## WELCOME TO UNT!

As members of the UNT community, we have all made a commitment to be part of an institution that respects and values the identities of the students and employees with

## COURSE DESCRIPTION

Foundations of Entrepreneurship (MGMT 3850): Emphasis on developing effective entrepreneurial skills, analytical abilities, market analysis capabilities, and understanding of principles of successful entrepreneurial actions. Includes preparation of a feasibility study.

## COURSE STRUCTURE

This course will be taught online during a regular long semester. We will cover 14 chapters as outlined on the course schedule. Modules in the course will be conducted using the textbook, research, videos, articles and cases. Articles and cases will deal with issues related to entrepreneurial problems. Recognize that each article/case is simply a record of an issue, which has been faced by business executives. It is not to be construed as portraying either correct or incorrect behaviors. Instead, these articles/cases contain the facts, opinions and prejudices upon which executive decisions have been made. As such, they will provide the basis for in-depth examination of particular issues and concepts.

## COURSE PREREQUISITES OR RESTRICTIONS

## RULES OF ENGAGEMENT

Rules of engagement refer to the way students are expected to interact with each other, the instructor, and the TA (if any). Here are some general guidelines:

- While the freedom to express yourself is a fundamental human right, any communication that utilizes cruel and derogatory language on the basis of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law will not be tolerated.
- Treat your instructor and classmates with respect in any communication online or face-to-face, even when their opinion differs from your own.
- Ask for and use the correct name and pronouns for your instructor and classmates.
- Speak from personal experiences. Use “I” statements to share thoughts and feelings. Try not to speak on behalf of groups or other individual’s experiences.
- Use your critical thinking skills to challenge other people’s ideas, instead of attacking individuals.
- Avoid using all caps while communicating digitally. This may be interpreted as “YELLING!”
- Be cautious when using humor or sarcasm in emails or discussion posts as tone can be difficult to interpret digitally.
- Avoid using “text-talk” unless explicitly permitted by your instructor.
- Proofread and fact-check your sources. Keep in mind that online posts can be permanent, so think first before you type.
- We don’t steal ideas from others.

## COVID-19 POLICY AND CLASS ATTENDANCE

An attendance policy is required for every UNT syllabi. Visit the [University of North Texas' Attendance Policy](http://policy.unt.edu/policy/15-2-) (<http://policy.unt.edu/policy/15-2->) to learn more. **You are required to check your email, grades, assignments, and announcements four times a week.**

While attendance is expected as outlined above, it is important for all of us to be mindful of the health and safety of everyone in our community, especially given concerns about COVID-19. Please contact me if you are unable to attend class because you are ill, or unable to attend class due to a related issue regarding COVID-19. It is important that you communicate with me prior to being absent so I may make a decision about accommodating your request to be excused from class.

If you are experiencing any [symptoms of COVID-19](https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html) (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>) please seek medical attention from the Student Health and Wellness Center (940-565-2333 or [askSHWC@unt.edu](mailto:askSHWC@unt.edu)) or your health care provider PRIOR to coming to campus. UNT also requires you to contact the UNT COVID Hotline at 844-366-5892 or [COVID@unt.edu](mailto:COVID@unt.edu) for guidance on actions to take due to symptoms, pending or positive test results, or potential exposure. While attendance is an important part of succeeding in this class, your own health, and those of others in the community, is more important.

## STATEMENT ON FACE COVERINGS

Consistent with City of Denton Ordinance and UNT policy, individuals are required to wear face coverings on UNT's campuses. The use of face coverings has proven to reduce the spread of diseases, including COVID-19. All students and faculty are required to wear a face covering in class or on campus to protect themselves and others from COVID-19 until further notice. I have permission to wear a face shield during lecture.

## EXAM POLICY (PC, MAC, iPad, or Chromebook)

Three non-cumulative examinations will be administered online. I will also be online as a virtual proctor monitoring your progress and to troubleshoot any problems. Each exam can consist of multiple choice, calculations, and true-false questions. Exam content will come from the textbook, lessons, assignments, and to a lesser degree YouTube® videos. **Exams will open at 8:00 AM and remain open until 10:59 PM CST (see schedule).** You will complete all exams online within the time allotted. Each of the three exams may have different time limits (i.e., 50, 60 minutes). Modify your pop-up blocking software including the new Yahoo and Google browsers! Books and notes are \*NOT\* permitted!

