Grading: Grades will be based on three midterm exams (20 points each), homework and special projects (20 points) and a final exam (40 points). The lowest of the midterm grades is dropped, so the maximum score is 100. To earn an A you need 90 points, 80 for a B, 70 for a C and 60 for a D.

Homework: They will be assigned each class, to be completed the same day of the following week. The homework must be clear and show all intermediate steps. Check with the solutions at the end of the chapter, if you don't get them come to my office for help.

Exams: Midterm exams will be given in class on February 20, March 27 and April 17 on the usual class time. The final exam is scheduled on May 9, 8:00-10:00 on the same classroom (these dates may change).

Disabilities: It is responsibility of students with certified disabilities to provide the instructor with appropriate documentation from the Dean of Students Office.

Cheating: Anyone caught cheating will receive an F for the course. Turn off phones during class and exams. No calculators, electronic devices or notes are allowed during the exams.
