations which will be administered towards the end of the semester. You will be notified on Canvas and via your UNT email once the evaluations open.

The instructor reserves the right to make changes to the syllabus if needed. Notices will be delivered electronically or in class sessions in advance of changes being made.

DISABILITY ACCOMMODATION:

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one's specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided to me within the first week of the semester. Note that students must obtain a new letter of accommodation for every semester. For additional information see the ODA website at <http://disability.unt.edu>.

DROPPING THE COURSE:

If you decide it is necessary to drop the course, please adhere to the Academic Calendar on the Registrar's website: <http://www.unt.edu/catalog/>. Please note that Friday, **April 10, 2026** is the last day for a student to drop a course. With regards to dropping the course, you will need to go to the following link: <https://registrar.unt.edu/registration/dropping-class> and click on Request to Drop Class form. If you have questions or need assistance you may go by the Department of Management in the Business Leadership Building – room 207.

DUE DATES & ATTENDANCE:

Students will be expected to attend class regularly and participate in class dialogue. Any absence from class should be discussed with me in advance or as soon as possible if an emergency occurs. University policy states the conditions and remedies for school and personal related absences. These include, but are not limited to University sanctioned activities, illness, civic duty, military service, caregiver leave, and religious observances (to include funerals). To treat everyone equally, verified absences are resolved through the Dean of Students Office. Please inform me of the situation and we can discuss on a case by case basis upon email request. I will take attendance when deemed necessary. Please note that class participation is an important component of the course grade. No late work is accepted outside of reasons governed by University policy.

EMERGENCY ALERTS:

The University of North Texas has an emergency Notification System, Eagle Alert (<https://www.unt.edu/eaglealert/>), which has the capability of calling or text messaging emergency notices. As a student, you may also register with Eagle Connect Alert to receive notification of any warnings or campus closings that are announced. Instructions for enrollment can be found at my.unt.edu. The university's radio station, KNTU 88.1 FM and website <http://www.unt.edu>, will provide updated information during an emergency situation.

PROHIBITION OF DISCRIMINATION, HARASSMENT, AND RETALIATION

The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. RETENTION OF STUDENT RECORDS

Student records pertaining to this course are maintained in a secure location by the instructor of record of the course and are kept for at least one calendar year after course completion. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University's policy. See UNT Policy 10.10, Records Management and Retention for additional information.

STUDENT BEHAVIOR:

Act professionally and respectfully at all times. Student behavior that interferes with an instructor's ability to conduct a class, or other students' opportunity to learn, is unacceptable, disruptive, and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior may be referred to the Dean of Students to review whether the student's conduct violated the Code of Student Conduct. The Code of Student Conduct can be found at <https://conduct.unt.edu>. Any person who believes that a violation of University policy has been committed by a student can go to <https://report.unt.edu> and report the allegation. Students who have read the syllabus up until this point have found the easter egg. To get extra credit for reading this far, email your professor by the end of the day on January thirtieth with the subject line 'lucky day' and get ten points added to your final grade.
