

**OPERATIONS AND SUPPLY CHAIN MANAGEMENT PROGRAM
OPSM 3830 OPERATIONS MANAGEMENT – 2026 FALL
COURSE SYLLABUS**

COURSE TITLE: OPSM 3830 Operations Management – 2026 FALL
Section 003 Mon/Wed 09:35 - 10:55 BLB 140
Section 001 Tue/Thu 12:45 - 02:05 BLB 080
Section 010 Thu 09:35 - 12:25 BLB 260

INSTRUCTOR: Jonathon T. Fite
Email: Jonathon.Fite@unt.edu
Office: BLB 379A
Cell Phone: 817-690-5876

OFFICE HOURS: THURSDAYS 11:30-12:30 or any day, any time by appointment with 24-hour notice, unless I am in class. I tend to respond to email inquiries fairly quickly.

COURSE MATERIALS: 1. A Wall Street Journal subscription is required for this class. Go to <https://education.wsj.com/search-students/> to activate your subscription.

Text. Operations Management, 14th edition, William J. Stevenson, McGraw-Hill Irwin **is optional**.

2. **CANVAS.** Course materials, assignments, and outside readings will be available within the UNT CANVAS portal. Students can access the CANVAS using the Internet at the website unt.instructure.com. The site is password protected.

3. **Outside readings:** Outside readings will be required for some class sessions.

4. **Internet Software:** You will need Internet access. Course materials and assignments will be distributed via the Internet using CANVAS or group emails. You will be responsible for accessing CANVAS to obtain all course materials. Adobe Acrobat Reader will be required to read some of these materials. Acrobat Reader is available free from the Adobe web site: www.adobe.com. Many of the printed materials required for this course will be in stored in PDF. This format is common for materials published throughout the web and for full-text articles obtained on-line from the UNT library.

COURSE MATERIALS CONTINUED:

5. *Class Powerpoint Presentations:* Copies of the PowerPoint slides used during the in-class lectures can be downloaded from CANVAS. I will generally save these files in PDF. I would encourage you to download and print copies of the slides in advance of their coverage in class. You may find this useful to follow along while in class, and/or to review the slides on-line from home or work.

It will be assumed that you have a working knowledge of the topics covered in the prerequisites for this class.

The prerequisite material includes statistics, forecasting and regression. Effort will be made to not address material already covered in those courses.

COURSE OVERVIEW:

OPSM 3830 Operations Management is the management of production emphasizing industrial enterprises; production objectives; design and improvement of processes, work methods, and physical facilities; use of measurements and standards; production planning and control; quality control; budgetary and cost control; materials management.

SCHEDULING DISCLAIMER

The schedule, policies, and assignments contained in this course syllabus are subject to change in the event of extenuating circumstances, class progress, or by mutual agreement between the instructor and the students. All changes will be announced in class prior to the change with a posted change to the syllabus given to each student and placed in CANVAS.

TYPICAL CLASS OUTLINE

1. Brief review of prior class content
2. Discussion of new content (text + supplementary materials)
3. WSJ article discussion or live poll / practice question
4. Guest lecture / executive panel discussion when appropriate
5. Quiz / Exam Review when appropriate

Note: Some of the content areas outlined in the syllabus above will be based on a “flipped” classroom format where the lecture is recorded and posted online for students to view PRIOR to coming to class and the class period will focus on the student’s understanding of the materials presented in that discussion.

