MATERIALS: REQUIRED
LinkedIn Learning (Free though UNT. Sign up instructions: https://it.unt.edu/LinkedInLearning)

Adobe Creative Cloud with Adobe Illustrator, Photoshop, InDesign and Acrobat installed.
Laptop (Macbook Pro is recommended but not required)

COURSE OBJECTIVES
A Develop and demonstrate proficiency in Adobe Illustrator, Photoshop, and InDesign.
B Introduce the fundamentals of the design process: discussion, critique, concept, thumbnails, pencil roughs or sketches, tight pencil comprehensives (comps), and computer generated comprehensives.
c Introduce students to the basic image-making principles necessary to create screen- and print-based visual communication design work.
D Help students develop beneficial work habits and professionalism.

COURSE STRUCTURE

GRADING & EVALUATION
Exercises will be structured tutorials wherein specific tools or methods are being taught and learned. Quizzes will test the knowledge of vocabulary, facts, key commands, and more. Projects will be involved assignments where students will utilize the software while tackling and solving for real world design jobs. Classwork will be weighted as follows:

Exercises & Quizzes = 150pts | Assignments (3) = 450pts | Sketchbook =150pts
GRADING & EVALUATION

Your final grade is the cumulation of four project scores accumulated throughout the semester. Final grades are rounded to the nearest 10th of a point. Rubrics and specifications are provided for each assignment, but assessment is primarily based on:

**PARTICIPATION** Respect classmates by listening and participating, especially in critiques. Your opinion is valuable! Points are docked for sleeping, disrespectful comments, or other disruptive behavior in class. Inappropriate behavior in the classroom may result, minimally, in a request to leave class.

**PROFESSIONALISM** Meet all specifications, including size, format, etc. as outlined for each assignment. Closely follow instructions! Keep files organized and clearly labeled. Avoid grammatical and spelling errors at all costs!

**PROCESS** Apply research and push yourself to a unique, concept-driven approach. Refine work throughout the project. Use demos/feedback to revise projects as needed. Include thorough process documentation as requested. Work iteratively and keep everything!

**DESIGN** Balance concept with equally compelling visuals. Visual decisions should address the problem posed in the assignment prompt. Strong designs are original, avoiding tropes or cliché. For full marks, designs need to push boundaries of modern design and make even your professor jealous.

ATTENDANCE POLICY

Good attendance and punctuality are expected for this class and will strongly affect your grades. Roll will be taken at the beginning of every class. You’ll be considered late if you arrive after roll has been taken. If you are late, it is your responsibility during that class period to make sure the instructor knows that you are present by leaving a note with your name, date and time of arrival with the instructor. If not received, you will be marked as absent. Every four tardies will equal one unexcused absence. Only three unexcused absences will be accepted. The fourth unexcused absence will lower your final semester grade by one letter grade. The fifth unexcused absence will lower your grade by two letter grades. The professor has a right to fail the student who accrues a total of six absences, excused or unexcused. There are no excused absences for anything but a verifiable death in the immediate family or with a doctor’s note on his/her stationary with a telephone number. The doctor’s note must be presented at the next class. A receipt is unacceptable. If you are more than thirty minutes late, it will be counted as an unexcused absence. If you are absent, you are responsible for contacting a class member in order to get any information or assignments that were given in class. The instructor will not use any class time to repeat missed lectures or assignments. Do not call the main office to leave the instructor a note that you are missing class for any reason. Under no circumstances should you leave a project with anyone in the main or design office. The office will not accept any projects. Incomplete daily work may result in additional unexcused absences at the discretion of the professor.
"NO MIRACLES" POLICY
Separate from the attendance policy, work will not be accepted from students who frequently fail to meet regular milestones, miss critique, or submit insufficient progress during critique. Respect for the process and contributing to the classroom culture is paramount.

GRADING POLICY
All projects are due on the day and time given at the beginning of class. No late projects will be accepted for grading. You are responsible for turning in work on time regardless of attendance.

RISK FACTOR
Risk Factor: 2. In level 2 courses, students are exposed to some significant hazards but are not likely to suffer serious bodily injury. In this class those risks are related to x-acto knife usage, adhesives, fumes and repetitive stress injuries related to extended computer use. Students will be informed of any potential health hazards or potential bodily injury connected with the use of any materials and/or processes and will be instructed how to proceed without danger to themselves or others.”

RESPECT FOR DIVERSITY

EMERGENCIES

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Blackboard for contingency plans for covering course materials. Some helpful emergency preparedness actions include: 1) know the evacuation routes and severe weather shelter areas in the buildings where your classes are held, 2) determine how you will contact family and friends if phones are temporarily unavailable, and 3) identify where you will go if you need to evacuate the Denton area suddenly. If the university is closed for more than one day, you should check the UNT website at www.unt.edu, the UNT Facebook page and @untEagleAlert for the latest information.

FINANCIAL AID

A student must maintain Satisfactory Academic Progress (SAP) to continue to receive financial aid. Students must maintain a minimum 2.0 cumulative GPA in addition to successfully completing a required number of credit hours based on total hours registered. Students cannot exceed attempted credit hours above 150% of their required degree plan. If a student does not maintain the required standards, the student may lose their financial aid eligibility.

If at any point you consider dropping this or any other course, please be advised that the decision to do so may have the potential to affect your current and future financial aid eligibility. It is recommended that you to schedule a meeting with an academic advisor in your college or visit the Student Financial Aid and Scholarships office to discuss dropping a course before doing so.

RETENTION OF STUDENT RECORDS

Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year. You have a right to view your individual record; however, information about your records will not be divulged to other individuals without the proper written consent. You are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the university's policy in accordance with those mandates.

COUNSELING AND TESTING

UNT’s Center for Counseling and Testing has an available counselor whose position includes 16 hours per week of dedicated service to students in the College of Music and the College of Visual Arts and Design. Please visit the Center's website for further information: http://studentaffairs.unt.edu/counseling-and-testing-services
ADD/DROP POLICY

Please be reminded that dropping classes or failing to complete and pass registered hours may make you ineligible for financial aid. In addition, if you drop below half-time enrollment you may be required to begin paying back your student loans. After the 12th class day, students must first submit a completed “Request to Drop” form to the Registrar’s Office. The last day for a student to drop a class in Fall 2022 is November 18. Information about add/drop may be found at:
