Students will learn proper execution of movements and basic partnering techniques.

OBJECTIVES:

1. To become skilled in the style and techniques particular to Social Club Dancing dance including basic terminology, dance positions, basic steps, formations, and rhythms.
2. To develop a deeper understanding of the cultural/historical roots of these dance styles.
3. To develop rhythmic accuracy, balance, partnering skills, and ease in movement.

COURSE REQUIRMENTS:

A. Professionalism: Positive Class Participation/Attitude

1. Students always need to participate in class in a professional manner. Professionalism aids in expediency of tasks and helps to establish a safe environment that is conducive to excellence and creativity.
2. **Face coverings are highly encouraged in this class.**
UNT encourages everyone to wear a face covering when indoors, regardless of vaccination status, to protect yourself and others from COVID infection, as recommended by current CDC guidelines. Face covering guidelines could change based on community health conditions.
3. Students prepare for class by coming five to ten minutes clearly and warming-up on your own in the space as soon as you enter the room. This will focus you for the class and help to prevent injuries.

4. Students are expected to come to class prepared, eager to learn and participate with a positive spirit and energetic attitude. You are expected to give yourself fully to classroom exercises, bringing your whole self to the experiences, and pushing yourself to grow. It is your responsibility to ***check your UNT email and CANVAS regularly*** for class updates on assignments.
5. Appropriate attire for freedom of movement is required. Sweatshirts and T-shirts may be worn at the beginning of class and through the warm-up (alignment of the body must be visible). Hair should be securely fastened and off the neck. No excessive jewelry (large earrings, dangling necklaces, large watches, etc.) is allowed in class for the safety of all class participants. The instructor has the right to set the standard for appropriate dress in each class.
6. Students always need to be respectful to the professor and other students by being quiet and attentive in class when the professor or another student is speaking or performing. This is a vital part of being professional. If interpersonal issues arise between peers or with a professor, please address the issue so we may move to an expedient resolve. This will ensure accountability and responsibility to and for the community.
7. Daily positive participation is essential to your grade in this course (see grade break-down). Your full involvement in the exercises is expected whether you are acting as a mover, observer, speaker, or listener.
8. Cell phones will not be tolerated unless explicitly used for a research tool when asked to during class. PLEASE SILENCE THEM
9. Following CDC Guidelines: You will be expected to work on your own and in groups. Recognize the pace in which you work and allot the necessary time to complete your assignments.
- 10.
11. Please fill out the student evaluations at the end of the semester in a thoughtful and respectful manner.
12. Finally, please review the syllabus and calendar throughout the semester to ensure that you thoroughly understand the requirements. It is your responsibility to contact the professor if you are confused or having difficulty.

Attendance Grading Policy for Department of Dance studio classes:

Since performance in studio classes in particular relies almost entirely on work accomplished during each class any absence from class will impact the grade.

- Students are allowed two (2) absences. There are no excused absences except for personal or family emergencies or a UNT official activity, which the professor needs to approve. On the third absence your overall grade will be lowered by 5%; for example, a 90% becomes an 85%. On the fourth absence, you will earn a failing grade for the course. (UNT allows the instructor to ask the registrar to drop a student with a “WF” upon accumulation of the stated number of absences.)
- Students who do not attend the first day of class may be dropped to accommodate those who are on the wait list.
- If you are sick, are experiencing COVID-19 symptoms, or have come in contact with someone who tested positive for COVID-19, please reach out to the instructor right away so you and the instructor can create a plan of action to support your education and absences.
 - A student is responsible for requesting an excused absence in writing, providing satisfactory evidence to the faculty member to substantiate excused absence and delivering the request personally to the faculty member assigned to the course for which the student will be absent.
 - UNT COVID-19 Impact on Attendance Students are expected to attend class meetings regularly and to abide by the attendance policy established for the course. It is important that you communicate with the professor and the instructional team prior to being absent, so you, the professor, and the instructional team can discuss and mitigate the impact of the absence on your attainment of course learning goals. Please inform the professor and instructional team if you are unable to attend class meetings because you are ill, in mindfulness of the health and safety of everyone in our community.
 - If you are experiencing any [symptoms of COVID-19](https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html) (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>) please seek medical attention from the Student Health and Wellness Center (940-565-2333 or askSHWC@unt.edu) or your health care provider PRIOR to coming to campus. UNT also requires you to contact the UNT COVID Team at COVID@unt.edu for guidance on actions to take due to symptoms, pending or positive test results, or potential exposure.
- In the event of an injury or serious illness that prevents a student from engaging in any activity for more than two weeks, the student should drop the course rather than risk receiving a failing grade. However, students may continue enrollment in a class by fulfilling minimal participation requirements agreed upon with the teacher until recovery from the injury or illness allows for return to full participation.
 - A period of minimal or adapted activity due to injury or illness should not exceed a total of four (4) weeks during any long semester.

