**COURSE POLICIES:****Attendance Policy and Late Work**

Class attendance is mandatory, and no late/make-up work will be allowed for unexcused absences. Only those individuals whose absences are authorized by the instructor will be eligible to make up any assignment missed. Excused absences include the following: illnesses, injuries, deaths in the family, religious holidays, military duties, and university sponsored activities. For illnesses, injuries, and deaths in the family, documentation (physician’s statement, obituary, etc.) must be provided the first day upon returning to class for the absence to be excused. Absences in observance of religious holidays are authorized only if students have notified the instructor in writing within the first 15 days of the semester. For absences due to scheduled (not emergency) military duties, students must present their documentation to the instructor within the first 15 days of the semester. For absences due to university sponsored activities, students must present documentation provided by the Dean of Students. After the 6<sup>th</sup> absence, whether excused or unexcused, **1 percentage point per absence** will be deducted from the student’s final score.

## **Academic Integrity**

All work must be the student's work only (unless otherwise indicated by the course instructor) and should reflect the student's level of proficiency. Students are prohibited from asking another person (i.e. a friend, tutor, or relative) to help them develop or compose a response (oral or written) in preparation for, or while completing, an assignment or assessment that will be graded and applied to the student's final grade in the course. This includes, but is not limited to, receiving outside assistance with drafting, revising, editing, or developing the content and structure of a response to an assignment or assessment question without consent from the course instructor. The use of generative AI and translation apps is strictly prohibited for all assignments in this course. Information "cut and pasted" or otherwise copied from other sources and used as answers in assignments and assessments will be considered plagiarism. If a student has any doubts whatsoever as to what constitutes any form of scholastic dishonesty, they should consult with the course instructor before submitting their work. Cheating, plagiarism, and other examples of academic misconduct defined by [University Policy \(https://policy.unt.edu/policy/06-003\)](https://policy.unt.edu/policy/06-003) will result in a zero on the assignment or assessment in question and may be reported to the Dean of Students.

## **Acceptable Student Behavior**

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit UNT's [Code of Student Conduct \(https://policy.unt.edu/policy/07-012\)](https://policy.unt.edu/policy/07-012) to learn more.

## **Use of email**

Students are required to use official UNT Eagle Connect for all communication. Instructors will only respond to email sent by students from a UNT Eagle Connect address. Likewise, instructors will only send email to UNT Eagle Connect addresses. Information about Eagle Connect can be found at [Eagle Connect \(http://eagleconnect.unt.edu/\)](http://eagleconnect.unt.edu/).

## **ADA Policy**

The University of North Texas makes reasonable accommodation for students with disabilities. Students needing reasonable academic accommodation must first register with the Office of Disability Access (ODA) to verify their eligibility. If a disability is verified, the student will request their letter of accommodation. ODA will provide faculty

with a reasonable accommodation letter via email to begin a private discussion regarding a student's specific needs in a course. Students may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to meet with faculty regarding their accommodations during office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information, refer to the [Office of Disability Access website \(https://studentaffairs.unt.edu/office-disability-access\)](https://studentaffairs.unt.edu/office-disability-access).

### **Students' Concerns and Complaints**

Open communication is key to resolving concerns. Most issues or misunderstandings can be addressed effectively when those directly involved engage in honest discussion.

If you have a concern related to your course, whether about materials, instruction, assessments, or the classroom environment, please begin by speaking with your instructor. If the matter remains unresolved, or if you are uncomfortable approaching your instructor, you may contact the WLLC department.

To learn more about the complaint procedure or to file a formal complaint, you can access the document WLLC COURSE COMPLAINT PROCEDURE FOR STUDENTS on the departmental website: <https://class.unt.edu/world-languages-literatures-cultures/resources/studentcomplaint.pdf>

When emailing the department, be sure to include:

- Your first and last name
- Your instructor's name
- Your course title and section number

Thank you for helping us to maintain a supportive learning environment.

### **Guidelines on Grade Appeals in the WLLC Department**

Students should attempt to resolve the grade dispute with their instructor first. If there is no satisfactory resolution, the student can initiate a grade appeal with the instructor based on the following criteria:

1. The grade is based on unfair treatment during the regularly scheduled class period.
2. The instructor deviated from the guidelines outlined in the course syllabus without providing a valid academic reason, or

3. An error occurred in calculating the grade, including the failure to factor in an assignment, project, quiz, or examination.

### **Emergency Notification & Procedures**

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a [university closure](https://policy.unt.edu/policy/15-006) (<https://policy.unt.edu/policy/15-006>), please refer to Canvas for contingency plans for covering course materials.