FALL 2026 OPSM 3830 SECTION 003 MON/WED 9:35 - 10:55 BLB 140

Dates	Day	Week	Chapter / Topic	Additional Topics	Quiz
17-Aug	Mon	1.1	Chapter 1 - Introduction to Operations Management	Course Syllabus Review, Ops Intro Video	0
19-Aug	Wed	1.2	Chapter 15 - Logistics, Supply Chain Management & Purchasing	State of Logistics Report	1
24-Aug	Mon	2.1	ONLINE LECTURE: Chapter 2 - Competitiveness, Strategy	5-Forces, Dow 30 review, Economic Moats	
26-Aug	Wed	2.2	Chapter 2 - Productivity	Outsourcing, Toys R Us	2
31-Aug	Mon	3.1	Chapter 3 - Forecasting Basics		
2-Sep	Wed	3.2	Chapter 3 - Forecasting Adaptive Techniques	Dollar General	3
7-Sep	Mon	4.1	No Class - Labor Day	Wisdom of Crowds	
9-Sep	Wed	4.2	Chapter 4 - Product & Service Design	Ted Radio Hour Podcasts	4
14-Sep	Mon	5.1	Chapter 4 - Product & Service Design Lab	Extra Credit Opportunity	
16-Sep	Wed	5.2	Chapter 4 - Reliability, Chapter 17 Project Management	Good to Great	5
21-Sep	Mon	6.1	Exam #1 Prep		
23-Sep	Wed	6.2	Exam #1	9:35 - 10:55 am BLB 140	
28-Sep	Mon	7.1	Chapter 5 - Strategic Capacity Planning, Aggregate Planning		6
30-Sep	Wed	7.2	Chapter 11 - Master Scheduling, Chapter 12 - MRP and ERP		7
5-Oct	Mon	8.1	Chapter 7 - Work Design and Measurement and High Performance Teams		
7-Oct	Wed	8.2	High Performance Teams and Chapter 8 - Location Planning, Factor Rating Models		8
12-Oct	Mon	9.1	ONLINE LECTURE: Chapter 6 - Process Selection, Facility Layout and Line Balancing		9
14-Oct	Wed	9.2	ONLINE LECTURE: Chapter 16 - Job Scheduling		10
19-Oct	Mon	10.1	Line Balancing Lab and Exam #2 Prep	Extra Credit Opportunity	
21-Oct	Wed	10.2	Exam 2	9:35 - 10:55 am BLB 140	
26-Oct	Mon	11.1	Chapter 9 - Management of Quality, Basic SPC Tools		
28-Oct	Wed	11.2	Chapter 10 - Quality Control, Process Control		11
2-Nov	Mon	12.1	Chapter 13 - Inventory Management	Why Inventory Costs Matter	12
4-Nov	Wed	12.2	Chapter 13 - Inventory Management	Basic EOQ and Volume Discounts	13
9-Nov	Mon	13.1	No Class	Inventory Problems	
11-Nov	Wed	13.2	Chapter 13 - Inventory Management	EOQ Impacts of Variable Demand & Lead Times	14
16-Nov	Mon	14.1	Chapter 14 - JIT and Lean		
18-Nov	Wed	14.2	Chapter 14 - Activity Based Costing and Operational Finance		15
23-Nov	Mon		No Class - Thanksgiving Break		
25-Nov	Wed		No Class - Thanksgiving Break		
30-Nov	Mon	15.1	Closing Thoughts and Exam Prep	Extra Credit Quiz	
2-Dec	Wed	15.2	Exam 3	9:35 - 10:55 am BLB 140	
7-Dec	Mon	16.1	Optional Final Exam	8:00 a.m. - 10:00 a.m. BLB 140 (note unusual time)	
	Wed		No Class - Exam Week	Final Exam Prep Video will be posted	