DSL, cable, Fiber, or better connections are preferred for exams. Most homes and apartments have robust Internet service. Using wireless connections in your home will be OK. Dial-up and cellular wireless connections have proven unsatisfactory and problem laden in the past. Exam times will always be stated in Central Standard Time (CST) and will be located under the "Quizzes" tab (left side navigation menu) on the home page. You can also access exams via the modules function.

## CANVAS LEARNING SYSTEM AND OUTRAGES

The University is committed to providing a reliable online course system to all users. However, in the event of any unexpected server outage or any unusual technical

UNIVERSITY of NORTH TEXAS  
G. BRINT RYAN COLLEGE OF BUSINESS

difficulty which prevents students from completing a time sensitive assessment activity, the instructor will extend the time windows and provide an appropriate accommodation based on the situation. Students should immediately report any problems to the instructor and contact the UNT Student Help Desk: [helpdesk@unt.edu](mailto:helpdesk@unt.edu) or 940.565.2324 and obtain a ticket number. The instructor and the UNT Student Help Desk will work with the student to resolve any issues at the earliest possible time.

## STUDENT ATHLETES

Student athletes have the difficult task of maintaining grades and high levels of physical performance. Due to these simultaneously competing values, I ask student athletes to identify themselves to me via email message and provide a game schedule. This will help me support you when needed.

## CANVAS LEARNING SYSTEM GRADES AND ANNOUNCEMENTS

Grades posted in the Canvas Learning System are unofficial. The instructional team will keep official grades (in spreadsheet form) in a secure location. This is to protect against hacking of the Canvas Learning System and destruction of grade reports. Official grades and Canvas Learning System grades should be equivalent (match). Please contact me to discuss discrepancies. **You are required to check your email, grades, assignments, and announcements four times a week.**

## SUNDOWN RULE

You have one week (from the due date) to inquire about your grade on an exam, assignment, or team project. The exception to this is the final exam where inquiring may extend into the new term. The purpose is to resolve any issue during the term and not wait until the last week of the term. **You are required to check your email, grades, assignments, and announcements four times a week in the Canvas Learning System.**

## EUID ACCESS AND PASSWORDS

Enterprise User Identification numbers (EUID's) and passwords are required to access this course. It is the student's responsibility to maintain a current EUID number and password. Keep in mind that the University will time out passwords every 120 days for security reasons. You may reset your password at <https://ams.unt.edu>.

## USE OF PERSONAL COMPUTERS

The student assumes ALL responsibility for the operating condition of personal computers and the functionality of individual Internet connections. Help Desk Support Services are available to help solve personal computer issues and is located at <http://it.unt.edu/helpdesk>. You may call them at 940-565-2324. The help desk web page

UNIVERSITY of NORTH TEXAS  
G. BRINT RYAN COLLEGE OF BUSINESS

has contact information and hours of operations displayed. In addition, ISP issues will be dealt with on an individual basis and will require documentation. Please modify pop-up blocker software.

## USE OF THE CANVAS LEARNING SYSTEM

The student assumes ALL responsibility for conducting class, taking exams, and uploading assignments within the Canvas Learning System. Tutorials are located at [Student Guide - Canvas Community \(canvaslms.com\)](https://canvaslms.com).

## DROPPING THE COURSE

If you decide it is necessary to drop the course, please adhere to the related guidelines presented in the [\*2021-2022 Schedule of Classes – the University of North Texas\*](#).

## PANDEMIC AND DISASTERS POLICY

The word “Pandemic” refers to health related emergencies as declared by the proper authorities. The word “Disaster” refers to either natural and man-made activities, or states of emergency affecting the population, as declared by the proper authorities. We will continue to operate through normal Internet connections (Canvas). Course timing and due dates adjustments will be made as required. I will contact you via telephone, through Canvas, and Eagle Connect email platforms.

## INCOMPLETE GRADES

Professors in the College of Business must seek authorization to grant incomplete grades. Requests must go through the Professor’s department and be approved by both the Chair and the Dean. After approved by the Dean, an incomplete grade may be entered into the Registrar’s grade repository. In addition, the terms and conditions under which an incomplete grade may be granted are extremely narrow. Please consult the student handbook for more information.

