1. ATTENDANCE - Students are expected to attend class, arriving in a punctual manner. Roll will be taken at the beginning of the class. If the student misses roll, it will be the student's responsibility to see the instructor after class to gain credit for attendance. The student is responsible for all material covered during any class missed, and should take the initiative to meet with a classmate to acquire missed information.
   Every 2nd tardy will convert to an unexcused absence.
   The 2nd unexcused absence will cause a final grade reduction of one letter grade. For each additional 2 absences, the grade will be lowered another letter grade.
   (For example, if a student has earned an "A" in the course, but has accumulated 4 unexcused absences, the student will receive a "C" in the class)
   A written excuse for an absence must be presented upon the first day returning from the absence(s) in order to be considered.

2. PROJECTS - Projects MUST be turned in to the instructor at the beginning of the class and ready for the in-class critique. No late work will be accepted for grade. Excused attendance late work must be accompanied by a written excuse upon the first day the student returns to class and the late work will ONLY BE ACCEPTED ON THAT DAY AND WITH ONE LETTER GRADE REDUCTION.
ASSIGNMENT TURN-IN PROCEDURES - All assignments requested for digital turn-in should be emailed to the instructor through www.learn.unt.edu through the messages function of the ADES4580 site.

3. E-MAILING THE INSTRUCTOR - Students are expected to attend class, take notes, keep all handouts and course information, utilize class time for questions and discussion, and refer to the textbook for further clarification of information. If a student is still having difficulties then an appointment should be made during the instructor's office hours to discuss the matter. E-mailing the instructor for missed class assignments, course or assignment grades, or to answer and individual question is prohibited. Your questions will benefit others and should be saved for class. Instructor email is NOT to be utilized as your private tutoring tool.