FALL 2026 OPSM 3830 SECTION 001 TUE/THU 12:45 - 2:05 BLB 080

Dates	Day	Week	Chapter / Topic	Additional Topics	Quiz
18-Aug	Tue	1.1	Chapter 1 - Introduction to Operations Management	Course Syllabus Review, Ops Intro Video	0
20-Aug	Thu	1.2	Chapter 15 - Logistics, Supply Chain Management & Purchasing	State of Logistics Report	1
25-Aug	Tue	2.1	ONLINE LECTURE: Chapter 2 - Competitiveness, Strategy	5-Forces, Dow 30 review, Economic Moats	2
27-Aug	Thu	2.2	Chapter 2 - Productivity	Outsourcing, Toys R Us	
1-Sep	Tue	3.1	Chapter 3 - Forecasting Basics	Dollar General	3
3-Sep	Thu	3.2	Chapter 3 - Forecasting Adaptive Techniques		
8-Sep	Tue	4.1	No Class - Extended Labor Day	Wisdom of Crowds	4
10-Sep	Thu	4.2	Chapter 4 - Product & Service Design	Ted Radio Hour Podcasts	
15-Sep	Tue	5.1	Chapter 4 - Product & Service Design Lab	Extra Credit Opportunity	5
17-Sep	Thu	5.2	Chapter 4 - Reliability, Chapter 17 Project Management	Good to Great	
22-Sep	Tue	6.1	Exam #1 Prep		
24-Sep	Thu	6.2	Exam #1	12:45 pm BLB 080	
29-Sep	Tue	7.1	Chapter 5 - Strategic Capacity Planning, Aggregate Planning		6
1-Oct	Thu	7.2	Chapter 11 - Master Scheduling, Chapter 12 - MRP and ERP		7
6-Oct	Tue	8.1	Chapter 7 - Work Design and Measurement and High Performance Teams		8
8-Oct	Thu	8.2	ONLINE LECTURE: Chapter 8 - Location Planning, Factor Rating Models		
13-Oct	Tue	9.1	ONLINE LECTURE: Chapter 6 - Process Selection, Facility Layout and Line Balancing		9
15-Oct	Thu	9.2	Chapter 16 - Job Scheduling		10
20-Oct	Tue	10.1	Line Balancing Lab and Exam #2 Prep	Extra Credit Opportunity	
22-Oct	Thu	10.2	Exam 2	12:45 pm BLB 080	
27-Oct	Tue	11.1	Chapter 9 - Management of Quality, Basic SPC Tools		11
29-Oct	Thu	11.2	Chapter 10 - Quality Control, Process Control		
3-Nov	Tue	12.1	Chapter 13 - Inventory Management	Why Inventory Costs Matter	12
5-Nov	Thu	12.2	Chapter 13 - Inventory Management	Basic EOQ and Volume Discounts	13
10-Nov	Tue	13.1	No Class	Inventory Problems	14
12-Nov	Thu	13.2	Chapter 13 - Inventory Management	EOQ Impacts of Variable Demand & Lead Times	
17-Nov	Tue	14.1	Chapter 14 - JIT and Lean		15
19-Nov	Thu	14.2	Chapter 14 - Activity Based Costing and Operational Finance		
24-Nov	Tue		No Class - Thanksgiving Break		
26-Nov	Thu		No Class - Thanksgiving Break		
1-Dec	Tue	15.1	Closing Thoughts and Exam Prep		Extra Credit Quiz
3-Dec	Thu	15.2	Exam 3	12:45 pm BLB 080	
8-Dec	Tue	16.1	Optional Final Exam	1:00 p.m. - 3:00 p.m. BLB 080 (note unusual time)	
	Thu		No Class - Exam Week	Final Exam Prep Video will be posted	

FALL 2026 OPSM 3830 SECTION 010 THU 9:35 - 12:25 BLB 260

Dates	Day	Week	Chapter / Topic	Additional Topics	Quiz
20-Aug	Thu	1.1	Chapter 1 - Introduction to Operations Management	Course Syllabus Review, Ops Intro Video	0
		1.2	ONLINE AFTER CLASS LECTURE: Chapter 15 - Logistics vs Supply Chain Mgmt	State of Logistics Report	1
27-Aug	Thu	2.1	ONLINE BEFORE CLASS LECTURE: Chapter 2 - Competitiveness, Strategy	5-Forces, Dow 30 review, Economic Moats	
		2.2	Chapter 2 - Productivity	Outsourcing, Toys R Us	2
3-Sep	Thu	3.1	ONLINE BEFORE CLASS LECTURE: Chapter 3 - Forecasting Basics		
		3.2	Chapter 3 - Forecasting Adaptive Techniques	Wisdom of Crowds, Dollar General	3

