**ONLINE CLASS ATTENDANCE AND COVID-19 POLICY**

Students are required to log into the on-line class to check Canvas inboxes and UNT email, class announcements, check grades, and upload assignments *Five* times a week. We will take on-line exams on specific days and times outlined in the course schedule.

All of you are at the age where life happens and may require time away from class. University policy states the conditions and remedies for school and personal related absences. These include, but are not limited to school sanctioned activities, illness, civic duty, military service, caregiver leave, and religious observances (to include funerals).
In order to treat everyone equally under the law (Federal and State), some form of official documentation is required as to why-when-where. This is not intended to be an invasion of privacy, but will allow me to accommodate you during this unusual period of time. Please inform me of the situation and discuss documentation via email.

EXAM POLICY

Four (4) non-cumulative examinations will be administered. Each exam can consist of multiple choice and/or true-false questions. Exam timing is dictated by UNT’s semester structure. You will complete all exams online within the time allotted. Each of the four exams may have different time limits (i.e., 50, 60 minutes). Modify your pop-up blocking software including the new Yahoo and Google browsers! Books, neighbors, social media, Quizlet, and notes are NOT permitted!

DSL, cable, or better connections are preferred for exams. Most homes and apartments have robust Internet service. Using wireless connections in your home will be OK. Dial-up and cellular wireless connections have proven unsatisfactory and problem laden in the past. Exam times will always be stated in Central Standard Time (CST) and will be located under the “Quizzes” tab (left side navigation menu) on the home page. You can also access exams via the modules function.

ASSIGNMENT POLICY

SYLLABUS QUIZ: Each student will complete an on-line syllabus quiz (SQ) by the designated due date. This will familiarize you with how to take an on-line exam within Canvas LMS®.

RESEARCH TERM PAPER: There will be one synopsis research term paper (RTP) submitted this term. There is more information located on the RTP assignment page in Canvas. Late assignments will not be accepted unless covered by university policy.

CHAPTER QUIZZES: 16 Chapter Quizzes (CQ) will be made throughout the semester. You will have two (2) opportunities at each chapter quiz. It is the student’s responsibility to be aware of, complete, and submit quizzes as required. Quizzes are due as assigned by 10:59 PM (CST), and are located under the Canvas LMS® “Modules or Quizzes” tabs on the home page. Late assignments will not be accepted unless covered by university policy.

TECHNICAL ASSISTANCE

Part of working in the online environment involves dealing with the inconveniences and frustration that can arise when technology breaks down or does not perform as expected. Here at UNT we have a Student Help Desk that you can contact for help.
with Canvas or other technology issues.

**UIT Help Desk:** [UIT Student Help Desk site](http://www.unt.edu/helpdesk/index.htm)
**Email:** helpdesk@unt.edu
**Phone:** 940-565-2324
**In Person:** Sage Hall, Room 130
**Walk-In Availability:** 8am-9pm
**Telephone Availability:** 1) Sunday: noon-midnight, 2) Monday-Thursday: 8am-midnight, 3) Friday: 8am-8pm, and 4) Saturday: 9am-5pm.
**Laptop Checkout:** 8am-7pm

**UNT WRITING CENTER**

MGMT 3820 is based on the understanding that every student has completed English and writing composition classes. Though, some of us have developed poor writing habits due to the extended use of Instant Relay Chat and text messaging while driving. Both mediums incorporate short script languages and acronyms that are not appropriate in proper business communication. Please visit the UNT Writing Lab for suggestions at [https://writingcenter.unt.edu](https://writingcenter.unt.edu).

**CANVAS LEARNING SYSTEM AND OUTAGES**

The University is committed to providing a reliable online course system to all users. However, in the event of any unexpected server outage or any unusual technical difficulty which prevents students from completing a time sensitive assessment activity, the instructor will extend the time windows and provide an appropriate accommodation based on the situation. Students should immediately report any problems to the instructor and contact the UNT Student Help Desk: helpdesk@unt.edu or 940.565.2324 and obtain a ticket number. The instructor and the UNT Student Help Desk will work with the student to resolve any issues at the earliest possible time.

