Class & Lab Participation

Both class attendance and lab attendance are mandatory and absolutely essential to your success in learning Japanese. Full participation credit (10 points per class) will be given to those who are present for the entire class period, prepared for class, and fully participating in all activities. Partial attendance or lack of participation will result in deduction of points. You will get 3 free class absences and 1 free lab absence. Absences will only be excused in the case of university-sponsored activities, religious holidays, military service, or extended illness with documentation (by permission of the program coordinator after the free absences have been used). It is not necessary to provide excuses for other absences. After 3 unexcused absences, regardless of reasons with/without appropriate documents, you will lose 10 points for each absence. See the UNT attendance policy for details at <http://policy.unt.edu/policy/15-2-5>. If you miss a class, follow the schedule and use the materials on Canvas to keep up. (Note for TAMS students: If you are absent for any reason, you are required to file an absence report with Dr. Gruver of the TAMS Academic Office.)

Assignments

Assignments will consist of worksheets done before class in order to preview the material for class each day and prepare yourself to participate fully. During class, you will have the opportunity to check your answers and correct them before turning the assignments in.

Don't copy! The assignments are important practice and should show your attempts and corrections. Copying from the key or from another classmate is both unethical and counterproductive to your learning.

Late assignments will be accepted only the next class day for partial credit.

Quizzes

There will be three quizzes per chapter quizzes, eighteen quizzes over the course of the semester, over vocabulary and kanji. There are no make-ups for quizzes, but your two lowest quiz scores will be dropped.

During each chapter, you will also be expected to read the information about the grammar points for each chapter in the textbook, watch some short videos, and complete worksheets about the grammar points that will be covered in the chapter. This will give you the opportunity to preview the new information so that you can understand more easily when we discuss it in class.

Chapter Tests

There will be two chapter tests, which cover every two chapters: chapters 7-8 and chapters 9-10. Chapter tests focus on the grammar of the two chapters, but also include both new and review vocabulary and characters. Each unit test will include a listening section. If you are absent on the day of the chapter test **one time**, you may contact your instructor to make it up without listening sections (about -10 %). No excuse or doctor's note is required; however, you are responsible for being the one to contact your instructor in this case. After you have missed one test, you will no longer be able to make up tests, so make sure to look at the schedule and plan in advance.

Oral Exams

There will be two oral exams. The oral exams will measure your ability to communicate in Japanese.

Final Exam

There will be a cumulative final exam at the end of the course covering Ch. 7-12. Part of the exam will be multiple-choice and part will be written, including a one-paragraph essay. Please bring a Scantron sheet (882-E) and a pencil to the exam. The exam is in the usual classroom.

Student Behavior in the Classroom:

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The university's expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at www.deanofstudents.unt.edu.

Sexual Discrimination, Harassment, & Assault

UNT is committed to providing an environment free of all forms of discrimination and sexual harassment, including sexual assault, domestic violence, dating violence, and stalking. If you (or someone you know) has experienced or experiences any of these acts of aggression, please know that you are not alone. The federal Title IX law makes it clear that violence and harassment based on sex and gender are Civil Rights offenses. UNT has staff members trained to support you in navigating campus life, accessing health and counseling services, providing academic and housing accommodations, helping with legal protective orders, and more.

UNT's Dean of Students' website offers a range of on-campus and off-campus resources to help support survivors, depending on their unique needs: <http://deanofstudents.unt.edu/resources>.

