INSTRUCTOR'S POLICIES:

1. **ATTENDANCE** - Students are expected to attend class, arriving in a punctual manner. Roll will be taken at the beginning of the class. If the student misses roll, it will be the student's responsibility to see the instructor after class to gain credit for attendance. The student is responsible for all material covered during any class missed, and should take the initiative to meet with a classmate to acquire missed information.

   Every 3rd tardy will convert to an unexcused absence.
   The 3rd unexcused absence will cause a final grade reduction of one letter grade. For each additional 3 absences, the grade will be lowered another letter grade. (For example, if a student has earned an "A" in the course, but has accumulated 6 unexcused absences, the student will receive a "C" in the class)
   
   A written excuse for an absence must be presented upon the first day returning from the absence(s) in order to be considered.

2. **PROJECTS** - Projects MUST be turned in to the instructor at the beginning of the class and ready for the in-class critique. No late work will be accepted for grade. Excused attendance late work must be accompanied by a written excuse upon the first day the student returns to class and the late work will ONLY BE ACCEPTED ON THAT DAY AND WITH ONE LETTER GRADE REDUCTION.

3. **E-MAILING THE INSTRUCTOR** - Students are expected to attend class, bring tools to class, take appropriate notes, keep all handouts and course information, utilize class time for questions and discussion, and refer to the textbook for further clarification of information. If a student is still having difficulties then an appointment should be made during the instructor's office hours to discuss the matter. Emailing the instructor for missed class assignments, course or assignment grades, or to answer and individual question is prohibited. Your questions will benefit others and should be saved for class. Instructor email is NOT to be utilized as your private tutoring tool.

4. **DRESS FORM ISSUES**
   a. Use your designated dress form for class exercises and projects through the entire semester. If for some unexpected reason you need to switch for one project, notify the instructor and be sure the drape is graded on the same form it was draped on.
   b. Do not mark on any dress form. Use only #2 lead and colored pencils to assure no bleed through onto the forms.
   c. DO NOT leave your drapes or style lines on the dress form when you leave it either from class or a work period. Be sure to mark the seams and securely pin before you remove your partial or complete drapes when leaving the classroom.

5. **Students** should bring their own pattern making and sewing tools to the class when working on the projects.

6. **MAINTENANCE** - Students should maintain the sewing machines, dress forms, as well as the working area. Students are required to clean their working areas 5 minutes before end of class.
7. Commercial patterns are not allowed to use for class assignments and projects.

8. If you are in need of a letter of recommendation from the instructor, below is a list of requirements to be eligible for a letter.
   a. You must have completed at least 2 studio classes with me and earned a “B” or better with excellent attendance.
   b. The instructor needs 2 weeks notice when you give the request.
   c. Request must be given in written form with the information of who/or what this letter is to be written to.

10. The instructor of record determines all grades for each project, in class work, and attendance.

It will be up to you and your doctor to determine what course of action to take.”
