As members of the UNT community, we have all made a commitment to be part of an institution that respects and values the identities of the students and employees with whom we interact. In my courses, I ask that we each strive to follow the Principles of Engagement, created by our UNT Division of Inclusion, Diversity, Equity and Access.

UNT does not tolerate identity-based discrimination, harassment, and retaliation. UNT's full Non-Discrimination Policy can be found in the UNT Policies section of the syllabus.

movies. Selection tools, policies, collection development, and censorship. Comics and graphic novels programming in libraries and schools. **Warning:** Some material required in the course may be considered by some to be controversial.

**Course Structure**

This course is taught exclusively online, through Canvas, and it is the student’s responsibility to be able to access, and appropriately use, online materials and complete course requirements as assigned in the course schedule. Materials for this course are organized into weekly modules that begin on Mondays and end on Sundays. Assignments will be identified in the appropriate module with due dates given, and linked from the module with instructions. You should expect to devote at least 9 hours per week to the work for this course. Many of you have full-time commitments outside of your educational pursuit (job, families, etc.). Please plan and prepare accordingly.

**Course Prerequisites**

None

**Course Objectives**

By the end of this course, students will be able to:

1. Knowledgably discuss the history and development of comic books, graphic novels, their subgenres as literature to read and collect for educational and recreational purposes.
2. Evaluate literature presented in comic medium for the purposes of making collection decisions, composing professional reviews, and advising potential readers.
3. Engage with professional colleagues to improve resources related to comics and graphic novels.
4. Design a graphic novels and comics collection for a specific audience.
5. Plan programming or curriculum using graphic novels and comics for a specific audience.
6. Communicate the value of the comic medium to library stakeholders.

**Materials**

You will be reading many books this semester. Some I have chosen of us to read together, others you will locate on your own. Remember, you do not have to BUY all the books – check out what is available at your local libraries, including e-books!

The required and recommended texts are also available for purchase from the [UNT bookstore](https://unt.bncollege.com/shop/unt/home)

**Required Texts (in order of use in the course):**

Additional graphic novels and comics will be selected by course participants. Supplementary materials, both required and optional, will be located in each module in the Canvas course.

**Teaching Philosophy**

Great teaching comes with a commitment to learn, especially as students join in the spirit of co-learning. I believe the most effective teachers will always be those who want to motivate and guide students to recognize their own knowledge and skills and plan ways of expanding that knowledge. The activities in this course are designed to bring you into the librarian community of practice through the deliberation of relevant issues and the creation of practical products. As a teacher, I strive to create with you all a course experience that is *relational, respectful, real, reflective, and responsive*.

Rules of Engagement
Rules of engagement refer to the way students are expected to interact with each other and with their instructors. Here are some general guidelines:

• While the freedom to express yourself is a fundamental human right, any communication that utilizes cruel and derogatory language on the basis of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law will not be tolerated.
• Treat your instructor and classmates with respect in any communication online or face-to-face, even when their opinion differs from your own.
• Ask for and use the correct name and pronouns for your instructor and classmates.
• Speak from personal experiences. Use “I” statements to share thoughts and feelings. Try not to speak on behalf of groups or other individual’s experiences.
• Use your critical thinking skills to challenge other people’s ideas, instead of attacking individuals.
• Avoid using all caps while communicating digitally. This may be interpreted as “YELLING!”
• Be cautious when using humor or sarcasm in emails or discussion posts as tone can be difficult to interpret digitally.
• Avoid using “text-talk” unless explicitly permitted by your instructor.
• Proofread and fact-check your sources.
• Keep in mind that online posts can be permanent, so think first before you type.

See these Engagement Guidelines (https://clear.unt.edu/online-communication-tips) for more information.

Success in an Online Course

While the online classroom shares many similarities with the face-to-face classroom, success in online education requires certain skills and expectations that you may not be aware of. For useful tips in navigating on online course, visit "How to Succeed as an Online Student." (https://clear.unt.edu/teaching-resources/online-teaching/succeed-online).

Grading Policies

**Final Grade Scale**

A = 900-1000
B = 800-899
C = 700-799
D = 600-699
F = 500-599

There are opportunities to collect **extra credit** during the course. I will also accept **late work**. More information on assignments can be found below under Course Policies.

**Capstone Project**

If you are earning a Master’s degree in Library Science or Information Science, and you began coursework in Fall 2019 or later, you are required to create an electronic portfolio as your Capstone Project. This electronic portfolio is a project that you should be working on every semester as you progress through your coursework. The Community of Information Professionals site in Canvas is designed to provide information and resources to help you create your ePortfolio. The ePortfolio creation requires you to use a template that is only available in that Canvas site. Also, the ePortfolio creation process includes a review of your work every semester. If you have not received an invitation on Canvas to join the Community of Information Professionals, please contact Dr. Tricia Kuon at tricia.kuon@unt.edu.

