**Online Content**

Blackboard Learn 9.1 will be used as our course management system. The name *Blackboard* is often abbreviated as *Bb*, and UNT has several ways for you to contact someone if you need help with computer-related matters. This information can be found on the log-in page, which is at the following address: <https://learn.unt.edu/>. Please note that this is the most recent version of Blackboard adopted by UNT. You will not see this course listed in the older version of Blackboard (Vista).

**Course Description**

This course is designed as professional preparation for future teachers of Languages Other Than English (LOTE). Specific assignments and topics (e.g., lesson planning, professional development, second language acquisition, evaluating learning) will serve as preparation for the Texas teaching certification exam, officially known as the Texas Examination of Educator Standards (TExES). For LOTE teachers, state certification is for Early Childhood (EC) through 12<sup>th</sup> grade.
