Course Description
Emphasis on technical presentation skills and electronic presentation media commonly utilized in training and development. Topics such as developing an audience profile, arranging facilities, topic introduction techniques, questioning and summary strategies are addressed.

Requirements
Participation and punctuality are professional behaviors expected. Hence, you need to be involved in class discussions and learning activities. Students may be dropped from the course, with notice from the instructor, due to lack of participation or non-attendance online.

Due dates, for all assigned materials, will be announced in advance. Changes, on the assignments’ requirements or due dates may be announced at later dates, in class forums. Therefore, reading the class forums is required. It is the student's responsibility to keep up with these updates and to have all assignments ready on time.

Format
The course will be offered 100% online in a full-session format using Canvas accessed through standard web browsers. Each week will be scheduled with a beginning and ending date, with multiple activities assigned and due within each week. All students will participate, collaborate, and progress together within each scheduled week. There will be NO face-to-face campus meetings.

Goals and Objectives
After completing this course, the learner should be able to:
- Formulate plans for getting a presentation started
- Develop an audience profile
- Arrange facilities for a presentation
- Review the strengths and limitations of selected presentation strategies
- Prepare presentation notes
- Develop and use selected presentation media
- Develop strategies for kicking off a presentation
- Deliver an effective illustrated presentation (See special instructions below.)
- Deliver an effective technical demonstration (See special instructions below.)

TECHNICAL REQUIREMENTS
- Canvas Guide: https://community.canvaslms.com/community/answers/guides/
• Headset/Microphone (if required for synchronous chats)
• Microsoft Office compatible software including word processing and presentation applications
• Java running on your local machine
• Windows Media player or Quicktime
• Working email account (make sure you have accessed your UNT Eagle Connect email and forwarded your mail from there)

ASSESSMENT/GRADING

Submit all work as specified by the instructor. You must take into consideration: postal mail time and electronic communication difficulties. The student is responsible for all course deadlines. Student must keep a copy of all assignments. All assignments must be turned in by the “due date”. Letter grades will be based on the following scale:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90-100%</td>
</tr>
<tr>
<td>B</td>
<td>80-89%</td>
</tr>
<tr>
<td>C</td>
<td>70-79%</td>
</tr>
<tr>
<td>D</td>
<td>60-69%</td>
</tr>
<tr>
<td>F</td>
<td>Below 60%</td>
</tr>
</tbody>
</table>

Special Instructions
Submit all work as specified by the instructor. You must take into consideration: postal mail time and electronic communication difficulties. The student is responsible for all course deadlines. Student must keep a copy of all assignments. All assignments must be turned in by the due date.

Conducting and recording a presentation is mandatory to completion of the course. Failure to conduct an illustrated presentation OR a technical demonstration in front of a group and to submit a digital video recording to the instructor will result in a course failure, regardless of the points earned.

Note Regarding Course Assignments
1. It is the responsibility of the student to insure that assignments are completed on or prior to the due date. Only an appropriate Medical Excuse (see syllabus) will be acceptable for a late assignment.
2. Discussions between students utilize the Discussions Tool on the Tool Bar.
3. Assignments to be turned in must be attached to the respective assignment in the Assignments Tool. Unless this is done the assignment does not reach the instructor for grading. Never submit assignments through Messages, email, or the Discussions Tool. Any assignments placed in the Discussions Tool WILL NOT be graded by the instructor.
4. Not having the book does not justify an extension or late submission. It is the student’s responsibility to get the required texts.

Incomplete Grade Information
The department complies with university policy regarding the assignment of an Incomplete Grade in any course. Please see http://essc.unt.edu/registrar/academic-record-incomplete.html for information. Per UNT policy, a grade of Incomplete can only be awarded during the last quarter of a class to a student who is 1) passing the course and 2) has a justifiable and documented reason, beyond the control of the student, for not completing the course work on schedule. Notification and submission of documentation must be provided to the instructor at the time of the emergency.

Medical Emergencies
If you have a medical emergency that will prevent you from completing the course as scheduled, you MUST notify your instructor at the time of your medical problem. Requests for an Incomplete or to drop the course must come at the time of the medical emergency and must be supported by a letter from your physician and must specifically state that your medical situation will NOT permit you to work at your computer in order to submit your assignments as scheduled. Requests for an Incomplete or to DROP this course based on a medical emergency CAN NOT be granted after the medical emergency. Of course all requests must meet standard university policy. Doctor’s notes must be received during week 1 or 2 of the medical emergency. Those submitted at the end or once it is over will not be accepted.

