Disabilities: The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking reasonable accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with a reasonable accommodation letter to be
delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Accommodation website at http://www.unt.edu/oda. You may also contact them by phone at 940.565.4323.

Acceptable Student Behavior (departmental/university policy):

Student behavior that interferes with an instructor’s ability to conduct a class or other students’ opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student’s conduct violated the Code of Student Conduct. The university’s expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at www.deanofstudents.unt.edu

You must inform either the professor or the teaching assistant in advance of any circumstance that will cause you to miss a scheduled quiz date and/or time. There will be no make-up quizzes/tests except under extreme circumstances.

Each student is expected to do his or her own work. This is important when working on group projects, when citing research for assignments, when posting to discussions, or when answering test questions. Plagiarism and cheating - academic dishonesty - are serious offenses and will not be tolerated in this class. Students who plagiarize or cheat will be referred to the office of the provost and will receive a failing grade in the class. For more information on the university's policy on academic dishonesty please consult the UNT Code of Student Conduct and Discipline at http://www.unt.edu/catalogs/2004-05/upolicies.html.