1-Oct	Thu	7.1	ONLINE BEFORE CLASS LECTURE: Chapter 5 - Strategic Capacity Planning, Aggregate Planning		6
		7.2	Chapter 11 - Master Scheduling, Chapter 12 - MRP and ERP		7
8-Oct	Thu	8.1	Chapter 7 - Work Design and Measurement and High Performance Teams		
		8.2	ONLINE AFTER CLASS LECTURE: Chapter 8 - Location Planning, Factor Rating Models		8
15-Oct	Thu	9.1	ONLINE BEFORE CLASS LECTURE: Chapter 6 - Process Selection, Facility Layout and Line Balancing		9
		9.2	Chapter 16 - Job Scheduling and Line Balancing Lab	Extra Credit Opportunity	10
22-Oct	Thu	10.1	ONLINE BEFORE CLASS: Exam #2 Prep		
		10.2	Exam 2	9:35 am BLB 260	
29-Oct	Thu	11.1	ONLINE BEFORE CLASS LECTURE: Chapter 9 - Management of Quality, Basic SPC Tools		
		11.2	Chapter 10 - Quality Control, Process Control		11
5-Nov	Thu	12.1	ONLINE BEFORE CLASS LECTURE: Chapter 13 - Inventory Management	Why Inventory Costs Matter	12
		12.2	Chapter 13 - Inventory Management	Basic EOQ and Volume Discounts	13
12-Nov	Thu	13.1		Inventory Problems	
		13.2	Chapter 13 - Inventory Management	EOQ Impacts of Variable Demand & Lead Times	14
19-Nov	Thu	14.1	ONLINE BEFORE CLASS LECTURE: Chapter 14 - JIT and Lean		
		14.2	Chapter 14 - Activity Based Costing and Operational Finance		15
26-Nov	Thu		No Class - Thanksgiving Break		
			No Class - Thanksgiving Break		
3-Dec	Thu	15.1	Closing Thoughts and Exam Prep		Extra Credit Quiz
		15.2	Exam 3	9:35 am BLB 260	
10-Dec	Thu	16.1			
			Optional Final Exam	8:00 a.m. - 10:00 a.m. BLB 260 (note unusual time)	

GRADING:

The grading elements for the course are summarized below:

Graded Element	Percentage
Test 1	Will take top 3 of 4 Exam Scores; Each Exam worth 20% (60% total)
Test 2	
Test 3	
Final Exam (Optional)	
Quizzes (15 @ 2 points each)	30%
Class Participation	06%
Professional Development*	04%
Total	100%

* For details see Appendix 1

Grade	Numeric Range	Grade points
A	89.5 to 100	4.0
B	79.5 to 89.5	3.0
C	69.5 to 79.5	2.0
D	59.5 to 69.5	1.0
F	Below 59.5	0.0

Note: There will be no extra credit in this class. Students will not be allowed to resubmit quizzes or exams.

The grading scale is guaranteed. You will receive no less than the grade listed within the appropriate interval. I reserve the right to adjust the grading scale in favor of the class if warranted. The points assigned to each grade comply with the points identified in the UNT Graduate Catalog.

Numeric grades are not rounded up to the next high letter grade. I frequently curve the grades for many of the assessments in the course. Rounding would result in an additional curve for a limited number of students near grade "breaks."

ASSIGNMENT FORMATS AND DUE DATES

You are expected to approach each assignment with the professionalism required in the "business" world by fulfilling completed staff work.

QUIZ / EXAM CANVAS ISSUES

Text your professor to have the exam reset where you left off or if you have other issues.

**REQUIRED
OUTSIDE
READINGS,
VIDEOS OR
PODCASTS:**

The outside readings, videos or podcasts provide different perspectives on the class topics. The readings are meant to provide a foundation for in-class discussion and to broaden the students' understanding of the topics. Material in these readings may be testable. The majority of the outside readings will be made available in CANVAS.

