**DISABILITY ACCOMMODATION STATEMENT**

The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking reasonable accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with a reasonable accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Accommodation website at <http://www.unt.edu/oda>. You may also contact them by phone at [940.565.4323](tel:940.565.4323).

### **COURSE POLICIES**

#### **On outside help/academic integrity**

All assignments should be the student's work only and should reflect the student's level of proficiency. Cheating, plagiarism, and other examples of academic misconduct will be pursued and sanctions will be levied.

**On use of technology during class time**

While technology will be an important component of this course, class time will be focused on face to face communication and interaction. For this reason, the use of electronic devices will not be allowed during class time unless otherwise indicated by your instructor.

**On use of e-mail**

Instructors of first and second year Spanish (1010 through 2050) require students to use official UNT Eagle Connect for all communication. This means that your instructor will only respond to e-mail sent by their students from a UNT Eagle Connect address. Likewise, your instructor will only send e-mail to your UNT Eagle Connect address. Information about Eagle Connect can be found at the following Web address: <http://eagleconnect.unt.edu/>.

**On student behavior in the classroom**

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Center for Student Rights and Responsibilities to consider whether the student's conduct violated the Code of Student Conduct. The university's expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at [www.unt.edu/csrr](http://www.unt.edu/csrr).

A note on protocol: If you have a problem with anything related to your course (textbook, instructor, testing, etc.), it is your responsibility to discuss the problem first with your instructor. Most problems or misunderstandings can be dealt with effectively and efficiently if the people most directly involved can discuss the problem and communicate honestly with each other.
