Course Website: Visit [www.math.unt.edu/~schmidt/math5110](http://www.math.unt.edu/~schmidt/math5110) for a tentative course calendar and other information (will be updated throughout the semester).

Goal for the two-semester sequence Math 5110-5120: Cover chapters 1-9 of the book.

Attendance: You are expected to attend all classes.

Calculators are not allowed (and not needed).

Grading Policy: Your final grade is determined by the following grading formula:

\[
N = \frac{\text{your homework/quiz points}}{\text{all available homework/quiz points}} \times 40 + \frac{\text{score on first test}}{100} \times 20 \\
+ \frac{\text{score on second test}}{100} \times 20 + \frac{\text{score on final}}{100} \times 20.
\]

This number \(N\) translates into grades as follows:

<table>
<thead>
<tr>
<th>Course Grade</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>90 \leq N</td>
<td>A</td>
</tr>
<tr>
<td>75 \leq N &lt; 90</td>
<td>B</td>
</tr>
<tr>
<td>60 \leq N &lt; 75</td>
<td>C</td>
</tr>
<tr>
<td>50 \leq N &lt; 60</td>
<td>D</td>
</tr>
<tr>
<td>N &lt; 50</td>
<td>F</td>
</tr>
</tbody>
</table>

Adjustments to this table may happen according to overall class performance.

Exam Dates:

- First Midterm Exam   9/26 (R) 12:30 pm – 1:50 pm
- Second Midterm Exam  10/31 (R) 12:30 pm – 1:50 pm

Exam Rules: No calculators, no cell phones, no electronic gadgets of any kind, no textbooks, no notes, no scratch paper except what is provided by the instructor.

Make-up Policy: If you miss an exam for a legitimate and documented reason, you will receive a make-up exam. If you know you will be missing an exam, you must contact the instructor as soon as possible before the exam takes place. Failure to do so will result in zero points on the missed exam.

Homeworks will be collected, partially graded, and returned. You are allowed, even encouraged, to discuss homework assignments with other students. However, each student must turn in his or her own homework.

Academic Misconduct: Cases of academic misconduct are governed by University policy 06.003. See https://policy.unt.edu/policy/06-003

Students with Disabilities: UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Access (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one's specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website at disability.unt.edu.

Emergency Notification and Procedures: UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Blackboard for contingency plans for covering course materials.