Lateness and Early Departures: Students should not arrive late to class or ask to leave early. Typically, **(2) tardies and/or early departures will equal one absence.** In order to ensure all students are properly warmed up and prevent injuries, students arriving more than 5 minutes late for class may not be allowed to take class.

Observations/Sitting Out: Students should request to observe a class only in exceptional cases - the expectation is that all students will participate even though the level of activity and kind of activity may be adjusted to accommodate specific health issues. If an observation is approved by the teacher, the student will take notes following specific directions given by the teacher. These notes will be turned in at the conclusion of class. The quality of these notes will determine the student's grade for that particular day. Under no circumstances should students' study for other courses during an observation.

Typically, observations are considered one-half absences, as the student is not fully engaged in the activity or the class.

Should a student need to sit down during class, they are expected to remain attentive and engaged with the class. Sitting at the front of the studio, watching, and learning through attentive observation, or taking written notes is appropriate. Lying on the floor, sleeping, talking, or texting on a cell phone, or engaging in conversation with other students during class is not considered appropriate. No student should be consistently sitting out as it warrants a low-class participation grade. **Typically, 'sitting out' two times equals one absence.**

Grading and Evaluation: a student may receive 10 points per day based on the following grading criteria:

"A" 9-10 pts (Daily) This is an exceptional grade for distinctly superior work. Every aspect is of exceptional quality. This grade is reserved for a very few who are at the top of the class, an exception rather than the rule. The student demonstrates a clear ability to understand and articulate the concepts presented, has thoroughly mastered the subject, displays marked initiative and exhibits intellectual curiosity. The student shows a full range of cognitive and physical skills including knowledge, comprehension, application, analysis, synthesis, and evaluation.

"B" 8pts (Daily) This is an above average grade for achievement of the highest order. This grade is reserved for students who are at the top of the class but fall below an "A." The student has fulfilled the requirements and has achieved excellence in all aspects of the work including complete attentiveness, accuracy of knowledge, independence, creativity, and critical thought. The student demonstrates most levels of cognitive and physical skills including knowledge, comprehension, application, analysis, synthesis, and evaluation.

"C" 7pts (Daily) The student shows evidence of knowledge about the subjects and is able to analyze concepts. The student may have an open, active, and discriminating mind but demonstrates lower and middle level ability and retention of skills specific

to that class particularly knowledge, application, analysis, synthesis, and evaluation. This student takes no initiative or leadership in their learning. This is an average grade.

“D” 6pts (Daily) The student demonstrates lower level ability and retention of skills specific to the class material, takes no initiative or leadership in learning and is consistently unprepared or unaware of concepts. This student demonstrates lower than average ability and retention of skills specific to that class particularly knowledge, application, analysis, synthesis, and evaluation.

“F” 5pts (Daily) The student has failed to demonstrate knowledge, application, analysis, synthesis and evaluation of any of the class subject matter or concepts. This student has failed to acquire or retain skills specific to class material, takes no initiative or leadership in learning and is closed to the subject matter.

GRADES: Students will be graded as follows:

- 70% Positive Class Participation
- 15% Midterm Project
- 10% Final Project
- 5% Reflection Paper

University Policies:

Academic Integrity Policy

Academic Integrity Standards and Consequences. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University. [Insert specific sanction or academic penalty for specific academic integrity violation.]