## SITUATIONS NOT COVERED BY UNIVERSITY POLICY

Faculty grade books are monitored by the University, AACSB International, the State, and Federal agencies. However, every semester a student will ask me for a deal that is not available to all students. A common mistake is to ask to extend deadlines for assignments and/or exams. Under no circumstances will I grant such a request (unless covered by university policy) for it is unfair to other students. Missed assignments are assigned a 0. And the most unethical mistake is to ask for a higher grade at the end of the course when you did not earn it. There are points available in the course. In effect, act professionally.

## NON-CONFIDENTIAL EMPLOYEES

Due to changes in Texas state law, faculty and staff are now considered **non-confidential** employees. Individuals/ students sharing that they suffer from depression, are contemplating suicide, involved in sex trafficking (Sugar Babies), or are victims of crimes (to include domestic violence) must be referred to the proper UNT office. Faculty and staff that fail in this requirement are subject to criminal prosecution and termination.

## COLLEGE EMERGENCY EVACUATION PROCEDURES (F2F)

**Severe Weather.** In the event of severe weather, all building occupants should immediately seek shelter in the designated shelter-in-place area in the building. If unable to safely move to the designated shelter-in-place area, seek shelter in a windowless interior room or hallway on the lowest floor of the building. All building occupants should take shelter in rooms 055, 077, 090, and the restrooms on the basement level. In rooms 170, 155, and the restrooms on the first floor.

**Bomb Threat/Fire.** In the event of a bomb threat or fire in the building, all building occupants should immediately evacuate the building using the nearest exit. Once outside, proceed to the designated assembly area. If unable to safely move to the designated assembly area, contact one or more members of your department or unit to inform them of your whereabouts.

Persons with mobility impairments who are unable to safely exit the building should move to a designated area of refuge and await assistance from emergency responders. All building occupants should immediately evacuate the building and proceed to the south side of Crumley Hall in the grassy area, west of parking lot 24.

## UNIVERSITY POLICIES

### Academic Integrity Policy

**Academic Integrity Standards and Consequences.** According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

UNT Code of Student Conduct and Discipline (06.003) defines misconduct and provides penalties for misconduct by students, including academic dishonesty. Academic dishonesty includes cheating and plagiarism.

The term **cheating** includes, but is not limited to, (1) use of any unauthorized assistance

UNIVERSITY of NORTH TEXAS  
G. BRINT RYAN COLLEGE OF BUSINESS

in taking quizzes, tests or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; or (3) the acquisition, without permission, of tests or other academic material belonging to a faculty member or staff of the university. This also includes taking pictures of or posting exam questions on the Internet (i.e., social media).

The term **plagiarism** includes, but is not limited to, the use, by paragraph or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials. This includes using papers written in other classes.

The incident will be reported to the UNT Office of the Provost and the investigation will follow the outlined "Academic Integrity Process" as referenced at <http://facultysuccess.unt.edu/academic-integrity>. If you have engaged in academic dishonesty related to this class, you will receive a failing grade on the test or assignment, and a failing grade in the course. This policy is intended to protect the honest student from unfair competition with unscrupulous individuals who might attempt to gain an advantage through cheating.

**\*Please Note:** I will use a plagiarism detection service (i.e., Turnitin.com) to scan your final project. This will be done in full compliance with university policy.

### ADA Policy

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one's specific course needs.

Students may request accommodations at any time; however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation every semester and must meet with each faculty member prior to implementation in class. For additional information see the [ODA website](https://disability.unt.edu/) (<https://disability.unt.edu/>).

### Prohibition of Discrimination, Harassment, and Retaliation (Policy 16.004)

The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies,

UNIVERSITY of NORTH TEXAS  
G. BRINT RYAN COLLEGE OF BUSINESS

procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

### Emergency Notification & Procedures

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

### Retention of Student Records

Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student's records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University's policy. See UNT Policy 10.10, Records Management and Retention for additional information.

### Acceptable Student Behavior

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit UNT's [Code of Student Conduct](https://deanofstudents.unt.edu/conduct) (https://deanofstudents.unt.edu/conduct) to learn more.