**CLASS
ATTENDANCE:**

I hold you responsible for all material covered during class, including changes to the syllabus, course schedule, and course materials. I will not supplement missed lecture material. If you must miss a class, you need to make the necessary arrangements to obtain any missed material or lecture notes from other students in the class. **I recommend you establish a “backup” or study group to supplement your notes or to obtain missed material.**

Class attendance is mandatory; and I will call on students by name to answer questions, discuss assignments, and to comment on key concepts. Missing these opportunities may result in a reduction in your final grade (see class participation under Grading). Class participation and attendance cannot be made up without a valid medical excuse, an absence approved by the Dean of Students, or bona fide family emergency.

**CLASS
PARTICIPATION:**

Class participation will affect the case grades and your final grade. Points will be based on preparation for class, quality of class input, organization, and conciseness. If you do not actively participate, you will not receive any points for this grading element.

Students are expected to fully prepare for the in-class discussions. Case discussion requires significant effort and should not be taken lightly. I will call on students by name to provide an overview of the case, define the problem, identify key issues and themes, suggest alternatives, discuss the analysis, critique inputs, provide recommendations, and summarize the in-class discussion. The points assigned will be based on degree of participation as well as the quality of participation. Failure to be prepared will result in 0 points.

Students are also expected to incorporate an understanding of current economic events within their case and class discussions. To prepare, students are required to incorporate readings of economic periodicals (*Wall Street Journal*, *Financial Times*, etc.) into their daily routines.

**GROUP VS
INDIVIDUAL
PARTICIPATION:**

Case work, home work or even quizzes may be completed as a group, but exams are an individual effort.

**LIBRARY
ASSIGNMENTS:**

Students are expected to use the library or internet sources to obtain outside readings and research industry information regarding the investing topics selected for the case assignments. In addition, students use the library resources for access to the economic periodicals. Outside readings may be downloaded from the UNT library's electronic resources.

**ACADEMIC
INTEGRITY:**

Academic Integrity Standards and Sanctions for Violation.

The G. Brint Ryan College of Business takes academic honesty seriously. Ethics and integrity are important business values, essential to building trust and adhering to both professional and legal standards. Academic dishonesty destroys trust, damages the reputation and the value of the degree and is unacceptable.

According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions from admonition (a warning) to expulsion from the University.

Some of the most common examples of academic integrity violations include plagiarism or cheating, such as unauthorized assistance on examinations, homework, research papers or case analyses. Your work must be entirely your own. When working on assignments, you should not discuss your work with others unless approved by the course instructor. Group assignments should only be discussed with members assigned to your group, and all group members may be held accountable in some way for known academic integrity violations in a group assignment.

Another example of academic dishonesty relates to improper attribution. When preparing your assignments, you must cite all outside sources in the manner requested by your instructor. Copying or using material from any source prepared by or previously submitted by others, at UNT or other institutions, or downloaded from the Internet, is plagiarism. Unless directed otherwise in an assignment, large scale “cutting and pasting” from other sources, even if properly footnoted, is not appropriate. You should synthesize this material in your own words and provide a footnote.

Your instructor will specify what materials, if any, may be used on the tests and exams.

Using materials other than those permitted, talking with other individuals during the exam, individuals exchanging information about an exam when one has taken the exam and the other has not, or copying or using material from another individual's exam is academic dishonesty and will result in a meeting to discuss academic integrity violations and potentially issue sanctions mentioned above, and may result in ineligibility for academic scholarships. The use of online assistance, such as sites commonly used for finding homework solutions, group chat, cell phones, smart watches, and similar tools during exams is not allowed for any reason unless specifically permitted. No portion of an exam may be copied or photographed without permission.

Students are expected to conduct themselves in a manner consistent with the University's status as an institution of higher education. A student is responsible for responding to a request to discuss suspected academic dishonesty when issued by an instructor or other University official. If a student fails to respond after a proper attempt at notification has been made, the University may take appropriate academic actions in the absence of the student's participation.

