BMEN 5940 - Biomedical Engineering Seminar
Course Syllabus

Instructor: Dr. Vijay Vaidyanathan
Office: K 220 D
Office Hours: TBD or by appointment
Phone: 5-3268
Email: vijay.vaidyanathan@unt.edu
Textbook: None

Course Description: Introduction to biomedical engineering research conducted by faculty and researchers at UNT and other institutions. Students are required to make a well-researched presentation at the end of the course.

Reference: Journal papers and class handouts

Prerequisites: Graduate classification

Course Objectives:

1. To provide students with knowledge of research in biomedical engineering at UNT
2. To create an awareness of industry best practices
3. To provide a forum for students to make professional presentations in front of their peers

Grading Policies:

A – 90% - 100%
B – %80 - %89
C – %70 - %79
D – %60 - %69
F – < %60

Additional Comments:
• Students are encouraged to discuss class material and homework in order to better understand concepts. However, all the homework you submit must be of your own. Direct copying of a solution (from a friend or a book) will be considered as plagiarism and a violation of the University Honor Code.

• Homework assignments are to be turned at the beginning of the class on the due date. Late submission (homework and project) will not be accepted.

• The exams (midterm and final) are closed book with one page (8.5 x 11) of notes allowed. Make up exams may be given only under exceptional circumstances and with prior approval of the instructor.

• All students are responsible for announcements made in lecture on the student access website or via the class email list.

• It is the responsibility of students with certified disabilities to provide the instructor with appropriate documentation from the Dean of Students Office (see http://www.unt.edu.oda).

**Withdraws:** Note that students wishing to drop the course must take appropriate action (Details can be found in the following link: http://essc.unt.edu/registrar/schedule/withdraw.html). It is your responsibility to make sure all of the requisite paperwork is submitted. Ceasing attendance does not automatically drop you from the course.

**Americans with Disabilities Act:** The University of North Texas does not discriminate on the basis of an individual’s disability and complies with Section 504 and Public Law 101-336 (Americans with Disabilities Act) in its admissions, accessibility, treatment, and employment of individuals in its programs and activities. A copy of the College of Engineering ADA Compliance Document is available in the Dean’s Office. **It is the responsibility of the student to inform the instructor of any disabling condition that will require modifications by the 12th class day.**