Turnitin Notice
Students may be required to submit written assignments for this class to Turnitin, a web-based plagiarism detection service. If your instructor requires you to use this service, please remove your title page and other personal information prior to submitting your assignment to Turnitin.
COURSE EVALUATION
Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey will be made available during weeks 13, 14, and 15 of the long semesters to provide students with an opportunity to evaluate how this course is taught. Students will receive an email from "UNT SPOT Course Evaluations via IASystem Notification" (no-reply@iasystem.org) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey they will receive a confirmation email that the survey has been submitted. For additional information, please visit the SPOT website at www.spot.unt.edu or email spot@unt.edu.

SCHOLARLY EXPECTATIONS
Student Conduct and Academic Integrity
According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

Of particular interest are the following terms:

- **Cheating** – intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise. The term academic exercise includes all forms of work submitted for credit or hours.
- **Plagiarism** – the deliberate adoption or reproduction of ideas, words, or statements of another person as one’s own without acknowledgement.
- **Fabrication** – intentional and unauthorized falsification or invention of any information or citation in an academic exercise.
- **Facilitating academic dishonesty** – intentionally or knowingly helping or attempting to help another to violate a provision of the institutional code of academic integrity.

Depending on the circumstances, students who engage in academic dishonesty may receive a failing grade on an assignment or for the class and/or may be referred to the UNT Dean of Students.

UNT POLICIES
ADA Policy
UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one’s specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website at disability.unt.edu.

Add/Drop Policy
The department adheres to the add/drop schedule established and published by the UNT Office of the Registrar. See the registration calendar for information (http://registrar.unt.edu/registration-guides-by-semester).

University Policy of Absence for Religious Holidays
A student may be excused from attending classes or other activities, including examinations, for observance of a religious holy day, including travel for that purpose.
A. The student should notify a faculty member of anticipated absence to observe religious holy days as early in the semester as possible.

B. An excused student may not be penalized for the absence and must be allowed to complete any examination or an assignment missed during the absence within a reasonable period after the absence. The faculty member may take appropriate action if a student fails to satisfactorily complete an assignment or examination within a reasonable time.

C. If a student and faculty member disagree about whether the absence is due to observance of a religious holy day or whether the student has been given reasonable time to complete any missed assignment or examination, they may appeal the decision using the process outlined in UNT Policy 07.016, Student Complaint Policy or UNT Policy 06.040, Grade Appeals.

Emergency Notification & Procedures
UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Blackboard for contingency plans for covering course materials.

Student Conduct and Discipline
Student behavior that interferes with an instructor’s ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student’s conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at https://deanofstudents.unt.edu/conduct.

Access to Information – Eagle Connect.
Students’ access point for business and academic services at UNT is located at: my.unt.edu. All official communication from the University will be delivered to a student’s Eagle Connect account. For more information, please visit the website that explains Eagle Connect and how to forward e-mail: https://it.unt.edu/eagleconnect.

Sexual Assault Prevention
UNT is committed to providing a safe learning environment free of all forms of sexual misconduct. Federal laws and UNT policies prohibit discrimination on the basis of sex as well as sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking and/or sexual assault, there are campus resources available to provide support and assistance. The Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or by calling the Dean of Students Office at 940-565-2648.

Important Notice for F-1 Students taking Distance Education Courses
Federal Regulation
To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to the Electronic Code of Federal Regulations website at http://www.ecfr.gov.

The specific portion concerning distance education courses is located at "Title 8 CFR 214.2 Paragraph (f) (6) (i) (G)" and can be found located within this document: http://frwebgate.access.gpo.gov/cgi-bin/get-cfr.cgi?TITLE=8&PART=214&SECTION=2&TYPE=TEXT

The paragraph reads:
(G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a
course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement.

University of North Texas Compliance
To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student’s responsibility to do the following:
(1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
(2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (web: https://international.unt.edu/content/enrollment, telephone 940-565-2195, or email internationaladvising@unt.edu) to get clarification before the one-week deadline.