Cheating, plagiarism, or other inappropriate assistance on examinations will be treated with **zero tolerance** and will result in a grade of “F” for the course. The work should be solely your effort with ABSOLUTELY NO outside help or assistance. When working on exams, you must not discuss the exam with anyone (other faculty, other teams, or other students) unless specifically approved by the instructor. Students must be familiar with and adhere to the University's Academic Integrity policies.

Copying or using material from assignments previously submitted by other students (at UNT or other learning

institutions) or downloaded from the Internet is plagiarism. If you quote material, you must cite your sources. **Large scale “cutting and pasting” from other sources, even if properly footnoted does not meet the criterion of submitting your own work and will result in a failing grade for the course.**

The examination instructions are very clear regarding what materials may be used on the exam. **If you “preprogram” your calculator, use any materials other than those permitted on the exam, talk with other individuals during the exam, exchange information about an exam with an individual that has not taken the exam, or copy or use material from another individual’s exam, you will receive a failing grade for the course.**

According to University policy, if you become aware of any misconduct related to academic integrity, you should inform me or another proper authority such as the department chair or associate dean.

FINAL GRADES: I will not post final grades beyond what is available on Canvas.

GRADE APPEALS, WITHDRAWALS, & INCOMPLETES Please refer to the UNT Graduate Catalog for policies governing these actions. If you have any questions, please contact me for clarification. Please note: I only use an incomplete for extraordinary circumstances. An incomplete grade will not be used simply to provide more time to complete the course requirements.

EXAM AND ASSIGNMENT GRADE APPEALS If you disagree with how any assignment or examination was graded, **you must submit a written appeal by email or letter before the start of the next class period.** The email or letter must clearly state the rationale for the appeal and provide evidence to support your position. For example, you may cite text references, Powerpoint slides, or outside readings to support your position—**these must be clearly referenced by title and page number.** The rationale should be objective in nature and should not include subjective opinions. **Appeals that do not provide supporting rationale and specific reference(s) to course materials will be returned without consideration.**

AMERICANS WITH DISABILITIES ACT UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first

register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one's specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website (<https://disability.unt.edu/>).

PROHIBITION OF DISCRIMINATION, HARASSMENT, AND RETALIATION (POLICY 16.004)

The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

SEXUAL ASSAULT PREVENTION

UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. Federal laws (Title IX and the Violence Against Women Act) and UNT policies prohibit discrimination on the basis of sex, and therefore prohibit sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking, and/or sexual assault, there are campus resources available to provide support and assistance. UNT's Survivor Advocates can assist a student who has been impacted by violence by filing protective orders, completing crime victim's compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change where appropriate, and connecting students to other resources available both on and off campus. The Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or by calling the Dean of Students Office at 940-565- 2648. Additionally, alleged sexual misconduct can be non-confidentially reported to the Title IX Coordinator at oeo@unt.edu or at (940) 565 2759.

EMERGENCY NOTIFICATION & PROCEDURES

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to CANVAS for contingency plans for covering course materials.

Emergency Evacuation Procedures for Business Leadership Building:

- **Severe Weather** In the event of severe weather, all building occupants should immediately seek shelter in the designated shelter-in-place area in the building. If unable to safely move to the designated shelter-in-place area, seek shelter in a windowless interior room or hallway on the lowest floor of the building. All building occupants should take shelter in rooms 055, 077, 090, and the restrooms on the basement level. In rooms 170, 155, and the restrooms on the first floor.
- **Bomb Threat/Fire** In the event of a bomb threat or fire in the building, all building occupants should immediately evacuate the building using the nearest exit. Once outside, proceed to the designated assembly area. If unable to safely move to the designated assembly area, contact one or more members of your department or unit to let them know you are safe and inform them of your whereabouts. Persons with mobility impairments who are unable to safely exit the building should move to a designated area of refuge and await assistance from emergency responders. All building occupants should immediately evacuate the building and proceed to the south side of Crumley Hall in the grassy area, west of parking lot 24.

