Last day to drop the course

If you submit your drop paperwork by this date, you will receive a W on your transcript, which will not be calculated into your GPA.

Students should keep all graded materials until the end of the semester. In the case of a grade discrepancy, it is the student's responsibility to resubmit the graded materials.

Expectations and Grading Policies:

Participation

Class participation is mandatory and essential to your success in learning Japanese. Full participation credit (10 points per class) will be given to those who are present for the entire class period, prepared for class, and fully participating in all activities. Partial attendance or lack of participation will result in deduction of points. The three lowest scores in class participation will be dropped. Absences will only be excused in the case of university-sponsored activities, religious holidays, military service, or extended illness with documentation. After 3 unexcused absences, you will lose 10 points for each absence. See the UNT attendance policy for details at <https://policy.unt.edu/policy/06-039>. If you miss a class, follow the schedule and use the materials on Canvas to keep up. (Note for TAMS students: If you are absent for any reason, you are required to file an absence report with Dr. Gruver of the TAMS Academic Office.)

Assignments

Assignments will consist of worksheets done before class in order to preview the material for class each day and prepare yourself to participate fully. **Don't copy! Don't use AI such as ChatGPT!** The assignments are essential practice and should show your attempts and corrections. Copying from the key, the AI, or another classmate is unethical and counterproductive to your learning. Late assignments are accepted for partial credit. **Your three lowest assignment scores will be dropped.**

Conversation Practice

To improve your speaking skills, you will participate in at least five sessions of conversation practice spread out in six available two-week rounds. The lowest score out of six will be dropped. For each session, you need to participate and practice a Japanese conversation for at least 40 minutes. Students who have a conflict of time with other classes will discuss with the instructor and arrange practice with a tutor. (Must have instructor's approval.) Times for the Japanese conversation groups are listed on schedule. To receive credit, you will keep a log and write a short self-evaluation and reflection at the bottom of the sheet before turning it in on the due date.

Quizzes

There will be three quizzes per chapter, 24 quizzes over the course of the semester, over vocabulary (18 quizzes) and kanji (6 quizzes). There are **no make-ups for quizzes**, but your three lowest quiz scores will be dropped.

Chapter Tests

There will be two chapter tests, which cover every two chapters: chapters 13-14 and chapters 15-16. Chapter tests focus on the grammar of the two chapters but also include both new and review

vocabulary and characters. Each chapter test will include a listening section. If you are absent on the day of the chapter test **one time**. No excuse or doctor's note is required; however, you are responsible for being the one to contact your instructor in this case. After you have missed one test, you will no longer be able to make up tests, so make sure to look at the schedule and plan in advance.

Oral Exam

There will be oral presentations (Skit). The oral exam will measure your ability to communicate in Japanese.

Final Exam

There will be a cumulative final exam at the end of the course covering Ch.13-18. Part of the exam will be multiple-choice, and part will be written, including a one-paragraph essay. Please bring a Scantron sheet (882-E), #2 pencils, and an eraser to the exam. The exam is in the usual classroom.

Extra Credit

Extra credits under the Assignment/Homework category. Instructors clearly describe on Canvas which assignments and worksheets are for extra credit [20 points max.] with due dates.

Sexual Discrimination, Harassment, & Assault:

UNT is committed to providing an environment free of all forms of discrimination and sexual harassment, including sexual assault, domestic violence, dating violence, and stalking. If you (and/or someone you know) have experienced or experienced any of these acts of aggression, please know that you are not alone. The federal Title IX law makes it clear that violence and harassment based on sex and gender are Civil Rights offenses. UNT has staff members trained to support you in navigating campus life, accessing health and counseling services, providing academic and housing accommodations, helping with legal protective orders, and more.

UNT's Dean of Students' website offers a range of on-campus and off-campus resources to help support survivors, depending on their unique needs: <https://studentaffairs.unt.edu/dean-of-students/>

The UNT Survivor Advocates can be reached by emailing SurvivorAdvocate@unt.edu or calling 940-565-2648. The UNT Survivor Advocates connect students who have been impacted by violence to resources (counseling, health, safety, academics, legal, etc.), and act as their advocate. They can assist a student by filing protective orders, completing crime victim's compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change (if needed), and connecting students to the many other resources that are available, both on and off campus. They are here to help! For more information see <https://studentaffairs.unt.edu/dean-of-students/>

Resources, Extra Help & Disability Accommodation:

UNT endeavors to offer you a high-quality education and to provide a supportive environment to help you learn and grow. And, as a faculty member, I am committed to helping you be successful as a student. In addition, we aim to promote ways for students to use Japanese on campus and in the community. Networking during college years and in post-graduation is one of the important aspects of JNHS-College Chapter at UNT.

Certificates of Excellence and red-and-white cords to wear at graduation will be given to students who are granted membership in the society. The following is the criteria for the membership of JNHS in addition to the active participation in Japanese Scholars' Society, a student organization for activities and individual projects. For information, email: yayoi.takeuchi@unt.edu

- Completion of five Japanese language semester courses
- Japanese language course GPA: 3.5
- Overall GPA: 3.0

Study Abroad:

UNT Japanese program strongly encourages students to have an opportunity to study abroad in Japan. We have currently four direct exchanges set up in Japan: Kansai Gaidai University (Osaka), Meiji University (Tokyo), Nagasaki University of Foreign Study (Nagasaki), Nanzan University (Nagoya), and Ritsumeikan University (Kyoto).

The Study Abroad Office helps students find placements in Japan for one semester or an academic year. The beauty of these programs is that you can study in Japan at close to the same cost as studying at UNT. For more information, visit the Study Abroad Office in Marquis Hall (Room 145), check out their website (<https://studyabroad.unt.edu/index.html>) and attend one of their "Study Abroad 101" sessions. You can contact angela.harris@unt.edu for further details. There are also several opportunities for summer study in Japan at various levels. This website maintains a good list.

Disability Accommodation:

The University of North Texas makes reasonable accommodation for students with disabilities. Students needing a reasonable academic accommodations must first register with the Office of Disability Access (ODA) to verify their eligibility. If a disability is verified, the student will request their letter of accommodation. ODA will provide faculty with a reasonable accommodation letter via email to begin a private discussion regarding a student’s specific needs in a course. Students may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to meet with faculty regarding their accommodations during office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information, refer to the [Office of Disability Access](https://studentaffairs.unt.edu/office-disability-access) website (<https://studentaffairs.unt.edu/office-disability-access>).
