Only those individuals whose absences are authorized by the instructor will be eligible to make up any assignment missed. Excused absences include the following: illnesses, deaths in the family, religious holidays, military duties, and university sponsored activities. For illnesses and deaths in the family, documentation (physician's statement, obituary, etc.) must be provided the first day upon returning to class for the absence to be excused. Absences in observance of religious holidays are authorized only if students have notified the instructor in writing within the first week of the semester. For absences due to scheduled (not emergency) military duties, students must present their documentation to the instructor within the first week of the semester. For absences due to university sponsored activities, students must obtain authorized absence cards from the Dean of Students and present them to the instructor prior to the

absence. After the 3rd absence, whether excused or unexcused, **1 percentage point per absence** will be deducted from the student's final score.

Academic Integrity

The UNT Department of Spanish adheres to the University's policy on Student Academic Integrity. For all pertinent assignments and assessments, the work must be the student's work only (unless otherwise indicated by the course instructor) and should reflect the student's level of proficiency. Students are prohibited from asking another person (i.e. a friend, tutor, or relative) to help them develop or compose a response (oral or written) in preparation for, or while completing, an assignment or assessment that will be graded and applied to the student's final grade in the course. This includes, but is not limited to, receiving outside assistance with drafting, revising, editing, or developing the content and structure of a response to an assignment or assessment question without consent from the course instructor. Also, the use of translation technology (any digital translation tool or app) is prohibited for all assignments and assessments and will be considered academic misconduct. Information "cut and pasted" or otherwise copied from other sources and used as answers in assignments and assessments will be considered plagiarism. If a student has any doubts whatsoever as to what constitutes any form of scholastic dishonesty, they should consult with the course instructor before submitting their work. Cheating, plagiarism, and other examples of academic misconduct defined by University Policy will result in a zero on the assignment or assessment in question and may be reported to the Dean of Students.

Use of email

Students are required to use official UNT Eagle Connect for all communication. Instructors will only respond to email sent by students from a UNT Eagle Connect address. Likewise, instructors will only send email to UNT Eagle Connect addresses. Information about Eagle Connect can be found at [Eagle Connect \(http://eagleconnect.unt.edu/\)](http://eagleconnect.unt.edu/).

UNT POLICIES:

Academic Integrity Policy

Academic Integrity Standards and Consequences. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

ADA Policy

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one's specific course needs. Students may request accommodations at any time; however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website at <https://studentaffairs.unt.edu/office-disability-access>.

Emergency Notification & Procedures

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

Acceptable Student Behavior

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit UNT's [Code of Student Conduct](https://deanofstudents.unt.edu/conduct) (<https://deanofstudents.unt.edu/conduct>) to learn more.
