Course Description

Disruption in global supply chains. Increasing global unemployment. Global recession. The persistence of poverty and inequality. Inflation. Climate change. Inefficiency in utilizing resources. Geopolitical tensions disrupting global trade. Regions where communities lack access to affordable healthy and nutritious food. Demographic change. These are some of the pressing economic issues and concerns challenging our world today. This course introduces learners to the concepts and ideas of international economy and business and the factors shaping and impacting them. As learners explore how globalization has driven economic interdependence among states and how this interdependence has resulted in some of today's global economic issues and concerns, special attention will be dedicated to the United Nations' Sustainable Development Goals (SDG), particularly on Goal 12: sustainable consumption and production patterns. This course uses project based learning (PBL) to help learners build their knowledge and skills by partnering with Jackie Mays Burger, a sustainable fast food company, where learners will have the opportunity to work on a project based on real challenges, needs, or concerns of a company.

Support and Planning

One of my main goals is to support you in being successful. If you are a parenting student, are caring for elders or other family members, are dealing with serious physical or mental health issues, are working several jobs, or have other extenuating circumstances that are likely to impact your participation, performance, and attendance in class, **PLEASE feel comfortable to discuss this with me. I will not see it as asking for favors and will not see it as complaining.** I can support you best if I know your situation and circumstances beforehand.

If a problem or emergency arises that prevents you from attending an exam, completing an online quiz, submitting a written assignment, or attending class, **please contact the instructor immediately or at your earliest convenience.**

I hope to support you and work together with you in advance on any alternative arrangements you may need, rather than finding out after the fact that you needed them. I understand that some learners may have complications. I hope we can address and resolve the complication(s) together.

All information will be held in strict confidence.

Academic Integrity Policy

The University of North Texas promotes the integrity of learning and embraces the core values of trust and honesty. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University. In the investigation and resolution of allegations of student academic dishonesty, the University's actions are intended to be corrective, educationally sound, fundamentally fair, and based on reliable evidence.

Students may access and read more about The University's Student Academic Integrity here:

https://policy.unt.edu/sites/default/files/06.003%20Student%20Academic%20Integrity_0.pdf.

Student Attendance and Authorized Absences

Please arrive at class on time. As the course is built around interaction and dialogue, attendance is critical. The University of North Texas recognizes that student success is promoted by regular attendance and participation in class. When you miss classes, your grades will be affected. An

absence is excused when due to serious illness, religious observance, participation in University of North Texas activities at the request of University of North Texas authorities, or compelling/extenuating circumstances beyond your control. When you miss class, please take note that it is your responsibility to arrange to make up the day's work. Please approach the instructor about your absence and inquire about ways of making it up. Students may access and read more about The University's Student Attendance and Authorized Absences here: <https://policy.unt.edu/sites/default/files/06.039%20Student%20Attendance%20and%20Authorized%20Absences.pdf>.

Make-up Coursework or Late Work Submission

Only students with University-excused absences are able to submit make-up or late work unless you have communicated to the instructor of your extenuating circumstances, and we have arranged an extension for the assignment's due date. Please communicate with the instructor as soon as possible if you anticipate or think that you may not be able to meet the coursework's due dates. **The maximum extension would be ONE WEEK after the initial due date.** Any assignment submitted AFTER the one week extension will receive a **partial grade**.

Emergency Notification and Procedures

UNT uses a system called **Eagle Alert** to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials. Therefore, the academic calendar is subject to change.

Students may access and read more about The University's Emergency Notifications and Procedures here: <https://emergency.unt.edu/sites/default/files/stay.informed.final.pdf>.

Acceptable Student Behavior

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The university's expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. For information on the University's policies regarding academic integrity and dishonesty, see the UNT Center for Student Rights and Responsibilities, and especially the [UNT Student Code of Conduct](#)

(https://policy.unt.edu/sites/default/files/07.012_CodeOfStudConduct.Final8_19.format_0_0.pdf).

Withdrawal Policy

The Dean of Students Office is committed to helping you if you should ever intend to withdraw from a semester (drop ALL courses). If you wish to withdraw you must **do so in person at the Dean of Students Office (Sage Hall 110) during office hours**. This is a "one stop shop" for the withdrawal process. Students may only withdraw from the first class day until the official last day to withdraw as indicated in the academic calendar. You may find the **Spring 2023 Academic Calendar** here: <https://registrar.unt.edu/regISTRATION/spring-registration-guide>.

