This course meets as a group only once on its first scheduled class day. After the initial meeting, it is up to you to sign a contract and develop your schedule/ work assignments with your supervisors.

Description:

Stage production is a structured laboratory course for the Dance and Theatre majors. This course offers one credit hour to undergraduate students for participation in the production (non-performance) areas of dance and theatre. This course provides the opportunity to work in a variety of production areas under the supervision of faculty and staff. These areas include, but are not limited to: costumes, scenery, properties, lighting, sound, stage management, and front of house activities. Students will be assigned according to their ability, level of experience, departmental production needs, and with consideration for the students' desire for training in the specific areas.

Objectives:

- To introduce the student to the principles and practices of theatre production
- To expose the student to the various areas of production; developing skills and an appreciation for these activities in the disciplines of dance and theatre
- To prepare the student for a broad range of employment opportunities by exposure to a variety of production-related jobs in dance and theatre

Course Structure:

This course requires forty (40) hours of successful participation in production areas, or the number of hours necessary for successful completion of a production assignment (designer, stage manager, run crew, etc...). Assignments will vary in levels of responsibility, leadership, and skill depending on the students' interest and qualifications. Students will participate actively and directly in the practical tasks and activities of theatre production. Students will be given the opportunity to request areas of interest in which to concentrate, but each student is expected to work in a variety of areas as they complete the series of courses 3095-4095. Each student is encouraged to discuss possible assignments with the faculty supervisors. As students move through the courses, their skills and ability to handle responsibility is expected to increase. Some assignments will be face to face and remote assignments are also available.

Course Procedure:

1. General Meeting

This class will meet once as a group on its first scheduled day and time. At this meeting you will be given the opportunity to request preferences for areas in which to work. Your preferences will be considered, but the faculty supervisors based on their assessment of your experience, skills, and departmental needs will make final decision about assigned work.

This first class meeting is mandatory. If you do not attend, you will be dropped from the course with a grade of "W".

2. Assignment of specific work

Assignments will be posted by Friday at 2:00pm in Canvas. The main office does not have the assignments, so please refrain from asking there. Each assignment will indicate the number of hours required to complete the assignment(s) and the supervisor(s) for the assignment.

3. Signing of Contracts

After assignments are posted, you must meet with the appropriate supervisor(s) to sign a contract. Look to the area module on Canvas to see how each of your supervisors are completing contracts. Your contract will delineate individual tasks, duties, and the number

of hours required to fulfill course requirements. **All contracts must be signed by 5:00pm Friday, September 9th, 2021.** Failure to sign a contract with all assigned supervisors before the deadline will result in a grade of 'F' unless you drop the course by the university deadline.

4. Execution of Contracted Assignments

After all of your contracts are signed, it is **your** responsibility to fulfill the contracts obligations. It is up to **you** to fill out time sheets, making sure a supervisor initials each entry.

5. Drops and Incompletes

Incompletes will only be given in extreme cases. The last day to drop a course is **Sept 8**. You may not ask for an incomplete until **Sept 9**. Please see university policy for incompletes.

Grading

Your supervisor(s) will determine your grade for the contracted assignments. Each supervisor will establish a grading scale for their area based on the following criteria:

- The quality and level of skill demonstrated in the work
- The number of hours completed
- The timeliness and completeness of assigned work
- Your attitude toward the work and demonstrated initiative for learning
- A self-evaluation of your work

Your final grade will be based on the quality of your work and the number of hours completed in your assigned area. If you are assigned in more than one area, the grade you receive from each area will be averaged to determine final grade.

UNT Policies

Academic Integrity Policy

Academic Integrity Standards and Consequences. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University. [Insert specific sanction or academic penalty for specific academic integrity violation.]

ADA Policy

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one's specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the [ODA website \(https://disability.unt.edu/\)](https://disability.unt.edu/).

Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit UNT's [Code of Student Conduct \(https://deanofstudents.unt.edu/conduct\)](https://deanofstudents.unt.edu/conduct) to learn more.

The survey will be made available during weeks 13, 14 and 15 [insert administration dates] of the long semesters to provide students with an opportunity to evaluate how this course is taught. Students will receive an email from "UNT SPOT Course Evaluations via IASystem Notification" (no-reply@iasystem.org) with the survey link. Students should look for the

COVID-19 Safety

Face coverings are recommended in all UNT facilities. Students are encouraged to wear face coverings during this class. UNT face covering requirements are subject to change due to community health guidelines. Any changes will be communicated via the instructor.

COVID-19 impact on attendance

While attendance is expected as outlined above, it is important for all of us to be mindful of the health and safety of everyone in our community, especially given concerns about COVID-19. Please contact me if you are unable to attend class because you are ill, or unable to attend class due to COVID-19 including symptoms, potential exposure, pending or positive test results, or if you have been given specific instructions to isolate or quarantine from a health care provider or a local authority. It is important that you communicate with me prior to being absent so I may make a decision about accommodating your request to be excused from class.

If you are experiencing any symptoms of COVID-19 please seek medical attention from the Student Health and Wellness Center (940-565-2333 or askSHWC@unt.edu) or your health care provider PRIOR to coming to campus. UNT also requires you to contact the UNT COVID Hotline at 844-366-5892 or COVID@unt.edu for guidance on actions to take due to symptoms, pending or positive test results, or potential exposure. While attendance is an important part of succeeding in this class, your own health, and those of others in the community, is more important.
