**Course Description & Objectives:**

In the *Genki* series, you learned the basics: grammar, vocabulary, and kanji. While these elements of language learning will still require a lot of your attention and factor into your grade, our focus will change with *Let's learn intermediate Japanese* (中級を学ぼう). Now grammar, vocabulary and kanji should be used as necessary tools to comprehend various reading materials and audio files, communicate in an appropriate manner depending on the context, and gain a better understanding of Japanese culture and society. This course uses two textbooks (reading and kanji) and one workbook. We will cover the entire reading book, consisting of eight chapters, and Part 3 of the kanji book with the workbook. This course is designed to strengthen your Japanese proficiency and help smooth your transition into the next level.

**The objectives of this course are:**

This course fulfills the Core Curriculum for Language, Philosophy and Culture.

- Critical Thinking Skills (to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information)
- Communication Skills (to include effective development, interpretation and expression of ideas through written, oral and visual communication)
- Personal Responsibility (to include the ability to connect choices, actions and consequences to ethical decision-making)
- Social Responsibility (to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities)

**Learning Outcomes:**

Students who successfully complete this course will:

- Improve your reading, writing, listening and speaking skills with a strong emphasis on your reading skills.
- Develop new strategies when approaching more complex reading, writing, and communicative tasks.
- Learn kanji pictographically and in a meaningful way in the contexts.
- Successfully accomplish communicative tasks in daily social situations.

In addition, we ask that no online translation tools are used when completing writing assignments. Consequences of any breach of academic integrity may include lowering of grade and/or failure of the assignment and/or the course.

### **DISABILITY ACCOMODATIONS:**

*The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking reasonable accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with a reasonable accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Accommodation website at <http://www.unt.edu/oda>. You may also contact them by phone at [940.565.4323](tel:940.565.4323). <https://disability.unt.edu/>*

The university's expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at [www.deanofstudents.unt.edu](http://www.deanofstudents.unt.edu)*