### Access to Information - Eagle Connect

Students' access point for business and academic services at UNT is located at: [my.unt.edu](https://my.unt.edu). All official communication from the University will be delivered to a student's Eagle Connect account. For more information, please visit the website that explains

UNIVERSITY of NORTH TEXAS  
G. BRINT RYAN COLLEGE OF BUSINESS

Eagle Connect and how to forward e-mail [Eagle Connect](https://it.unt.edu/eagleconnect)  
(<https://it.unt.edu/eagleconnect>).

### Student Evaluation Administration Dates

Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey will be made available to provide students with an opportunity to evaluate how this course is taught. Not for conditions out of the instructor's control.

Students will receive an email from "UNT SPOT Course Evaluations via IA System Notification" ([no-reply@iasystem.org](mailto:no-reply@iasystem.org)) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey, they will receive a confirmation email that the survey has been submitted. For additional information, please visit the [SPOT website](http://spot.unt.edu/) (<http://spot.unt.edu/>) or email [spot@unt.edu](mailto:spot@unt.edu).

### Sexual Assault Prevention

UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. Federal laws (Title IX and the Violence Against Women Act) and UNT policies prohibit discrimination on the basis of sex, and therefore prohibit sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking, and/or sexual assault, there are campus resources available to provide support and assistance.

UNT's Survivor Advocates can assist a student who has been impacted by violence by filing protective orders, completing crime victim's compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change where appropriate, and connecting students to other resources available both on and off campus. The Survivor Advocates can be reached at [SurvivorAdvocate@unt.edu](mailto:SurvivorAdvocate@unt.edu) or by calling the Dean of Students Office at 940-565- 2648. Additionally, alleged sexual misconduct can be non-confidentially reported to the Title IX Coordinator at [oeo@unt.edu](mailto:oeo@unt.edu) or at (940) 565 2759.

### Important Notice for F-1 Students taking Distance Education Courses

#### **Federal Regulation**

To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to the [Electronic Code of Federal Regulations website](#)

UNIVERSITY of NORTH TEXAS  
G. BRINT RYAN COLLEGE OF BUSINESS

(<http://www.ecfr.gov/>). The specific portion concerning distance education courses is located at Title 8 CFR 214.2 Paragraph (f)(6)(i)(G).

The paragraph reads:

(G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement.

### **University of North Texas Compliance**

To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student's responsibility to do the following:

- (1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
- (2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email [internationaladvising@unt.edu](mailto:internationaladvising@unt.edu)) to get clarification before the one-week deadline.

### **Student Verification**

UNT takes measures to protect the integrity of educational credentials awarded to students enrolled in distance education courses by verifying student identity, protecting student privacy, and notifying students of any special meeting times/locations or additional charges associated with student identity verification in distance education courses.

See [UNT Policy 07-002 Student Identity Verification, Privacy, and Notification and Distance Education Courses](https://policy.unt.edu/policy/07-002) (<https://policy.unt.edu/policy/07-002>).

### Use of Student Work

A student owns the copyright for all work (example: software, photographs, reports, presentations, and email postings) he or she creates within a class and the University is not entitled to use any student work without the student's permission unless all of the following criteria are met:

- The work is used only once.
- The work is not used in its entirety.
- Use of the work does not affect any potential profits from the work.
- The student is not identified.
- The work is identified as student work.

If the use of the work does not meet all of the above criteria, then the University office or department using the work must obtain the student's written permission.

### Transmission and Recording of Student Images in Electronically-Delivered Courses

1. No permission is needed from a student for his or her image or voice to be transmitted live via videoconference or streaming media, but all students should be informed when courses are to be conducted using either method of delivery.
2. In the event an instructor records student presentation, he or she must obtain permission from the student using a signed release in order to use the recording for future classes in accordance with the Use of Student-Created Work guidelines above.
3. Instructors who video-record their class lectures with the intention of re-using some or all of recordings for future class offerings must notify students on the course syllabus if students' images may appear on video. Instructors are also advised to provide accommodation for students who do not wish to appear in class recordings.

Example: This course employs lecture capture technology to record class sessions. Students may occasionally appear on video. The lecture recordings will be available to you for study purposes and may also be reused in future course offerings.

No notification is needed if only audio and slide capture is used or if the video only records the instructor's image. However, the instructor is encouraged to let students know the recordings will be available to them for study purposes.