**CANVAS LEARNING SYSTEM GRADES AND ANNOUNCEMENTS**

Grades posted in the Canvas Learning System are unofficial. The instructional team will keep official grades (in spreadsheet form) in a secure location. This is to protect against hacking of the Canvas Learning System and destruction of grade reports. Official grades and Canvas Learning System grades should be equivalent (match). Please contact me to discuss discrepancies. Check your grades and announcements three times weekly.

**SUNDOWN RULE**

You have three days (from the due date) to inquire about your grade on an exam, assignment, or team project. The exception to this is the final exam were inquiring may extend into the new term. The purpose is to resolve any issue during the term and not
wait until the last week of the term. Check your grades weekly in the Canvas Learning System.

**EUID ACCESS AND PASSWORDS**

Enterprise User Identification numbers (EUID’s) and passwords are required to access this course. It is the student’s responsibility to maintain a current EUID number and password. Keep in mind that the University will time out passwords every 120 days for security reasons. You may reset your password at [https://ams.untsystem.edu](https://ams.untsystem.edu).

**USE OF PERSONAL COMPUTERS**

The student assumes **ALL** responsibility for the operating condition of personal computers and the functionality of individual Internet connections. Help Desk Support Services are available to help solve personal computer issues and is located at [http://it.unt.edu/helpdesk](http://it.unt.edu/helpdesk). You may call them at 940-565-2324. The help desk web page has contact information and hours of operations displayed. In addition, ISP issues will be dealt with on an individual basis and will require documentation. Please modify pop-up blocker software.

**USE OF THE CANVAS LEARNING SYSTEM**

The student assumes **ALL** responsibility for transacting class, taking exams, and uploading assignments within the Canvas Learning System. Tutorials are located at [https://community.canvaslms.com/t5/Student-Guide/tkb-p/student](https://community.canvaslms.com/t5/Student-Guide/tkb-p/student).

**INCOMPLETE GRADES**

Professors in the College of Business must seek authorization to grant incomplete grades. Requests must go through the Professor’s department and be approved by both the Chair and the Dean. After approved by the Dean, an incomplete grade may be entered into the Registrar’s grade repository. In addition, the terms and conditions under which an incomplete grade may be granted are extremely narrow. Please consult the student handbook for more information.

**SITUATIONS NOT COVERED BY STUDENT HANDBOOK POLICY**

Faculty grade books are monitored by the University, AASCB International, the State, and Federal agencies. However, every semester a student will ask me for a deal that is not available to all students. A common mistake is to ask to extend deadlines for assignments and/or exams. Under no circumstances will I grant such a request (unless covered by university policy) for it is unfair to other students. Missed assignments are assigned a 0. And the most unethical mistake is to ask for a higher grade at the end of the course when you did not earn it. There are points available in the course. In effect, act professionally.
NON-CONFIDENTIAL EMPLOYEES

Due to changes in Texas state law, faculty and staff are now considered non-confidential employees. Individuals/students sharing that they suffer from depression, are contemplating suicide, involved in sex trafficking, or are victims of crimes (to include domestic violence) must be referred to the proper UNT office. Faculty and staff that fail in this requirement are subject to criminal prosecution and termination.

RCOB STATEMENT ON ACADEMIC HONESTY

The G. Brint Ryan College of Business takes academic honesty seriously. Ethics and integrity are important business values, essential to building trust and adhering to both professional and legal standards. Academic dishonesty destroys trust, damages the reputation and the value of the degree and is unacceptable. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions from admonition (a warning) to expulsion from the University.

