ELECTRONIC DEVICES //
Cell phones, laptops, tablets and the like, can be incredible tools for learning and growth, but also have amazing potential to divert our attention and distract us from meaningful learning opportunities. With that in mind, I expect students to act responsibly with technology. Turn off ringers, be ready to respond to discussion questions, and not be a distraction to your neighbors or myself. I may ask you to put away electronic devices for certain activities or if I feel they are becoming a distraction to others. The bottom line is it is in your best interest to get the most out of this course and ultimately your decision to be a diligent student or distracted seat warmer—so use technology wisely. Please do not use class time to check social media, shop, or whatever else might distract you or your classmates.

ATTENDANCE //
Attendance is mandatory. Only two absences will be accepted. Each absence beyond two will reduce your final semester grade by one full letter grade. So, three unexcused absences will result in lowering of your final grade by one letter, four will lower it by two, etc. Five absences, will result in a failing grade. There is no distinction between an ‘excused’ or ‘unexcused’ absence so plan accordingly.

Attendance will be taken at the start of class. If you miss attendance, it’s your responsibility to check-in with me. Up to ten minutes late will be acceptable, but will count as a tardy. You are given three free tardies. After that every three tardies will be considered an absence from class. If you come to class after the ten minute tardy window, you will be considered absence.

There are no excused absences for anything but a death in the immediate family.

If you are absent, you are responsible for contacting a class member in order to get any information or assignments that were given in class. The instructor will not use any class time to repeat missed lectures or assignments. Do not call the main office to leave the instructor a note that you are missing class. Communication through e-mail is preferred.

STUDENT COMMUNICATION AND COURSE UPDATES //
All student communication and course updates will be conducted through the classes Canvas site and/or unt e-mail. You will need to monitor your unt e-mail for these updates and course communications. It is not possible or feasible for facility to communicate to students via personal e-mail accounts, so you will need to regularly monitor your unt e-mail or forward it to an alternative e-mail account. When contacting the professor, please utilize e-mail rather than Canvas messaging. If you need extended feedback please schedule or utilize office hours. As a rule of thumb, if your question requires more than a few sentence reply, please talk to the professor in person.

ACADEMIC INTEGRITY //
Students caught cheating or plagiarizing will receive an ‘F’ for that particular assignment or exam. Additionally, the incident will be reported to the Dean of Students, who may impose further penalty.

According to the UNT catalog, the term cheating includes, but is not limited to: a. use of any unauthorized assistance in taking quizzes, tests, or examinations; b. dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; c. the acquisition, without permission, of tests or other academic material belonging to a faculty or staff member of the university; d. dual submission of a paper or project, or re-submission of a paper or project to a different class without express permission from the instructor(s); or e. any other act designed to give a student an unfair advantage.

The term plagiarism includes, but is not limited to: a. the knowing or negligent use by paraphrase or direct quotation of the published or unpublished work of another person without full
and clear acknowledgment; and b. the knowing or negligent unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials.

**DISABILITIES ACCOMMODATION //**

The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking reasonable accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with a reasonable accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Accommodation website at [http://www.unt.edu/oda](http://www.unt.edu/oda). You may also contact them by phone at 940.565.4323.

**EMERGENCIES //**

UNT uses a system called Eagle Alert to quickly notify you with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, res, or violence). The system sends voice messages (and text messages upon permission) to the phones of all active faculty staff, and students. Please make certain to update your phone numbers at [http://www.my.unt.edu](http://www.my.unt.edu). Some helpful emergency preparedness actions include: 1) know the evacuation routes and severe weather shelter areas in the buildings where your classes are held, 2) determine how you will contact family and friends if phones are temporarily unavailable, and 3) identify where you will go if you need to evacuate the Denton area suddenly. In the event of a university closure, please refer to Blackboard for contingency plans for covering course materials.

**STUDENT RIGHTS AND RESPONSIBILITIES //**

Each University of North Texas student is entitled to certain rights associated with higher education institutions. See [www.unt.edu/csrr](http://www.unt.edu/csrr) for further information.

**EMERGENCY PROCEDURES //**

In case of emergency (alarm will sound), please follow the building evacuation plans posted on each floor of your building and proceed to the nearest parking lot. In case of tornado (campus sirens will sound) or other weather related threat, please go to the nearest hallway or room on your floor without exterior windows and remain there until all an all clear signal is sounded. Follow your teacher’s instructions and act accordingly.

**FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS //**

A student must maintain Satisfactory Academic Progress (SAP) to continue to receive financial aid. Students must maintain a minimum 2.0 cumulative GPA in addition to successfully completing a required number of credit hours based on total registered hours per term. Students cannot exceed attempted credit hours above 150% of their required degree plan. If a student does not maintain the required standards, the student may lose their financial aid eligibility.

If at any point you consider dropping this or any other course, please be advised that the decision to do so may have the potential to affect your current and future financial aid eligibility. Please visit [http://financialaid.unt.edu/satisfactory-academic-progress](http://financialaid.unt.edu/satisfactory-academic-progress) for more information about financial aid Satisfactory Academic Progress. It may be wise for you to schedule a meeting with an academic advisor in your college or visit the Student Financial Aid and Scholarships office to discuss dropping a course being done so.
