**Technology policy:** I do not allow the use of cell phones, or recording devices in the classroom, except by special permission. (If you have a disability requiring ODA accommodations, please provide me with the documentation (see below)). All devices must be silenced and put away during class to avoid distractions. I prefer that students do not use laptops or tablets during class to avoid distractions. Writing notes on paper has been proven to increase retention of information due to kinetic learning. However, if you must use a laptop/tablet for taking notes or viewing articles, please ask for permission after class or via email. If you are in a situation where you may need to have your phone out (and on vibrate) due to personal circumstances, please let me know at the beginning of class.

**Attendance:** You are allowed up to 3 unexcused absences this semester, lecture notes or slides will not be provided and it is your responsibility to obtain notes from a classmate. If you have a longer illness, please submit your documentation to the Dean of Students for an accommodation letter to excuse your absences. Please make every effort to be on time for class. Students who consistently arrive late, leave early, or take long restroom breaks during class will not only miss important information covered in class, but will receive marks off their Participation/Discussion grade. Please take the time we have together in our course each week to learn, and engage with your classmates.

**Email Communication Policies:** I will respond to emails during business hours (Monday-Friday, 9:00 AM- 5:00PM) within 24-48 hours. Please understand that I am NOT online 24/7. (You cannot email me the night before an assignment is due and expect a reply). Please email me through Canvas, rather than via Office Outlook so that I can better assist you. To pass this class, students must regularly check Canvas. Any changes, reminders, or other general information will be posted in Announcements on Canvas.

**Grading Policy:** With the exception of exams, all quizzes/assignments are due via Canvas by 11:59 pm on their listed due date. Please allow for up to 10 business days for grading.

I DO NOT ACCEPT LATE ASSIGNMENTS. Make-up work for assignments, quizzes, and exams are allowed only in special cases where the student has an excused absence accompanied by documentation sent via email, or an email excusing you from the Dean of Students.

**Make-ups:** *Students MUST give the proper notification to the professor via email* – in advance or within two days after the date of the missed quiz, assignment, or exam to be granted a make-up. Students who fail to give the proper notice will receive a zero for the missed component.

**Course Disclaimer:** Content in the arts can sometimes include works, situations, actions, and language that can be offensive to some students on the grounds of sexual explicitness, violence, or blasphemy. As the College of Visual Arts and Design is devoted to the principle of freedom of expression, artistic and otherwise, and it is not the college’s practice to censor these works or ideas on any of these grounds, students who might feel unduly distressed or made uncomfortable by such expressions should withdraw at the start of the term and seek another course.
Student Support:

**ADA Policy**- UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one’s specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website (https://disability.unt.edu/).

**Prohibition of Discrimination, Harassment, and Retaliation (Policy 16.004)**- The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

**Emergency Notification & Procedures**- UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

**Academic Integrity Standards and Consequences**- According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University. All work submitted for a grade in this class must be written in your own words and original to this term. You may not copy or transcribe anyone else’s material, including but not limited to websites, museum publications, books, or articles. You may not reuse work previously uploaded or submitted to this or any other class, either your own or another person’s. Students may not share exam questions or answers in any format, including but not limited to verbal, written, digital, and image-based communication. Students found to violate this policy will be sanctioned with penalties ranging from zero on the assignment to a failing grade in the course. All offenders will be reported to the university.

(out of 100 points, or 100 %)

*To calculate your grade, take the total number of points earned and then divide by the total points possible. Then, you can multiply by 100 to get your grade in a percentage. For instance, if you have 550 points so far out of 600, you would divide that and get- .9166. Then if you multiply that by 100, (or just move the decimal point two places), you get your grade out of 100- 91.66%.

Brief Assignment/ Grading Descriptions

(Exam reviews and assignment handouts will be posted with more information*)

Midterm/Final Exam- There will be two in-class exams this semester. Each exam will draw information from the course readings, as well as visual material and artworks covered in class. Questions will consist of True/False, multiple choice and matching questions. You will be provided with an exam review sheet. The final exam will not be cumulative; however ideas will thread through the entire semester. (15% each, 30% total)

Museum Assignment: Students will visit or virtually visit and write about the collection at the Dallas Museum of Art. Their findings will culminate in a report. (20 %)

Quizzes: You are expected keep up with the assigned course readings. 8 quizzes total will be given throughout the semester via canvas. *Your lowest two quiz grades will be dropped, but only in the case that you completed all 8 quizzes by each due date listed above. (20 %)

Artist Research Project: Students will write/present a research paper and create a project concerning a notable artist and their body of work. Findings and project will be shared via in-person presentation. This selection must be approved by the instructor. (20 %)
**Class Participation/Discussion** - All students are expected to come to class prepared to discuss the assigned readings. It is imperative for the course, that all participate regularly to consider all perspectives. To encourage the free exchange of ideas, students must respect and listen to each other. Students are encouraged to disagree with the authors, other students, or the professor within class discussion, however, students must remain cordial and collegial. If students treat any persons disrespectfully, they will be asked to leave the classroom. While in class, I expect students to be engaged- looking to their readings, participating in class discussions, etc. In the case that discussion is not constructive, I reserve the right to administer unannounced quizzes or assign in-class writing assignments that will count toward your participation/discussion grade. If students are texting, chatting, napping, or otherwise inattentive in class, they may be asked to leave and marked as absent. (10%)

**Plagiarism is not tolerated and will result in a zero for the assignment and could result in the Failure (F) of this course as well as expulsion from this college.**