The UNT Survivor Advocates can be reached by emailing SurvivorAdvocate@unt.edu or calling 940-565-2648. The UNT Survivor Advocates connect students who have been impacted by violence to resources (counseling, health, safety, academics, legal, etc.), and act as their advocate. They can assist a student by filing protective orders, completing crime victim's compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change (if needed), and connecting students to the many other resources that are available, both on and off campus. They are here to help! For more information see <https://deanofstudents.unt.edu/sexual-misconduct/reporting-sexual-misconduct>

Resources, Extra Help & Disability Accommodation

UNT endeavors to offer you a high-quality education and to provide a supportive environment to help you learn and grow. And, as a faculty member, I am committed to helping you be successful as a student. To

Honor Society: UNT has a chapter of the Japanese National Honor Society (JNHS). The mission of the society is to recognize our outstanding students and encourage their scholastic achievement and excellence in the study of Japanese language. In addition, we aim to promote ways for students to use Japanese on campus and in the community. Certificates of Excellence and red-and-white cords to wear at graduation will be given to students who are granted membership in the society. The following is the criteria for the membership of JNHS in addition to the active participation in Japanese Honor Society, a student organization by invitation for activities and individual projects. For information, email: yayoi.takeuchi@unt.edu

Study Abroad

UNT Japanese program strongly encourages students to have an opportunity to study abroad in Japan. We have currently three direct exchanges set up in Japan: Ritsumeikan University (Kyoto), Kansai Gaidai University (Osaka), and Nanzan University (Nagoya).

The Study Abroad Office helps students find placements in Japan for one semester or an academic year. The beauty of these programs is that you can study in Japan at close to the same cost as studying at UNT.

For more information, visit the Study Abroad office in Sage Hall (Room 236), check out their website and attend one of their “Study Abroad 101” sessions. You can contact yayoi.takeuchi@unt.edu for further details.

There are also several opportunities for summer study in Japan at various levels.

Office Hours

Visit your instructor during office hours for individual help or study suggestions. If the scheduled times don't work for you, call or email for an appointment.

You can download the PowerPoint from each lesson from our class site on Canvas. You will also find helpful links, activities, etc. Log in at: <https://unt.instructure.com/>.

Tutors

The Department of World Languages, Literatures & Cultures provides free tutoring. See Canvas for times and starting date. Tutoring goes through pre-finals week.

Also, the Learning Center has volunteer tutors that will work with you individually at no charge. Request a tutor at: <http://learningcenter.unt.edu/volunteertutoring>.

Language Lab

The Language Lab (LANG 105) has movies, magazines, and computer programs that you will find helpful for individual study. The language lab is equipped for typing in Japanese.

Willis Library

The Willis Library has quite a few resources for additional study. The “Japanese Graded Readers” are particularly recommended. Browse through the area on the third floor around PL539!

Disability Accommodation

The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking reasonable accommodation must first register with the Office of Disability Access (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with a reasonable accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information, refer to the Office of Disability Access website at <https://studentaffairs.unt.edu/office-disability-access>. You may also contact ODA by phone at (940) 565-4323.

Plagiarism (i.e., copying another person's work and presenting it as your own work) or cheating (i.e., providing answers for someone else or getting answers from someone else) are prohibited. In addition, we ask that no online translation tools are used when completing writing assignments. Consequences of any breach of academic integrity may include lowering of grade and/or failure of the assignment and/or the course.

Student Perceptions of Teaching (SPOT)

Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The short SPOT survey will be made available April 17th – May 4th to provide you with an opportunity to evaluate how this course is taught. For the Spring 2023 semester, you will receive an email on April 17th (12:01 a.m.) from "UNT SPOT Course Evaluations via IASystem Notification" (no-reply@iasystem.org) with the survey link. Please look for the email in your UNT email inbox. Simply click on the link and complete your survey. Once you complete the survey you will receive a confirmation email that the survey has been submitted. For additional information, please visit the spot website at <https://vpaa.unt.edu/spot> or email spot@unt.edu. We work to continually improve our courses, so we appreciate your feedback!

Emergency Class Cancellation

In the event of a class cancellation due to the weather, illness, or other emergency, you should follow the instructions announced on Canvas by your instructor and/or the coordinator. Since our course schedule is so packed, we will deviate as little as possible from the schedule. You should look through the PowerPoint online and complete your homework following the schedule in the syllabus. Any quiz or test would be postponed until the next class meeting unless otherwise announced. We will communicate any schedule changes on Canvas, so check for announcements there.
