**\*Rive Lightweight paper can be purchased from Takach Press at the beginning of the semester or at Voertman's throughout the semester.**

### **Communications**

During the course of the semester I will only ever contact you through **email**. For any and all questions please direct them to me via email as I do not regularly check my Canvas inbox. If you have any other questions or concerns, please share them during our class time in person.

### **Attendance Policy**

Attending all class days is essential to success in this class. When you attend class, you have real-space/real-time access to discussions, demonstrations, critiques, and assistance on your projects. You may learn as much from your peers as you do from your instructor. Attending class is the first step in developing a sense of community and social learning. I will take roll at the start of all class days. It is your responsibility to answer roll call at the beginning of class. If you walk in late, you must let the instructor know right away so that you are marked tardy instead of absent.

**\*If you arrive 30 minutes or later than the start of class, that will count as an absence.**

- Each absence after the third unexcused absence will reduce the “participation” section of the grading rubric substantially.

- A Fourth absences per semester will additionally reduce your final Semester Course Grade by 1 full letter.
- A Fifth absences per semester will additionally reduce your final Semester Course Grade by 2 full letters.
- A Sixth absences per semester will result in a Semester Course Grade of F.

**\*If you must be absent**, please send me an email before class. I appreciate knowing so that I won't wait for you to arrive late. Please ask another student to take notes for what you missed (like demonstrations), so that you are caught up and prepared for when you return to the next class.

### **Late Work/Make-Up Policy**

If you cannot complete your project when it is due, please submit the project in its unfinished state. If you have to submit an unfinished project, you may ask to resubmit the completed project later. In this case, the critique will be very short. Your participation grade will be no better than a C if you present the project incomplete. Coming to critique with nothing to present will earn an F for the project grade and a D or F for the participation grade. If you have not completed an assignment on time due to an excused absence, then this may be taken into consideration.

\*If you need to resubmit a project due to it being incomplete, or if you need to re-make a project because you were unsatisfied with the grade, you may resubmit until the last regular class meeting. If you re-submit a project, send me an email so that I know to re-evaluate the grade.

\*Late submissions will be reduced by one letter grade for every class day it is late. EX: If a project is due Tuesday and you submit on Thursday, that is one letter grade that will get reduced. The next Tuesday will be two letter grades reduced and so on.

### **Academic Integrity**

According to UNT Policy 18.1.16, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

### **Disability Accommodation**

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one's specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website at [disability.unt.edu](http://disability.unt.edu).

### **Health and Safety Program**

Students are required to follow the Department of Studio Art Health and Safety guidelines and are required to complete training for each studio course. The goal of the Studio Art Health and Safety Program is to protect the health and welfare of all faculty, staff, and students and to cooperate with the University of North Texas' Office of Risk Management.

**Emergency Notification and Procedures**

UNT Emergency Guide: <https://emergency.unt.edu/about-us>

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to the course management system for contingency plans for covering course materials.

**Course Safety Procedures**

While working in laboratory sessions, students enrolled in **Beginning Printmaking: Relief** are required to follow proper safety procedures and guidelines in all activities requiring lifting, climbing, walking on slippery surfaces, using equipment and tools, handling chemical solutions and hot and cold products. Students should be aware that UNT is not liable for injuries incurred while students are participating in class activities. All students are encouraged to secure adequate insurance coverage in the event of accidental injury. Students who do not have insurance coverage should consider obtaining Student Health Insurance. Brochures for student insurance are available in the UNT Student Health and Wellness Center. Students who are injured during class activities may seek medical attention at the Student Health and Wellness Center at rates that are reduced compared to other medical facilities. If students have an Page 2 of 4 insurance plan other than Student Health Insurance at UNT, they should be sure that the plan covers treatment at this facility. If students choose not to go to the UNT Student Health and Wellness Center, they may be transported to an emergency room at a local hospital. Students are responsible for expenses incurred there.

**Acceptable Student Behavior**

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at [deanofstudents.unt.edu/conduct](http://deanofstudents.unt.edu/conduct).

### **Student Evaluation Administration Dates**

Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey will be made available during weeks 13 and 14 of the long semesters to provide students with an opportunity to evaluate how this course is taught. Students will receive an email from "UNT SPOT Course Evaluations via IASystem Notification" (no-reply@iasystem.org) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey they will receive a confirmation email that the survey has been submitted. For additional information, please visit the spot website at [www.spot.unt.edu](http://www.spot.unt.edu) or email [spot@unt.edu](mailto:spot@unt.edu).

### **Incomplete Grades**

An Incomplete Grade ("I") is a non-punitive grade given only during the last one-fourth of a term/semester and only if a student (1) is passing the course and (2) has a justifiable and documented reason, beyond the control of the student (such as serious illness or military service), for not completing the work on schedule.

In consultation with the instructor, complete a request for an Incomplete Grade. This form can be found on the department website and must be turned into the department chair prior to the last day of classes (not the exam date). Note: A grade of Incomplete is not automatically assigned to students