**Course Evaluation**

Student Perceptions of Teaching (SPOT) is the student evaluation system for UNT and allows students the ability to confidentially provide constructive feedback to their instructor and department to improve the quality of student experiences in the course. Evaluations become available on November 15th and close on December 2nd.

**Course Policies**

**Face Coverings**

UNT encourages everyone to wear a face covering when indoors, regardless of vaccination status, to protect yourself and others from COVID infection, as recommended by current CDC guidelines. Face covering guidelines could change based on community health conditions.

**Attendance Policy**

Students are required to log into the course through Canvas daily to view class announcements, check grades, and complete assignments. It is important that you communicate with the professor and the instructional team prior to being absent, so you, the professor, and the instructional team can discuss and mitigate the impact of the absence on your attainment of course learning goals. Please inform the professor and instructional team if you are unable to attend class meetings because you are ill, in mindfulness of the health and safety of everyone in our community.

If you are experiencing any [symptoms of COVID-19](https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html) please seek medical attention from the Student Health and Wellness Center (940-565-2333 or askSHWC@unt.edu) or your health care provider PRIOR to coming to campus. UNT also requires you to contact the UNT COVID Team at COVID@unt.edu for guidance on actions to take due to symptoms, pending or positive test results, or potential exposure.

**Class Participation**

Interaction with course material is critical to your own learning. Your learning achievement will be magnified if you engage with your fellow students. Participating in discussions and other assignments in
a timely manner will create a learning community that benefits us all. This is especially important in the case of the discussions.

Late Work
I understand that there will occasionally be extenuating circumstances that impact your ability to turn in an assignment on time. I do accept late work up to the last day of instruction. Assignments not turned in at the time of grading will receive zero points. Your assignment score will be updated after you are able to submit. Remember that keeping pace with the course will create the best learning experience for yourself and your classmates.

Examination Policy
There are no examinations in this course.

Assignment Policy
Assignments are due by 11:59pm Central Time by the end of the module or the date listed in the syllabus. All assignment instructions will be found in the Canvas course site. You will submit all assignments through Canvas. Do not email assignments unless instructed otherwise.

The University is committed to providing a reliable online course system to all users. However, in the event of any unexpected server outage or any unusual technical difficulty which prevents students from completing a time sensitive assessment activity, the instructor will extend the time windows and provide an appropriate accommodation based on the situation. Students should immediately report any problems to the instructor and contact the UNT Student Help Desk: helpdesk@unt.edu or 940.565.2324 and obtain a ticket number. The instructor and the UNT Student Help Desk will work with the student to resolve any issues at the earliest possible time.

All assignments are expected to conform to basic standards for scholarly writing. In this course, you are expected to follow American Psychological Association (APA) 6th edition manual of style in all of your reference and citation formatting for this course. Proper documentation of sources is the best defense against plagiarism. When citing references (books, journal articles, and websites) in any assignment, you must adhere to the APA citation guidelines.

Instructor Responsibilities and Assignment Feedback
As your instructor, it is my responsibility to:

- Help you grow and learn as an information professional
- Provide clear instructions for projects and assignments
- Answer questions about assignments in a timely manner
- Identify additional resources as necessary
- Provide grading rubrics
- Review and update course content
- Provide assignment feedback

For assignments turned in on-time, we strive to provide feedback within 2 weeks through Canvas. If the assignment is late, you will receive feedback at our convenience. Feedback on your work may take the form of an overall narrative comment, specific comments on particular areas of your work, both, or some other form. Grading rubrics, when used, will be provided with the assignment so that students
may use them to assess their own work in advance of submission. If you are unsatisfied with your grade on an assignment, you may submit a revised version to be graded at our convenience. All assignments, revised or original, must be turned in by 11:59pm on the last day of class to receive credit.

Syllabus Change Policy
As the instructor, I reserve the right to make changes to this syllabus if needed. Notices will be posted in the course announcement section in advance of changes being made.

Federal copyright law prohibits the reproduction, distribution, public performance, or public display of copyrighted materials without the expressed and written permission of the copyright owner, unless fair use or another exemption under copyright law applies.

Any students who use university equipment or services to access, copy, display, perform, or distribute copyrighted works (except as permitted under copyright law or specific license) will be subject to appropriate disciplinary action by the university as well as to those civil and criminal penalties provided by federal law.

UNT Policies

Academic Integrity Policy
Academic Integrity Standards and Consequences. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

ADA Policy
UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one’s specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website (https://disability.unt.edu/).

Prohibition of Discrimination, Harassment, and Retaliation (Policy 16.004)
The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or
state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

Emergency Notification & Procedures
UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

Retention of Student Records
Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student’s records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University’s policy. See UNT Policy 10.10, Records Management and Retention for additional information.

