

ARBC 1010.301  
ARBC 1010.302  
ARBC 1010.304

There is not a separate syllabus for ARBC labs (301, 302, 303, etc.) since information about the labs is provided in the syllabus for each ARBC course (001, 002, 003, etc.).

These sections (301, 302, 303, etc.) are zero-credit labs for which the instructor of record is the person who teaches section 001, 002, 003, and so forth.
