COURSE DESCRIPTIONS: Child development theory and creativity examined in relation to contemporary practice in the elementary art classroom. Partial field experience component required. ABOUT YOUR PROF: I want to hear from you. I care about the success of each student. When you have questions about the course material, questions about the subject matter in a broader, anxiety about the profession, pandemic feelings, concerns to discuss, accommodations you need, or thoughts you want to share, please do not hesitate to contact me. I value the perspectives of individuals from all backgrounds reflecting the multiplicities of our students. I broadly define diversity to include race, gender identity, national origin, ethnicity, religion, social class, age, sexual orientation, political background, as well as physical and learning abilities and their intersectionalities. I strive to make this classroom an inclusive space for all students. If you see ways I can improve, please let me know. I am committed to creating a positive learning environment where diverse perspectives are recognized and valued as a source of strength. I request that all students work with me to create a classroom culture based on open communication, mutual respect, and inclusion. As a class we will approach all discussions with respect and civility. Disagreements and debates in academic discourse are expected and welcome, but personal attacks are never OK, and will not be tolerated. I strive to ensure an open and welcoming classroom for all students. If I ever miss the mark, please don’t hesitate to come and talk to me. We are all learning together.

Art School Community: Content in the arts can include works, situations, actions, and language that can be personally challenging or offensive to some on the grounds, for example, of sexual explicitness, violence, or blasphemy. As the College of Visual Arts and Design is devoted to the principle of freedom of expression, artistic and otherwise, and it is not the college’s practice to censor these works or ideas on any of these grounds. Students who might feel unduly distressed or made uncomfortable by such expressions should contact me and consider withdrawal at the start of the term in order to seek another course.

Expect to spend 6 hours a week on homework outside of our course hours. Students must also attempt the practice TExES art exam.
STUDENT EVALUATION AND ASSIGNMENTS: Evidence of progress will be assessed through the following:

**READINGS**
- **READING DISCUSSION BOARD POSTS**: (12% of final grade; 6 in total so 2% each; starts Sept. 12 and ends Nov. 28) Complete assigned readings, write 3 questions and 3 key reflections covering ALL assigned readings. These will be uploaded to Canvas course shell as discussion board posts the Saturday before class.

**ART EC TExES EXAM**
- **REVISED STUDY PLAN**: (1% of final grade; due Sept. 12) You will put in place a Revised Study Plan working toward passing the practice Art EC-12 TExES exam before the end of the semester.

**DISPOSITIONS**
- **MID-POINT DISPOSITIONS SELF-ASSESSMENT**: (due Oct. 17). See below.
- **FINAL DISPOSITIONS SELF-ASSESSMENT**: (10% of final grade; due Dec. 5). The inventory used to inform this component is one developed and used by districts and clinical practice supervisors across Texas to assess teacher performance. You will self-assess your [*development and demonstration of professional dispositions within this course*] by highlighting the level you have achieved on each criterion at the mid-point and end of the semester and adding comments to contextualize your assessments. As you identify areas of growth, you should attempt self-improvement by the end of the course. Your self-assessment will inform how I determine your participation grade which will also be based on your class performance, participation in class discussions, attendance, facilitation of a positive classroom culture, and communications with me/classmates.

**PLANNING & TEACHING**
- **GROUP LESSON A**: (10% of final grade; due Sept. 19). This co-written lesson will span over multiple days. It is intended for elementary school students and will follow Houston ISD Scope and Sequence. Your partner will be randomly assigned, but you get to choose the studio topic of your lesson. Partner peer review will be required and inform final grade.
- **GROUP TEACHING A**: (15% of final grade; presented on Sept. 26 or Oct. 10). You will collaboratively teach a part of your co-written elementary art lesson plan live during class time. Your teaching will last no longer than 20 minutes and you are to engage your classmates in this teaching simulation. Partner peer review will be required and inform final grade.
- **GROUP LESSON B**: (10% of final grade; due Oct. 17). This co-written lesson will span over multiple days. It is intended for elementary school students and will follow Houston ISD Scope and Sequence. You choose your partner for this lesson, but you will be assigned to teach one of the following studio areas—drawing, painting, paper, or sculpture. Partner peer review involved.
- **GROUP TEACHING B**: (15% of final grade; presented on Oct. 24, Nov. 7, or Nov. 28). You will collaboratively teach part of your co-written elementary art lesson plan live during class time. Your teaching will last no longer than 20 minutes and you are to engage your classmates in this teaching simulation. Partner peer review will be required and inform final grade.

