Assignments:

- All assignments should be submitted to the instructor by the beginning of the class on the due date. After beginning of the class, all assignments are considered as late assignments and will be penalized 10% for each class calendar day.
- No excuse will be allowed for a late assignment and will not be accepted after a week of the original due date, resulting in a “0”.

Makeup Exams:

- A missed exam without an excused absence will result in a “0” for that exam.

Course Etiquettes

- Students are not allowed to use their cell phones, headphones, PDA’s, mp3 player, or other handheld devices. They must be turned off and put away out of sight during class.
- **Laptops, tablet PC’s, and notebook PC’s may be used only for note taking. Any violation of this privilege by any student will result in no longer allowing these devices for all students in the classroom.**
- If the instructor determines that a student is distracting class, the student will lose points toward the “class participation” grade.

Grade Determination: The final semester grade will be determined as follows:
