ART 1900: SYSTEMS & TRANSFORMATIONS

Instructor Contact

Name: Rachel Black
Office Location: ART 307
Office Hours: Mondays and Wednesdays 9 am-10:30 am
Email: rachel.black@unt.edu

Communication Expectations: Please feel free to contact me via email or Canvas. I respond to emails within 24 hours Monday through Friday. We will work to post project grades within one week of the due date.

Course Description

ART 1900 critically analyzes multiple (choice- and research-based) perspectives of object- and image-making and challenges students to develop a personal framework in the processes of visual art and design.

Course Structure

Course concepts and project structures will be delivered online via Canvas. Projects, sketchbook requirements, and writing assignments will be posted to Foliotek for assessment.

This class requires a 2 hour and 20 minute lab which meets twice a week. Friday labs meet once a week for four hours and fifty minutes. In lab you will be given time to work on project requirements and will receive critical in-progress feedback.

Although lab time will be given to work on projects, students should expect to work outside of class.

Course Prerequisites

Prerequisite(s): Two of the following: ART 1600, ART 1700, ART 1800
Corequisite(s): One of the following: ART 1600, ART 1700, ART 1800

Course Objectives

By the end of this course, students will be able to:

- Apply materials and process in a variety of contexts (space, surface, and time).
- Explore, interpret and create a variety of conceptual frameworks using historical and contemporary approaches
- Facilitate a fluid workflow between digital and analog tools, materials, and processes
- Research and analyze a variety of aesthetic concerns
- Document and present research according to professional standards, work ethic, resilience, and learning from necessary failure
- Write and speak to draw connections between ideas, explain decisions and produce new scholarship
- Recall and explain art terminology to connect aesthetic concerns in an intercultural context
Readings

All readings will be provided in a digital format.

Supplies

- Sketchbook, 8.5 x 11 inches or larger
- Drawing pencils, assortment, 6B, 4B, 2B, HB, 2H
- Metal ruler
- White synthetic eraser
- 4 pack or 8 pack assortment of black Pitt pens
- X-Acto knife with replacement blades
- Masking tape
- Glue
- Optional: color media of your choice

*Some projects allow you to choose your media/approach for the completion of the final project. In that case, additional supplies of your choice will be required.*

Technology Requirements

- Computer with internal or external mic & webcam and internet access
- For best performance, Canvas should be accessed on the current or first previous major release of Chrome, Firefox, Edge, or Safari. *The Canvas interface was optimized for desktop displays, so using small form factors such as phones may not be a pleasant experience in using Canvas. For the best user experience, please download the Canvas mobile applications.*
- Adobe Photoshop & Illustrator or comparable raster & vector drawing software or app
- Camera for documentation (Good quality phone pictures are fine for drafts and notes. A professional camera should be used for finished work. These are available for checkout through CVAD IT.)
- Zoom
- Word processor (recommended: Word or Google Docs for integration with RefWorks)
- RefWorks account [Bibliography Manager] (Links to an external site.)
- Slide/presentation software such as Prezi or PowerPoint
- Note: please complete the [CVAD IT checkout agreement] (Links to an external site.) and familiarize yourself with the available equipment and policies.

• **Writing Lab** (http://writingcenter.unt.edu/)
• **MathLab** (https://math.unt.edu/mathlab)

**Course Requirements**

The project grade average is 50% of your final grade.

**Sketchbook.** Each unit has a sketchbook requirement. The Sketchbook average is 20% of your final grade.

**Writing.** Each unit has a writing requirement. The writing average is 20% of your final grade.

**Attendance.** Your cumulative attendance (based on the percentage of scheduled lab sessions you were present) is 10% of your final grade.

**Grading**

• 90-100% A: Outstanding, excellent work. The student performs well above the minimum criteria.
• 80-89% B: Good, impressive work. The student performs above the minimum criteria.
• 70-79% C: Solid, college-level work. The student meets the criteria of the assignment.
• 60-69% D: Below-average work. The student fails to meet the minimum criteria.
• F: 59 and below Sub-par work. The student fails to complete the assignment.
Late Work

I will not accept late work in this course. All work submitted after the deadline will receive a grade of zero unless the student has a university-excused absence and provides documentation within 48 hours of the missed deadline.

Second Chance

Project zeroes may be replaced with a Second Chance submission on Canvas after the project deadline. Second Chance will count as 70% credit. Second Chance for Units I & II final artworks are due on December 11.

Optional: Extra credit will be given (up to 15 additional project points) for graded projects which are improved or redone and submitted for Second Chance. Submit your work in the original project upload portfolio in Foliotek (add a new page, leaving your previous work in place), and use the caption feature to make note of new submissions or improvements so your instructor knows what changes and improvements have been made.

Note: Original project grades stand in all instances. Second Chance opportunities will improve your overall project average but will not change original grades. Second Chance points are assigned unique columns within the Canvas gradebook so you can see the additional points earned. There is no Second Chance opportunity for sketchbook or writing assignments. This option applies to project grades only. There is no Second Chance opportunity for the Unit III project grade.

Course Risk Factor

According to University Policy, this course is classified as a category two course. Students enrolled in this course will be exposed to some significant hazards but are not likely to suffer serious bodily injury. Students will be informed of any potential health hazards or potential bodily injury connected with the use of any materials and/or processes and will be instructed how to proceed without danger to themselves or others.

Attendance Policy

Absences and tardiness will negatively affect your grade. Attendance is mandatory for lab sessions.

Your cumulative attendance (based on the percentage of scheduled lab sessions you were present) is 10% of your final grade. Note: an attendance grade lower than 70% will result in the loss of one letter grade. This penalty will be applied to the final course average (your grade for the course). Students with an attendance grade lower than 60% cannot pass the course regardless of final grade average.

Absences will be excused in extenuating circumstances with proper documentation. An Excused Absence Request Form with proof (i.e. doctor’s note) should be turned in to your lab instructor upon your return to class. A funeral, medical emergency, or similar emergency circumstance may qualify to be excused, but this is subject to approval following the receipt of your documentation. Absences or tardies due to car trouble, scheduled doctor visits, work responsibilities, and traffic jams will not be excused.

See the Undergraduate Course Catalog for university policy regarding absences due to sponsored activities (such as sports) and religious holidays. Students involved in such activities are encouraged to
have absences approved in advance or as early in the semester as possible. Any absences which are not approved or noncompliant with these terms are automatically considered unexcused.

Attendance is taken during each lab session. Remote lab attendance will be noted by the instructor. If you miss class, you are responsible for the topics we covered and the projects that were assigned in your absence. Ask your classmates what you missed, check in with your lab instructor, and review the current Canvas module.

Food is not allowed in lab during work time. You may snack during breaks only.

You should be actively working during class time. If you have completed the assigned project, you are expected to be working in the sketchbook or conducting research. Idle time during class is not acceptable. If your research takes you outside the classroom during class time, check in and check out with your lab instructor to receive attendance credit.

Syllabus Change Policy
This syllabus is subject to change with notice.

UNT Policies

Academic Integrity Policy
Academic Integrity Standards and Consequences. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University. [Insert specific sanction or academic penalty for specific academic integrity violation.]

ADA Policy
The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking reasonable accommodation must first register with the Office of Disability Access (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with a reasonable accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information, refer to the Office of Disability Access website at http://www.unt.edu/oda. You may also contact ODA by phone at (940) 565-4323.

Emergency Notification & Procedures
UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like
chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

Retention of Student Records
Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Blackboard online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student’s records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University’s policy. See UNT Policy 10.10, Records Management and Retention for additional information.

Acceptable Student Behavior
Student behavior that interferes with an instructor’s ability to conduct a class or other students’ opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University’s expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit UNT’s Code of Student Conduct (https://deanofstudents.unt.edu/conduct) to learn more.

Access to Information - Eagle Connect
Students’ access point for business and academic services at UNT is located at: my.unt.edu. All official communication from the University will be delivered to a student’s Eagle Connect account. For more information, please visit the website that explains Eagle Connect and how to forward e-mail Eagle Connect (https://it.unt.edu/eagleconnect).

Student Evaluation Administration Dates
Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey will be made available during weeks 13, 14 and 15 of the long semesters to provide students with an opportunity to evaluate how this course is taught. Students will receive an email from "UNT SPOT Course Evaluations via IASystem Notification" (no-reply@iasystem.org) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey they will receive a confirmation email that the survey has been submitted. For additional information, please visit the SPOT website (http://spot.unt.edu/) or email spot@unt.edu.

Sexual Assault Prevention
UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. Federal laws (Title IX and the Violence Against Women Act) and UNT policies prohibit discrimination on the basis of sex, and therefore prohibit sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking, and/or sexual assault, there are campus resources available to provide support and assistance. UNT’s Survivor Advocates can assist a student who has been
impacted by violence by filing protective orders, completing crime victim’s compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change where appropriate, and connecting students to other resources available both on and off campus. The Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or by calling the Dean of Students Office at 940-565-2648. Additionally, alleged sexual misconduct can be non-confidentially reported to the Title IX Coordinator at oeo@unt.edu or at (940) 565 2759.

PERMISSION TO USE STUDENT ARTWORK (OPTIONAL)
We would like to use your work to spread the news about the amazing art made at CVAD. Please help us put your talent on display by allowing us to photograph and exhibit your art on CVAD’s social media, websites, and paper advertising. Thank you!

I hereby grant permission to UNT and CVAD to use, copy, reproduce, publish, distribute or display any and all works created in my classes while at UNT. Additionally, I consent to the use of my name to coincide with images of my artwork.

1. Scope of Permission. This permission extends to the use of the described work and images of such work: (1) for academic purposes in order to demonstrate examples of student work to current and future UNT students; (2) for public display in the galleries or on the campus of the UNT or on the UNT website; (3) for promotional materials created by UNT in all forms of media now known or later developed, including but not limited to exhibition catalogues, direct mail, websites, advertising, social media, and classroom presentations. My permission is on-going, but can be revoked by giving the professor of record for this course written notice of my wish to revoke permission and use of any images of my artwork. UNT will have three months from the date of my notice to stop all use agreed with this permission.

2. Certificate of Ownership. I am the owner of all work submitted and the work is not subject to any restriction that would prevent its use consistent with this permission. All aspects of the work are original to me and have not been copied. I understand that as owner of the work I have the right to control all reproduction, copying and use of the work in accordance with U.S. copyright laws.

3. Privacy Release. I hereby authorize and consent to the release, maintenance and display of my name if necessary and any other personally identifiable information that I have provided in connection with the work and its use described in this Agreement.

4. Signature. By signing below I hereby grant the permissions indicated above. I understand that this grant of permission relates only to the use of the described work. This is not an exclusive right and I may sell, give or otherwise transfer the rights to such work to others on a non-exclusive or exclusive basis. However, in the event that I do sell, give or otherwise transfer ownership or the exclusive right to use my work to another party, I will notify UNT immediately in writing through the professor of record for this course. UNT will have three months from the date of my notice to stop all use in accordance with this permission.