Acceptable Student Behavior
Student behavior that interferes with an instructor’s ability to conduct a class or other students’ opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student’s conduct violated the Code of Student Conduct. The University’s expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit UNT’s Code of Student Conduct (https://deanofstudents.unt.edu/conduct) to learn more.

Access to Information - Eagle Connect
Students’ access point for business and academic services at UNT is located at: my.unt.edu. All official communication from the University will be delivered to a student’s Eagle Connect account. For more information, please visit the website that explains Eagle Connect and how to forward e-mail Eagle Connect (https://it.unt.edu/eagleconnect).

Student Evaluation Administration Dates
Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey will be made available during weeks 13, 14 and 15 of the long semesters to provide students with an opportunity to evaluate how this course is taught. Students will receive an email from "UNT SPOT Course Evaluations via IASystem Notification" (no-reply@iasystem.org) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey they will receive a confirmation email that the survey has been submitted. For additional information, please visit the SPOT website (http://spot.unt.edu/) or email spot@unt.edu.
Survivor Advocacy
UNT is committed to providing a safe learning environment free of all forms of sexual misconduct. Federal laws and UNT policies prohibit discrimination on the basis of sex as well as sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking and/or sexual assault, there are campus resources available to provide support and assistance. The Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or by calling the Dean of Students Office at 940-565-2648.

Important Notice for F-1 Students taking Distance Education Courses

Federal Regulation
To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to the Electronic Code of Federal Regulations website (http://www.ecfr.gov/). The specific portion concerning distance education courses is located at Title 8 CFR 214.2 Paragraph (f)(6)(i)(G).

The paragraph reads:

(G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student’s physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student’s course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student’s full course of study requirement.

University of North Texas Compliance
To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student’s responsibility to do the following:

(1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.

(2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email internationaladvising@unt.edu) to get clarification before the one-week deadline.
Student Verification
UNT takes measures to protect the integrity of educational credentials awarded to students enrolled in distance education courses by verifying student identity, protecting student privacy, and notifying students of any special meeting times/locations or additional charges associated with student identity verification in distance education courses.

See UNT Policy 07-002 Student Identity Verification, Privacy, and Notification and Distance Education Courses (https://policy.unt.edu/policy/07-002).

Use of Student Work
A student owns the copyright for all work (e.g. software, photographs, reports, presentations, and email postings) he or she creates within a class and the University is not entitled to use any student work without the student’s permission unless all of the following criteria are met:

- The work is used only once.
- The work is not used in its entirety.
- Use of the work does not affect any potential profits from the work.
- The student is not identified.
- The work is identified as student work.

If the use of the work does not meet all of the above criteria, then the University office or department using the work must obtain the student’s written permission.

Transmission and Recording of Student Images in Electronically-Delivered Courses

1. No permission is needed from a student for his or her image or voice to be transmitted live via videoconference or streaming media, but all students should be informed when courses are to be conducted using either method of delivery.

2. In the event an instructor records student presentations, he or she must obtain permission from the student using a signed release in order to use the recording for future classes in accordance with the Use of Student-Created Work guidelines above.

3. Instructors who video-record their class lectures with the intention of re-using some or all of recordings for future class offerings must notify students on the course syllabus if students' images may appear on video. Instructors are also advised to provide accommodation for students who do not wish to appear in class recordings.

Example: This course employs lecture capture technology to record class sessions. Students may occasionally appear on video. The lecture recordings will be available to you for study purposes and may also be reused in future course offerings.

No notification is needed if only audio and slide capture is used or if the video only records the instructor's image. However, the instructor is encouraged to let students know the recordings will be available to them for study purposes.
Class Recordings & Student Likenesses

Synchronous (live) sessions in this course will be recorded for students enrolled in this class section to refer to throughout the semester. Class recordings are the intellectual property of the university or instructor and are reserved for use only by students in this class and only for educational purposes. Students may not post or otherwise share the recordings outside the class, or outside the Canvas Learning Management System, in any form. Failing to follow this restriction is a violation of the UNT Code of Student Conduct and could lead to disciplinary action.

*UNT euIDs cannot be changed at this time. The collaborating offices are working on a process to make this option accessible to UNT community members.*

Pronouns

Pronouns (she/her, they/them, he/him, etc.) are a public way for people to address you, much like your name, and can be shared with a name when making an introduction, both virtually and in-person. Just as we ask and don’t assume someone’s name, we should also ask and not assume someone’s pronouns.

You can [add your pronouns to your Canvas account](https://canvas.unt.edu) so that they follow your name when posting to discussion boards, submitting assignments, etc.

Below is a list of additional resources regarding pronouns and their usage:
What are pronouns and why are they important?
How do I use pronouns?
How do I share my pronouns?
How do I ask for another person’s pronouns?
How do I correct myself or others when the wrong pronoun is used?