Some of the most common examples of academic integrity violations include plagiarism or cheating, such as unauthorized assistance on examinations, homework, research papers or case analyses. Your work must be entirely your own. When working on assignments, you should not discuss your work with others unless approved by the course instructor. Group assignments should only be discussed with members assigned to your group, and all group members may be held accountable in some way for known academic dishonesty violations in a group assignment. Another example of academic dishonesty relates to improper attribution. When preparing your assignments, you must cite all outside sources in the manner requested by your instructor. Copying or using material from any source prepared by or previously submitted by others, at UNT or other institutions, or downloaded from the Internet, is plagiarism. Unless directed otherwise in an assignment, large scale “cutting and pasting” from other sources, even if properly footnoted, is not appropriate. You should synthesize this material in your own words and provide a footnote.

Your instructor will specify what materials, if any, may be used on the tests and exams. Using materials other than those permitted, talking with other individuals during the exam, individuals exchanging information about an exam when one has taken the exam and the other has not, or copying or using material from another individual’s exam is academic dishonesty and will result in a meeting to discuss academic integrity violations and potentially issue sanctions mentioned above, and may result in ineligibility for academic scholarships. The use of online assistance, such as sites commonly used for finding homework solutions, group chat, cell phones, smart watches, and similar tools during exams is not allowed for any reason unless specifically permitted. No portion of an exam may be copied or photographed without permission.
Students are expected to conduct themselves in a manner consistent with the University's status as an institution of higher education. A student is responsible for responding to a request to discuss suspected academic dishonesty when issued by an instructor or other University official. If a student fails to respond after a proper attempt at notification has been made, the University may take appropriate academic actions in the absence of the student’s participation.

HOW TO STUDY FOR EXAMS

Due to the quick timing of the course, I have a few suggestions to prepare you for the exams. Let's acknowledge that most of us have never met and I don't know you're learning style. Let me offer the following:

1. Read the chapter.
2. Look at the PPT slides.
3. Read the Canvas lesson material.
4. Now, reread the chapter and outline on paper by hand. Use the same chapter (paragraph) headings for content. I use two highlighter colors and a black pen.
5. View the chapter videos and PDFs.
6. Transfer your handwritten notes over to a computer for printing.
7. (Consider) recording your notes to a Mp3 file for playback.

UNIVERSITY POLICIES

Academic Integrity Policy

Academic Integrity Standards and Consequences. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

The UNT Code of Student Conduct and Discipline provides penalties for misconduct by students, including academic dishonesty. Academic dishonesty includes cheating and plagiarism.

The term **cheating** includes, but is not limited to, (1) use of any unauthorized assistance in taking quizzes, tests or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; or (3) the acquisition, without permission, of tests or other academic material belonging to a faculty member or staff of the university. This also includes taking pictures of or posting exam questions on the Internet (i.e., social media). **This now covers Chat GPT, AI, and other technologies.**
The term **plagiarism** includes, but is not limited to, the use, by paragraph or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials.

The incident will be reported to the UNT Office of the Provost and the investigation will follow the outlined "Academic Integrity Process" as referenced at [https://vpaa.unt.edu/ss/integrity](https://vpaa.unt.edu/ss/integrity). If you have engaged in academic dishonesty related to this class, you will receive a failing grade on the test or assignment, and a failing grade in the course. This policy is intended to protect the honest student from unfair competition with unscrupulous individuals who might attempt to gain an advantage through cheating.

**Please Note:** I will use a plagiarism detection service (i.e., Turnitin.com) to scan your term paper. This will be done in full compliance with university policy.

**ADA Policy**

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one’s specific course needs. Students may request accommodations at any time; however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. *Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see [https://studentaffairs.unt.edu/office-disability-access](https://studentaffairs.unt.edu/office-disability-access).

**Prohibition of Discrimination, Harassment, and Retaliation (Policy 16.004)**

The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

**Emergency Notification & Procedures**

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and
public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

**Retention of Student Records**

Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student’s records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University’s policy. See UNT Policy 10.10, Records Management and Retention for additional information.

