EENG 3920  Modern Communication System Design Project

Instructor:  Shuping Wang
Office:  NTDP F130
Phone:  940-369-8895
Email:  shuping@unt.edu

Spring 2022
Time: (We) 2:30pm – 5:20pm
Meeting Place: NTDP B288
Office Hours: (MoWe) 1:00pm – 2:30pm

Office Hours: (Room B250) Th 2:00 – 4:00pm
Email:  ShengjunZhang@my.unt.edu

Course Description
Students are required to design electronic communication systems with electronic devices such as transistors, capacitors, inductors, and resistors. Topics include LC circuits and oscillators, AM modulation, SSB communications and FM modulation.

Course Information
Co-requisite
EENG 3520 Electronics II

Required Textbook and References

Attendance
Because we only meet once a week, every class meeting is essential to your success. To encourage your attendance, punctuality, and learning, I will provide pop-up quizzes of the previous week’s material at the beginning of class. The pop-up quizzes will be administered sharply at 2:30 pm and will last for about 5 minutes. Plan to arrive on time because you must be present when class begins to take the quiz. You will have the ability to earn up to 5 bonus points toward your overall grade over the semester by attending the lectures/labs.

COVID-19 Impact on Attendance
Please inform me if you are unable to attend class meetings because you are ill, in mindfulness of the health and safety of everyone in our community. If you are experiencing any symptoms of COVID-19 (https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html) please seek medical attention from the Student Health and Wellness Center (940-565-2333 or askSHWC@unt.edu) or your health care provider PRIOR to coming to campus. UNT also requires you to contact the UNT COVID Team at COVID@unt.edu for guidance on actions to take due to symptoms, pending or positive test results, or potential exposure.
Face Coverings
UNT strongly encourages everyone to wear a face covering when indoors, regardless of vaccination status, to protect yourself and others from COVID infection, as recommended by current CDC guidelines. Face covering guidelines could change based on community health conditions.

Lab report
Lab report will be required to assess understanding and reinforce the materials covered in experiment sessions.
- Lab report needs to be uploaded to Canvas at the due date/time.
- Lab report turned in late will be penalized 50%. No lab report accepted after 24 hours.
- Students have one week to contest any grade once grade posted.

Tests and Exams
There will be 4-6 Tests and one exam, i.e. the Final Exam. The exam will be based on class lectures and discussions, handouts, and class/lab exercises. Students are responsible for all text material, regardless of whether we review the text material in class or not.

Missed Tests
There are no make-up Tests. If you cannot take the test for any reason, the weight of the test will be put onto the final. Make-up exam accommodations for the Final Exam will only be made if you have a documented university excused absence (refer to UNT Policy 06.039).

Grading Elements and Weights
Pop-up quiz (Attendance bonus)  5%
Tests:  25%
Labs:  45%
Final Examination:  30%

Grade Distribution
Points  Letter Grade
90.0% - 100%  A
80.0% - 89.9%  B
70.0% - 79.9%  C
60.0% - 69.9%  D
59.9% & Below  F

UNT Policies
ODA Policy
UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one’s specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in
implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website (https://disability.unt.edu/).

**Academic Integrity Policy**
According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

**Prohibition of Discrimination, Harassment, and Retaliation (Policy 16.004)**
The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

**Student Evaluation of Instruction**
SPOT is a requirement for all organized classes at UNT. The survey will be made available at the end of the semester.

**Tentative Course Outline**
- Fundamental Communications Concepts (1/19)
  - Lab 1 (Exp. 2): Waveforms/Spectrums in the Time/Frequency Domains (1/26)
- Amplitude Modulation (2/2)
- Amplitude Modulation (2/9)
  - Lab 2 (Exp. 3): Introduction to Spectrum Analysis (2/16)
- Angle Modulation (2/23)
- Angle Modulation (3/2)
  - Lab 3 (Exp. 5): Frequency Modulation: Spectrum Analysis (3/9)
- Transmitters (3/23)
  - Lab 4 (Exp. 6): Radio-Frequency Amplifiers and Frequency Multipliers (3/30)
  - Lab 5 (Exp. 7): Colpitts RF Oscillator Design (4/6)
- Receivers (4/13)
  - Lab 6 (Exp. 10): Sideband Modulation and Detection (4/20)
  - Lab 7: Optical Voice Link (4/27)
- Review: (5/4)
  - **Final Exam** (Wednesday, 5/11/2022, 1:30pm to 3:30pm)