PLEASE BE AWARE *Absences, tardiness, and late work are the single greatest contributor to low grades and fails in this course.* You will not be allowed to progress towards certification unless you pass this course, which requires the completion of mandatory observation hours and the uploading of the completed signed time record into Foliotek.

**Grading:** A grade will be 90% or above, B = 80–89%, C = 70–79%, D = 60–69%, and below 60% is an F.

If, after reviewing any of my feedback and assessments, you would like clarification, please reach out by email.
ATTENDANCE/LATE WORK POLICY:
Each student is allowed one absence. For more than one absence, the final grade will be lowered at least one letter grade. PLEASE NOTE: Any combination of two late arrivals or early leaves from our class equals one absence. Please inform me if you are unable to attend class meetings because you are ill, in mindfulness of the health and safety of everyone in our community. It is important that you communicate with me PRIOR to being absent [if possible, at least an hour PRIOR to the start of class], so you and I can discuss and mitigate the impact of the absence on your attainment of course learning goals. Feel free to contact me for an assignment extension, but be sure to ask for one BEFORE the due date. You are responsible for completing all assignments and turning them in on the due date. If you are absent, you must e-mail work to me by the due date for it to be considered on time. Late assignments will be reduced one full letter grade. Late work will only be accepted one week after due date, except assignments due at the end of the semester, which will NOT be accepted late.

SCHOOL-LIFE CONFLICT: Many students face obstacles to their education because of work or family obligations or unforeseen personal difficulties. If you are experiencing challenges throughout the term that are impacting your ability to succeed in this course, please reach out to me immediately so that we can work together to form a plan for your academic success. If you are unable to attend my office hours, please email to set up a time that works for us.

CAREGIVER RESPONSIBILITIES POLICY: I have great respect for students who are balancing their pursuit of education with the responsibilities of caring for children or other family members. If you run into challenges that require you to miss a class, please contact me. There may be some instances of flexibility I can offer to support your learning.

UNT POLICIES

STUDENT ACADEMIC INTEGRITY STANDARDS AND CONSEQUENCES. The University of North Texas promotes the integrity of learning and embraces the core values of trust and honesty. Academic integrity is based on educational principles and procedures that protect the rights of all participants in the educational process and validate the legitimacy of degrees awarded by the University. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University. See full policy here 06.003 Student Academic Integrity.pdf

ADA POLICY. UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one’s specific course needs. Students may request accommodations at any time; however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website [https://disability.unt.edu/].

RETENTION OF STUDENT RECORDS. Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student’s records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University’s policy. See UNT Policy 10.10, Records Management and Retention for additional information.

EMERGENCY NOTIFICATION & PROCEDURES. UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

ACCEPTABLE STUDENT BEHAVIOR. Student behavior that interferes with an instructor’s ability to conduct a class or other students’ opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student’s conduct violated the Code of Student Conduct. The University’s expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit Code of Student Conduct to learn more.

PROHIBITION OF DISCRIMINATION, HARASSMENT, AND RETALIATION (POLICY 16.004). The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

SEXUAL ASSAULT PREVENTION AND SURVIVOR ADVOCACY. UNT is committed to providing a safe learning environment free of all forms of sexual misconduct. Federal laws and UNT policies prohibit discrimination on the basis of sex as well as sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking and/or sexual assault, there are campus resources available to provide support and assistance. The Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or call the Dean of Students Office at 940-5652648.
