

## MATH 1180.122

### College Math for Business, Economics and Related Fields (Recitation)

#### **Contact Information:**

Name: Grant Palmer

#### **Course Information:**

Math 1180.122 (Recitation) Tuesday : 3:00-3:50

Room Number: LANG 315

#### **Guidelines and Policies:**

**Purpose:** The Recitation is intended to provide time for additional help, cover additional material, and cover topics not as easily addressed in lecture.

**Grading criteria:** Your Recitation grade covers 10% of course grade. This is made up of two portions:

50% Participation

50% Class assignments

**Grading for Participation:** 'Showing up' does NOT constitute 'Participation'. Active participation is required and will be measured in different ways depending on the goal each class. At a minimum, to receive credit for attendance you must arrive to class by the start time and work the entirety of the class period. You will lose points for being disruptive, being late or leaving before released. Please be aware that written assignments may be used to track attendance.

**Grading of Class Assignments:** Class work will consist of activities and assignments. All class work will be graded based on completion, with comments and feedback given regarding correctness.

The grades in all but your lowest two participation and two lowest class assignments will be calculated into your grade in the lecture course **after** your last recitation meeting.

**Classroom Expectations:** Students are expected to behave appropriately while in the classroom. Please refer to the Code of Student Conduct for more information, <https://studentaffairs.unt.edu/dean-of-students/conduct/10-academic-rights> . Note that cell phone use is considered a distraction in the classroom and will not be tolerated.

#### **Notes:**

1) This syllabus is subject to change as the instructor deems necessary. Any/all changes will be announced during regular class time. It is the responsibility of the student to attend each scheduled class to be informed of these changes.

2) You are responsible for meeting all university deadlines, such as: registration, fee payment, drop deadlines, etc. Refer to the printed Schedule of Classes and/or University Catalog for policies and dates.

**Disability Accommodations:** The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Access (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the Office of Disability Accommodation website at <https://studentaffairs.unt.edu/office-disability-access>. You may also contact them by phone at 940.565.4323.