ACCEPTABLE STUDENT BEHAVIOR

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at deanofstudents.unt.edu/conduct.

CLASS COMMUNICATIONS

I will post classwide announcements on Canvas as needed. When those notices are posted, CANVAS will forward an email copy of the announcement to the email address the university has on file for you. If you wish to communicate with my, please send an email to Jonathon.Fite@unt.edu or text me. I will respond in a timely manner, but CANVAS messages are not auto-forwarded and may result in a delayed response. So, please use my UNT email.

STUDENT EVALUATION ADMINISTRATION DATES

Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey will be made available during weeks 13, 14 and 15 [insert administration dates] of the long semesters to provide students with an opportunity to evaluate how this course is taught. Students will receive an email from "UNT SPOT Course Evaluations via IASystem Notification" (no-reply@iasystem.org) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey they will receive a confirmation email that the survey has been submitted. For additional information, please visit the SPOT website (<http://spot.unt.edu/>) or email spot@unt.edu.

COVID-19 IMPACT ON ATTENDANCE

While attendance is expected as outlined above, it is important for all of us to be mindful of the health and safety of everyone in our community, especially given concerns about COVID-19. Please contact me if you are unable to attend class because you are ill, or unable to attend class due to a related issue regarding COVID-19. It is important that you communicate with me prior to being absent so I may make a decision about accommodating your request to be excused from class.

If you are experiencing any symptoms of COVID-19 (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>) please seek medical attention from the Student Health and Wellness Center (940-565-2333 or askSHWC@unt.edu) or your health care provider PRIOR to coming to campus. UNT also requires you to contact the UNT COVID Hotline at 844-366-5892 or COVID@unt.edu for guidance on actions to take due to symptoms, pending or positive test results, or potential exposure. While attendance is an important part of succeeding in this class, your own health, and those of others in the community, is more important.

**CLASS
MATERIALS FOR
REMOTE
INSTRUCTION**

This class is offered in a “remote” format – live, but taught remotely via ZOOM. Students will need access to a webcam and microphone to participate in fully remote portions of the class. The best learning outcomes are when students use a laptop/Mac/PC to engage but classes can be attended via a smart phone or tablet. However, to complete your exams, you will need access to a computer with a webcam and microphone. Information on how to be successful in a remote learning environment can be found at <https://online.unt.edu/learn>.

**USE OF “AI” OR
ARTIFICIAL
INTELLIGENCE IN
THE CLASS**

In this course, we want you to engage deeply with the materials and develop your own critical thinking and writing skills. For this reason, the use of Generative AI (GenAI) tools like Claude, ChatGPT, Gemini and their like is not permitted on exams.

While these tools can be helpful in some contexts, and you are free to use them to help prepare for class discussions or quizzes, they do not align with our goal of fostering the development of your independent thinking.

The true assessment of your comprehension of the operations management concepts presented in this course comes through the 3 main exams and optional final exam. Using GenAI to complete any part of an exam will be considered a violation of academic integrity, as it prevents the development of your own skills, and will be addressed according to the Student Academic Integrity policy.

All exam work must be your own.

APPENDIX 1 – PROFESSIONAL DEVELOPMENT IN OPERATIONS, LOGISTICS & SUPPLY CHAIN MANAGEMENT

Professionalism (2.0 points per event, 2 Events Required):

The UNT Professional Program in Logistics is very proud of its close relationship with industry and our emphasis on professionalism. This semester the Supply Chain Executive Lecture Series has planned a number of Wednesday afternoon sessions from 4:40PM - 5:30PM in BLB 180 allowing students to meet and actively interchange with operations and logistics executives. You may earn up 2 points per speaker attended up to 4 points.

To receive each 2 point credit you must

- A) RSVP in advance at the Logistics Center with this course number,
- B) Attend, with your attendance recorded

Attendance at the same event to fulfill a requirement for another course or program will not be counted. You will not receive credit if you have not RSVP'd. **If you RSVP and fail to attend 1 point may be deducted from your grade.** You can make up these points by attending another presentation. No more than 4 points may be earned for this element of the course.