**Acceptable Student Behavior**

Student behavior that interferes with an instructor’s ability to conduct a class or other students' opportunity to learn is unacceptable, disruptive, and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom (or Canvas LMS) and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classrooms, labs, discussion groups, field trips, etc. Visit UNT’s [Code of Student Conduct](https://deanofstudents.unt.edu/conduct) to learn more.

**Access to Information - Eagle Connect**

Students’ access point for business and academic services at UNT is located at: [my.unt.edu](https://my.unt.edu). All official communication from the University will be delivered to a student’s Eagle Connect account. For more information, please visit the website that explains Eagle Connect and how to forward e-mail to [Eagle Connect](https://it.unt.edu/eagleconnect).

**Student Evaluation Administration Dates**

Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey will be made available to provide students with an opportunity to evaluate how
this course is taught. Students will receive an email from "UNT SPOT Course Evaluations via IA System Notification" (no-reply@iasystem.org) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey, they will receive a confirmation email that the survey has been submitted. For additional information, please visit the SPOT web site at https://vpaa.unt.edu/spot/students or email spot@unt.edu.

Sexual Assault Prevention

UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. Federal laws (Title IX and the Violence Against Women Act) and UNT policies prohibit discrimination on the basis of sex, and therefore prohibit sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking, and/or sexual assault, there are campus resources available to provide support and assistance.

UNT's Survivor Advocates can assist a student who has been impacted by violence by filing protective orders, completing crime victim’s compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change where appropriate, and connecting students to other resources available both on and off campus.

UNT's Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or by calling the Dean of Students Office at 940-565-2648. Additionally, alleged sexual misconduct can be non-confidentially reported to the Title IX Coordinator at oeo@unt.edu or at (940) 565 2759.

Important Notice for F-1 Students taking Distance Education Courses

The paragraph reads. (G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student’s physical attendance for classes, examination or other purposes integral to completion of the class.

An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student's course of study is in a language study program, no on-line or distance
education classes may be considered to count toward a student's full course of study requirement.

**University of North Texas Compliance.** To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student’s responsibility to do the following:

1. Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
2. Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email internationaladvising@unt.edu) to get clarification before the one-week deadline.

**Student Verification**

UNT takes measures to protect the integrity of educational credentials awarded to students enrolled in distance education courses by verifying student identity, protecting student privacy, and notifying students of any special meeting times/locations or additional charges associated with student identity verification in distance education courses.

See UNT Policy 07-002 Student Identity Verification, Privacy, and Notification and Distance Education Courses ([https://policy.unt.edu/policy/07-002](https://policy.unt.edu/policy/07-002)).

**Use of Student Work**

A student owns the copyright for all work (e.g., software, photographs, reports, presentations, and email postings) he or she creates within a class and the University is not entitled to use any student work without the student’s permission unless all of the following criteria are met:

- The work is used only once.
- The work is not used in its entirety.
- Use of the work does not affect any potential profits from the work.
- The student is not identified.
The work is identified as student work.

If the use of the work does not meet all of the above criteria, then the University office or department using the work must obtain the student’s written permission.

**Transmission and Recording of Student Images in Electronically-Delivered Courses**

1. No permission is needed from a student for his or her image or voice to be transmitted live via videoconference or streaming media, but all students should be informed when courses are to be conducted using either method of delivery.

2. In the event an instructor records student presentation, he or she must obtain permission from the student using a signed release in order to use the recording for future classes in accordance with the Use of Student-Created Work guidelines above.

3. Instructors who video-record their class lectures with the intention of re-using some or all of recordings for future class offerings must notify students on the course syllabus if students' images may appear on video. Instructors are also advised to provide accommodation for students who do not wish to appear in class recordings.

**WARNING:** This course may employ lecture capture technology to record class sessions. Students may occasionally appear on video. The lecture recordings will be available to you for study purposes and may also be reused in future course offerings.

No notification is needed if only audio and slide capture is used or if the video only records the instructor's image. However, the instructor is encouraged to let students know the recordings will be available to them for study purposes.