You must visit the [Dean of Students Office](#) to obtain the official University Withdrawal Form and meet with a staff member. The meeting will ensure you are informed of any obligations you may have with the University or items you may need to fulfill upon returning to UNT. Students will also receive Financial Aid Exit counseling (as applicable). This will allow UNT to better understand the reasons why students leave in order to improve our University and its services. Students may

access and find more information regarding withdrawal here:
<https://studentaffairs.unt.edu/dean-of-students/policies/withdrawals>.

Retention of Student Records

Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year.

Students have the right to view their individual record; however, information about student's records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University's policy. For additional information, students may access the

UNT Policy 04.008 Records Management and Retention here:
<https://policy.unt.edu/sites/default/files/04.008%20Records%20Management%20and%20Retention.pdf>.

Sexual Discrimination, Harassment, and Assault

UNT is committed to providing an environment free of all forms of discrimination and sexual harassment, including sexual assault, domestic violence, dating violence, and stalking. If you (or someone you know) has experienced or experiences any of these acts of aggression, please know that you are not alone. The federal Title IX law makes it clear that violence and harassment based on sex and gender are Civil Rights offenses. UNT has staff members trained to support you in navigating campus life, accessing health and counseling services, providing academic and housing accommodations, helping with legal protective orders, and more.

UNT's Dean of Students' website offers a range of on-campus and off-campus resources to help support survivors, depending on their unique needs: <https://deanofstudents.unt.edu>, or by calling the Dean of Students' office at 940-565-2648. They are here to help.

Non-Discrimination Policy

The University of North Texas prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The university takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

Equal Opportunity and Title IX coordinates and monitors the University's compliance with the requirements of federal and state non-discrimination laws. Direct questions or concerns to Equal Opportunity and Title IX at 940-565-2759, TTY access: 940-369-8652 or 800-735-2989. You may contact Equal Opportunity and Title IX by email at oeo@unt.edu.

ADA/ODA Accommodation Policy

The University of North Texas (UNT or University) does not discriminate on the basis of disability in admission, treatment, or access to its programs or activities, nor in employment in its programs or activities. The University is committed to providing equal educational access for qualified students with disabilities in accordance with state and federal laws, including the Americans with Disabilities Act of 1990 as Amended, and Section 504 of the Rehabilitation Act of 1973. In addition, the University is committed to making all programs and activities sponsored by UNT accessible, as required by the Texas Accessibility Standards and the Americans with Disabilities Act Accessibility Guidelines.

Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter. It is your responsibility to initiate a private discussion with faculty regarding your specific needs in any course. You may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the Office of Disability Accommodation website at <http://disability.unt.edu/>. You may also contact them by phone at 940-565-4323.

Diversity, Equity, and Inclusion

Consistent with the [University of North Texas policy on diversity](#), I view diversity as encompassing the intersecting identities that make us unique individuals, including, but not limited to, nationality, ethnic or racial identity, sexual and LGBTQIA+ identity, gender identity and expression, age, religious or spiritual beliefs, socioeconomic status, body shape or size, physical ability status, and varying points of view. I value the many perspectives students bring to our campus. I hope to work with you in creating a classroom culture of open communication, mutual respect, and inclusion. All discussions should be respectful and civil. Although disagreements and debates are encouraged, personal attacks are unacceptable. Together, we can ensure a safe and welcoming classroom for all. If you ever feel like this is not the case, please stop by my office and let me know. We are all learning together. Thank you.

COVID Policy

Students are expected to attend class meetings regularly and to abide by the attendance policy established for the course. It is important that you communicate with the professor and the instructional team prior to being absent, so you, the professor, and the instructional team can discuss and mitigate the impact of the absence on your attainment of course learning goals. Please inform the professor and instructional team if you are unable to attend class meetings because you are ill, in mindfulness of the health and safety of everyone in our community. If you are experiencing any [symptoms of COVID](https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html) (https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html) please seek medical attention from the Student Health and Wellness Center (940-565-2333 or askSHWC@unt.edu) or your health care provider PRIOR to coming to campus. UNT also requires you to contact the UNT COVID Team at COVID@unt.edu for guidance on actions to take due to symptoms, pending or positive test results, or potential exposure.

SPOT Evaluation

The Student Perspective of Teaching (SPOT) is a requirement for all organized classes at UNT. This survey, which will be available to students sometime during weeks 13, 14, and 15 of the long semesters, provides students with the opportunity to evaluate the course and comment on how this class is taught.

Students will receive an email from "UNT SPOT Course Evaluations via IASystem Notification" (no-reply@iasystem.org) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey, they will receive a confirmation email that the survey has been submitted. For additional information, please visit the [SPOT website](http://spot.unt.edu/) (http://spot.unt.edu/) or email spot@unt.edu.

Your feedback and comments are very important to the continued success of this course and in improving my teaching skills. I value your feedbacks greatly. Thank you.