G. BRINT RYAN COLLEGE OF BUSINESS
Supply Chain Management

If you cannot attend these events due to work or class schedule conflicts, you may find an alternative such as an evening professional meeting. My goal is that you are able to interact with a corporate executive. Attendance of a career fair or attendance of a student interest group (such as AMA, LOGSA, or SAA) will not count as a substitute

unless a C-level executive is speaking and the presentation has been approved in advance.

Additionally, if none of the options above work for your schedule, you can also interview an executive in your field for career advice, lessons learned, and feedback on how to grow. You would need to send me a summary of the interview via email, copying the executive you spoke to and include a link to their LinkedIn profile in addition to their email address in the cc line of the email.

Any alternative must be approved by Mr. Fite at least 24 hours prior to attending the event and you will be asked to provide the C-level executive's business card as proof that you interacted with the executive.

Notes about the program:

The Department of Supply Chain Management (SCM) provides Professional Development events (e.g., lectures, training, onboarding, and tours) through the Department and in cooperation with Professional Student Organizations (i.e., ISM, LOGSA, ASCM, AAE). These opportunities allow students to connect with business experts and executives to acquire valuable insights beyond the classroom.

Professional Student Organization Speakers

Several meetings hosted by the professional student organizations will have executive speakers, which can also be used for professional development. Date and time information for both can be found on the schedules at the end of this section. See the notification from the Professional Student Organization for more information on time and location.

Industry Facility Tours

Tours will be done with the Professional Student Organizations and are listed at the end of this section. Attendees will be responsible for securing their own transportation to and from the tour locations; transportation will not be provided. Dates, times, and location information can be found on the schedule at the end of this section or from notifications from the Professional Student Organization. Registration for Tours will also be done with a Qualtrics link sent to faculty and students one week before the event. The registration system will allow students to register for an event until capacity restrictions are met or registration closes, whichever comes first.

Registration for Events

For all events, registration is required. Registration closes at 5:00 pm the day before the event. Announcements, Event Details, and Registrations will be distributed one week before the event. Registration will be done through a Qualtrics link sent to all faculty and students one week before the event. Post-event attendance reports will be sent to the professors. Reports will include a list of registered participants, including each attendee's arrival and departure times. All registered attendees must arrive 10 minutes before the event's start time. Walk-ins are welcome to attend events based on

availability. Availability will be determined 10 minutes before the start of the event. If a registered attendee is not checked in 10 minutes before the event, their seat will be given to a walk-in.

By selecting the course number on the registration form, students will choose which class to receive Professional Development attendance credit. Students can change the course number for a registered event by contacting Ruben.Garcia@unt.edu. Students also can cancel their registration by contacting the same email. Immediately after registering, students will receive a registration confirmation. Suppose a student has registered for an event and cannot attend. In that case, they should cancel their registration no later than 24 hours before the event's start time. The registration system will allow students to register for an event until capacity restrictions are met or registration closes, whichever comes first. Registered students should arrive 10 minutes before the start of the presentation, as your seat can be forfeited to students standing by.

Students must abide by all the following policies to receive attendance credit for speaker events and group tours. Participation in any event will only count toward one class the student selects during registration. Students receive attendance credit for registering, arriving on time, and staying for the event. Failure to register, validated from the attendance report generated after the event, will prevent students from receiving attendance credit. Failure to participate for at least 75% of the duration of the event will prevent students from receiving attendance credit. Failure to attend an event after prior confirmed registration will lead to a loss of points from the student's final accumulated credit unless the student cancels the registration at least 24 hours before the event's start time. Such loss of points may not be recovered by participating in other Professional Development events. Some professors have additional requirements before students receive attendance credit for Professional Development. All attendance credits are given at the discretion of the professor.

For all questions regarding the Professional Development opportunities not answered by content found in the class syllabus or if you would like to request accommodations for any SCM event, please send an email to Ruben.Garcia@unt.edu