ADA Policy

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one's specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the [ODA website \(https://disability.unt.edu/\)](https://disability.unt.edu/).

Prohibition of Discrimination, Harassment, and Retaliation (Policy 16.004)

The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

Emergency Notification & Procedures

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

Retention of Student Records

Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student's records will not be divulged to other individuals without proper written consent. Students are

encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University's policy. See UNT Policy 10.10, Records Management and Retention for additional information.

Acceptable Student Behavior

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit UNT's [Code of Student Conduct](https://deanofstudents.unt.edu/conduct) (<https://deanofstudents.unt.edu/conduct>) to learn more.

Access to Information - Eagle Connect

Students' access point for business and academic services at UNT is located at: my.unt.edu. All official communication from the University will be delivered to a student's Eagle Connect account. For more information, please visit the website that explains Eagle Connect and how to forward e-mail [Eagle Connect](https://it.unt.edu/eagleconnect) (<https://it.unt.edu/eagleconnect>).

Student Evaluation Administration Dates

Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey will be made available during weeks 13, 14 and 15 [insert administration dates] of the long semesters to provide students with an opportunity to evaluate how this course is taught. Students will receive an email from "UNT SPOT Course Evaluations via IASystem Notification" (no-reply@iasystem.org) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey they will receive a confirmation email that the survey has been submitted. For additional information, please visit the [SPOT website](http://spot.unt.edu/) (<http://spot.unt.edu/>) or email spot@unt.edu.

Survivor Advocacy

UNT is committed to providing a safe learning environment free of all forms of sexual misconduct. Federal laws and UNT policies prohibit discrimination on the basis of sex as well as sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking and/or sexual assault, there are campus resources available to provide support and assistance. The Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or by calling the Dean of Students Office at 940-5652648.

Important Notice for F-1 Students taking Distance Education Courses

Federal Regulation

To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to the [Electronic Code of Federal Regulations website](http://www.ecfr.gov/) (<http://www.ecfr.gov/>). The specific portion concerning distance education courses is located at Title 8 CFR 214.2 Paragraph (f)(6)(i)(G).

The paragraph reads:

(G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement.

University of North Texas Compliance

To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student's responsibility to do the following:

- (1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
- (2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email internationaladvising@unt.edu) to get clarification before the one-week deadline.

13. Student Verification

UNT takes measures to protect the integrity of educational credentials awarded to students enrolled in distance education courses by verifying student identity, protecting student privacy, and notifying students of any special meeting times/locations or additional charges associated with student identity verification in distance education courses.

See [UNT Policy 07-002 Student Identity Verification, Privacy, and Notification and Distance Education Courses](https://policy.unt.edu/policy/07-002) (<https://policy.unt.edu/policy/07-002>).

14. Use of Student Work

A student owns the copyright for all work (e.g. software, photographs, reports, presentations, and email postings) he or she creates within a class and the University is not entitled to use any student work without the student's permission unless all of the following criteria are met:

- The work is used only once.
- The work is not used in its entirety.
- Use of the work does not affect any potential profits from the work.
- The student is not identified.
- The work is identified as student work.

If the use of the work does not meet all of the above criteria, then the University office or department using the work must obtain the student's written permission.

Download the UNT System Permission, Waiver and Release Form.

Transmission and Recording of Student Images in Electronically-Delivered Courses

1. No permission is needed from a student for his or her image or voice to be transmitted live via videoconference or streaming media, but all students should be informed when courses are to be conducted using either method of delivery.
2. In the event an instructor records student presentations, he or she must obtain permission from the student using a signed release in order to use the recording for future classes in accordance with the Use of Student-Created Work guidelines above.
3. Instructors who video-record their class lectures with the intention of re-using some or all of recordings for future class offerings must notify students on the course syllabus if students' images may appear on video. Instructors are also advised to provide accommodation for students who do not wish to appear in class recordings.

Example: This course employs lecture capture technology to record class sessions.

Students may occasionally appear on video. The lecture recordings will be available to you for study purposes and may also be reused in future course offerings.

No notification is needed if only audio and slide capture is used or if the video only records the instructor's image. However, the instructor is encouraged to let students know the recordings will be available to them for study purposes.
